Each Investment Manager must acknowledge, in writing, their acceptance of responsibility as a fiduciary. Each Investment Manager will have full discretion to make all investment decisions for the assets placed under their jurisdiction, while observing and operating within all policies, guidelines, constraints, and philosophies as outlined in this statement. Each Investment Manager will be provided with a copy of this statement of investment objectives and policies. In turn, as part of the investment management contract that will govern their portfolio, the Investment Manager is expected to provide a written statement of the firm's

3. Providing monthly valuation of the investment portfolio based on the previous month's closing prices.
4. Communicating any major changes in economic outlook, investment strategy, or any other factors which affect implementation of investment process, or the investment objectives progress of the Endowment Funds investment management.
5. Informing the Endowment Committee regarding any qualitative change in the investment management organization. Examples include changes in portfolio management personnel, ownership structure, investment philosophy, etc.
6. Providing the Endowment Committee with proof of liability and fiduciary insurance coverage.
7. Acknowledging in writing an ability and agreement to invest within the guidelines set forth in the investment policy.
8. Meeting with the Endowment Committee at least annually.
9. Voting proxies on behalf of the Endowment Funds and communicating such voting records on a timely basis. In cases in which the University desires to vote proxies related to specific topics, it will so notify Manager(s).
10. The Board of Trustees may from time to time request that the Investment Manager(s) allocate commissions to those brokerage firms providing other investment management services to the University. Good execution and commission prices are primary considerations in routing business to the said brokerage firms. If at any time any Investment Manager believes that any policy guideline inhibits investment performance, it is their responsibility to communicate this to the Endowment Committee.

**V. General Investment Principles**

1. Investments shall be made solely in the interest of the purposes of the University of South Alabama.
2. The Endowment Funds shall be invested with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person in a like position would exercise under similar circumstances in a manner the Board of Trustees reasonably believe to be in the best interest of the University.
3. Investment of the Endowment Funds shall be so diversified as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so.
4. The Board of Trustees may employ one or more investment managers of varying styles and philosophies to attain the Endowment Funds objectives.
5. Cash is to be employed productively at all times, by investment in short term cash equivalents to provide safety, liquidity, and return.

**VI. Investment Objectives**

In order to meet its needs, the investment strategy of the University of South Alabama Endowment Funds is to emphasize total return; that is, the aggregate return from capital appreciation and dividend and interest income. The total Endowment Funds shall be monitored for return relative to objectives, consistency of investment philosophy, and investment risk. The Endowment Funds results shall be evaluated on a rolling five-year basis against a market benchmark weighted 40 percent in favor of the S&P 500 Index, 5% Russell 2000 Index, 12% MSCI EAFE (US Dollar) Index, 23 percent toward the Barclay’s Capital US Aggregate Bond Index, 10% HFRI Fund of Funds Conservative Index and 10% HFRI Fund of Funds Strategic Index.

**VII. Portfolio Composition and Risk**

- A. To achieve its investment objective, the Endowment Funds assets are considered as divided into three parts a fixed income component, a fixed income alternative component, an equity component and a private equity component. The Endowment Funds long-term commitment to these funds shall be as follows:

	<u>Range</u>	<u>Long-term neutral</u>
Fixed Income	15-35%	25%
Equity	35-75%	50%
Private Equity	0-10%	5%
Fixed Income Alternative	10-30%	20%
Cash	0-5%	0%

The purpose of dividing the Endowment Funds in this manner is to ensure that the overall asset allocation among major asset classes remains under the regular scrutiny of the Endowment Committee and is not allowed to become the residual

of separate manager decisions. Over the long run, the allocation among the major asset classes may be the single most important determinant of the endowment funds investment performance.

