I understand that since I have checked out of my current room,

ROOM ASSIGNMENT

my status with USA Housing is now listed as "Off Campus But Obligated" (OCBO). This means that I have not been released from my housing contract.

USA Housing will still reserve a space for me, should I decide to move back into the residence hall any time prior to the end of my contractual term. I understand that I am still financially obligated to the Housing Contract terms and conditions and will still be required to pay room and meal plan charges for each semester of my contractual term unless otherwise notified in writing.