- B. The purpose of the fixed income fund is to provide a hedge against deflation, to reduce the overall volatility of returns of the Endowment Funds, in order to produce current income in support of spending needs.
- C. The percentage of total Endowment Funds assets allocated to the fixed-income fund at any time should be sufficient to provide that neither the current income nor the capital value or the total Endowment Funds declines by an intolerable amount during an extended period of deflation. The fixed-income fund should normally represent approximately 15-35 percent of total Endowment Funds assets at market value. Although the actual percentage will fluctuate with market conditions, levels outside this range should be closely monitored by the Endowment Committee.
- D. The purpose of the equity fund is to provide appreciation of principal that more than offsets inflation and to provide a growing stream of current income. It is recognized that the pursuit of this objective could entail the assumption of greater market variability and risk than investment in fixed-income securities. Equity and equity-substitute investments are broadly defined as common stocks, high-yield bonds, reorganization securities, private equity, venture capital, leveraged buyout investments, equity real estate, reorganization securities, exchange traded index funds, etc. Investments made in such less liquid equity investments should be made through funds offered by professional investment managers.
- E. The purpose of the fixed income alternative component is to provide the Endowment a source of returns with low correlation to equity markets and volatility of one third to one half that of the U.S. equity market, while still achieving equity-like returns of Treasury Bills plus 2-8% over time. The Fixed Income Alternative should normally represent approximately 10-30 percent of total Endowment Funds.
- F. Any assets not committed to the fixed-income fund or fixed income alternative shall be allocated to the equity fund and the private equity fund. The equity fund should normally represent approximately 35-75 percent of total Endowment Funds assets at market value. The private equity fund should normally represent approximately 0-10 percent of total Endowment Fund assets at market value. Although the actual percentage of equities will vary with market conditions, levels outside these ranges should be closely monitored by the Investment Committee.
- G. The Endowment includes investments in several categories, and the Endowment Committee targets allocations for the following:

<b>Asset Class</b>	<b>Long-Term Strategic Target (%) of Endowed Funds</b>	<b>Range</b>
<b><i>DOMESTIC EQUITY</i></b>	<b>42%</b>	<b>30-60%</b>
Large/Mid-Cap	35%	25-55%
Small Cap	5%	3-8%
High Yield Debt	2%	0-5%
<b><i>INTERNATIONAL STOCKS</i></b>	<b>10%</b>	<b>5-15%</b>
Developed Markets	6%	3-10%
Emerging Markets	4%	0-6%
<b><i>PRIVATE EQUITY</i></b>	<b>5%</b>	<b>0-10%</b>
<b><i>TOTAL EQUITY COMPONENT</i></b>	<b>57%</b>	<b>35-75%</b>
<b><i>ALTERNATIVE INVESTMENTS</i></b>	<b>20%</b>	<b>10-30%</b>
Absolute Return	15%	12-20%
Long/Short Equity	5%	0-10%
<b><i>TOTAL ALTERNATIVE COMPONENT</i></b>	<b>20%</b>	<b>10-30%</b>
<b><i>Fixed Income Component</i></b>	<b>23%</b>	<b>15-35%</b>
U.S. Core Bonds	16%	12-20%
Global Bonds	4%	0-7%
TIPS	2%	0-5%
Emerging Markets Debt	1%	0-2%
<b><i>TOTAL FIXED INCOME COMPONENT</i></b>	<b>23%</b>	<b>15-35%</b>
<b><i>CASH AND EQUIVALENTS</i></b>	<b>0%</b>	<b>0-5%</b>

- H. Within the equity fund, certain investments can be included, with Endowment Committee approval, to provide a hedge against unanticipated, rapidly accelerating inflation. These include cash, real estate and oil and gas investments. While the Endowment Committee recognizes the argument for having a separate allocation to inflation-hedging assets, at this time, these investments are evaluated primarily as equity-substitutes. The Endowment Committee will periodically review the adoption of an inflation-hedging fund allocation separate from the equity allocation.
- I. Within the equity fund, in addition to cash reserves held by managers, there is normally an investment in cash or short-term instruments. Although the Endowment Committee has not adopted a cash allocation, new gifts to the endowment and endowment income in excess of budgetary distributions generate cash inflow to the Endowment Fund. The level of cash should be closely monitored by the committee.

- J. The Endowment committee may change any of the above ratios; however, it is anticipated that these changes will be infrequent.
- K. The Endowment Funds investments shall be diversified both by asset class (e.g., equities and fixed-income securities) and within asset classes (e.g., within equities by economic sector, geographic area, industry, quality, and size). The purpose of diversification is to provide reasonable assurance that no single security or class of securities shall have a disproportionate impact on the endowment funds aggregate results. Equity securities in any single industry will not exceed 20 percent, nor will equity securities in any single company exceed 10 percent of the market value of the endowment's allocation to equities.

### **VIII. Spending Policy**

It shall be the policy of the University of South Alabama Board of Trustees to preserve and maintain the real purchasing power of the principal of the Endowment Funds. The current spending policy of the University will be determined annually by the President and the Endowment Committee and approved by the Board of Trustees. The spending guideline is based on an expected total return over the long-term less expected inflation.

### **IX. Volatility of Returns**

The Board of Trustees understands that in order to achieve its objectives for Endowment Funds assets, the Funds will experience volatility of returns and fluctuations of market value. The Board will tolerate volatility as measured against the risk/return analysis of the appropriate market indices. The indices used as a measure of an investment manager's performance will be used to measure the allowable volatility (risk).

### **X. Liquidity**

To minimize the possibility of a loss occasioned by the sale of a security forced by the need to meet a required payment, the Vice President for Financial Affairs will periodically provide Investment Manager(s) with an estimate of expected net cash flow. The Vice President will notify the Investment Consultant in a timely manner, to allow sufficient time to build up necessary liquid reserves. Because of the infrequency of cash outflows and overall marketability of Endowment Funds assets, the Board of Trustees does not require the maintenance of a dedicated cash or cash equivalent reserve.

### **XI. Marketability of Assets**

The Board of Trustees requires that all Endowment Funds allocated to cash equivalents, fixed income securities or equity securities be invested in liquid securities, defined as securities that can be transacted quickly and efficiently for the Endowment Funds, with minimal impact on market price. The Board of Trustees recognizes that opportunities may exist in illiquid assets and will allow Investment Managers overseeing Private Equity or

Fixed Income Alternatives to invest in securities that may be less liquid and could present a risk of illiquidity.

**Derivative Securities: options and future contracts**

In general, the use of derivative securities by the Investment Manager shall be discouraged, unless such an opportunity presents itself that the use of the sophisticated securities would provide substantial opportunity to increase investment returns at an appropriately equivalent level of risk to the remainder of the total portfolio. Also, derivative securities may be used by the Investment Manager in order to hedge certain risks to the portfolio. The approval and use of derivative securities will not be allowed unless the Endowment Committee is confident that the Investment Manager(s) thoroughly understands the risks being taken, has demonstrated expertise in their usage of such securities, and has guidelines in place for the use and monitoring of derivatives.

**Real Estate:** Investments may also include equity real estate, held in the form of professionally managed, income producing commercial and residential property. ### **C. Guidelines for Fixed Income Alternatives**

1. Fixed Income alternative investments will be defined as any strategy using a partnership or offshore investment company structure that may or may not be subject to SEC registration, investing primarily in marketable securities and/or subject to a performance fee. These strategies would generally have absolute, as opposed to relative, return objectives driven more by manager skill and market inefficiency than market direction. Use of leverage, short selling and/or derivatives may or may not be employed as part of the investment approach. The endowment will employ a manager of manager's approach to investing in fixed income alternative investments.

### **D. Limitations on Manager Allocations**

1. No more than 5% of the Endowment Fund assets shall be allocated to an individual Investment Manager.
2. No more than 25% of the Endowment Fund assets shall be allocated to a "Fund of Funds" or multi-manager fund.

## **XIII. Investment Manager Performance Review and Evaluation**

Performance reports generated by the Investment Consultant shall be compiled at least quarterly and communicated to the Board of Trustees for review. The investment performance of total portfolios, as well as asset class components, will be measured against commonly accepted performance benchmarks. Consideration shall be given to the extent to which the investment results are consistent with the investment objectives, goals, and guidelines as set forth in this statement. The Board of Trustees intends to evaluate the portfolio(s) over at least a three-year period, but reserves the right to terminate a manager for any reason including the following:

1. Investment performance which is significantly less than anticipated, given the discipline employed and risk parameters established, or unacceptable justification of poor results.
2. Failure to adhere to any aspect of this statement of investment policy, including communication and reporting requirements.

## EXECUTIVE SUMMARY – 1

### Introduction

The Patient Protection and Affordable Care Act, passed March 23, 2010, requires that not-for-profit hospitals conduct a Community Health Needs Assessment (CHNA) every three years. The assessment should define the community, solicit input regarding the health needs of the community, assess and prioritize those needs, identify relevant resources, and evaluate any actions taken since preceding CHNAs.

This executive summary presents the key elements of the 2019-2021 USA Health Community Health Needs Assessment. This assessment was conducted between October, 2018 and April, 2019. First USA Health and its constituent parts are described. Second, the community served by USA Health is defined. Next, the overall methodology of the CHNA is provided, and finally, a summary of the health needs identified in section six are presented.

### USA Health

USA Health University Hospital (UH), USA Health Children’s & Women’s Hospital (USAC&W), and the USA Health Mitchell Cancer Institute (USAMCI) are each collectively part of the broader USA Health and are collaborating as part of this CHNA. Throughout this report each facility is referenced individually as appropriate or collectively as USA Health.

#### USA Health University Hospital

USA Health University Hospital is an acute care facility serving as the major referral center for southwest Alabama, southeast Mississippi and portions of northwest Florida. It offers centers for Level I trauma, burn, stroke, cardiovascular disease and sickle cell disease. As a teaching and research facility for the University of South Alabama College of Medicine, USA Health University Hospital plays a key role in the development of new technology, treatments and training of future health care professionals. The hospital also includes outpatient care services such as cardiology, medicine and surgery.

#### USA Health Children’s & Women’s Hospital

USA Health Children’s & Women’s Hospital offers the most advanced care in the region and delivers more babies annually than any other hospital in Mobile. It offers among its specialized services the region's most advanced neonatal intensive care and pediatric intensive care units, which provide the most specialized care to critically ill and injured newborns and children. Its specialized staff also offers a variety of innovative programs for hospitalized children teens and their families to meet their developmental, educational, social and emotional needs.

#### USA Health Mitchel Cancer Institute

Combining cutting-edge research with advanced care, the USA Health Mitchell Cancer Institute fights cancer from the laboratory bench to the patient’s bedside. MCI is the only

academic-based cancer research and treatment facility on the upper Gulf Coast. Its mission is to discover, develop and deliver innovative solutions to improve cancer outcomes.

## **Community**

USA Health has a far-reaching impact throughout the region including areas beyond southern Alabama in both northwestern Florida and southeast Mississippi. However, the primary community served by USA Health is the area of Mobile County. Approximately 79 percent of the patients served by University Hospital and USA Health Children's & Women's Hospital are from Mobile County. This number is up from 2016 when it was closer to 67% and it is roughly the same as it was in 2013 when it was 80 percent. This shows that the primary community served by USA Health is the population of Mobile County.

Mobile County, Alabama is situated in southwest Alabama and is bordered by the following counties: Baldwin, Clark, Escambia, Monroe and Washington in Alabama and George, Greene, and Jackson in Mississippi. The population of Mobile County is 415,955 according to the 2017 Census population estimates generated July 1, 2017. Forty-eight percent of the population is male and 52.0 percent are female. The percent of the population identifying as white only is 57 percent while 36 percent identify as African-American only. The median age is 37.4 years old. The median household income is \$45,802; 86 percent of the population have a high school degree or better; and 20 percent of the population are below the federal poverty level. Within the county there are 35,912 companies, and 183,897 housing units.<sup>1</sup>

## **CHNA Methodology**

Having identified the relevant community, in this case Mobile County, Alabama, the key objective of the CHNA is to assess the health needs of that community. A three-pronged approach is used herein to assess Mobile County's health needs. First, a comprehensive demographic profile is developed using secondary data sources that provide insight into the composition and prevalent conditions within the community. Second, a telephone survey was conducted of individuals living in the defined community in order to solicit their input regarding their health needs. Third, an Internet/E-mail survey was conducted of health leaders in Mobile County to get their input and to be able to compare and contrast the views of the community with those of the health leaders. Having assessed the current health needs of the community, the findings of the previous USA Health CHNA are evaluated and then the current health needs are presented.

---

<sup>1</sup> County information is taken from the most recent (2017 and 2013-2017) U.S. Census QuickFacts which are in turn derived from a number of U.S. Census sources including Population Estimates, American Community Survey, Census of Population and Housing, Current Population Survey, Small Area Income and Poverty Estimates, State and County Housing Unit Estimates, County Business Patterns, Nonemployer Statistics, Economic Census, Survey of Business Owners, Building Permits.

## Summary of Key Findings

### Community Demographic Profile

The community demographic profile is an in-depth examination of secondary data indicators that compare Mobile County to Alabama and the United States. Data for the profile were taken from many different sources including the US Census, the Alabama Department of Public Health, and Share Southwest Alabama. The following represent the most important findings from the community demographic profile.

There are a number of problems faced by infants and expecting mothers. With our changing demographics (falling numbers of residents aged 0-19 while growing numbers 60+) it is essential that the community preserve and protect the new residents we could potentially gain. The assessment shows that not only are neonatal deaths and post neonatal death rates on the rise in Mobile, but that the infant death rate is climbing at an alarming rate over the past six years (7.5 to 10.4) and even higher for minority groups (reaching 14.4 for blacks in Mobile by 2016). The community survey shows that community members feel that there is not enough access to women's health care, part of which is pregnancy and childbirth.

The assessment shows that diabetes has been on the rise in Mobile over the past 6 years. USA Health may want to review its programs focused on diabetes education and prevention.

In the United States cancers of the respiratory system hold the highest mortality of all cancers. This is also the case for Alabama and Mobile. USA Health should consider enhancing their efforts at combating respiratory cancers.

There is an overall need for disease prevention efforts. The system should continue to focus on increasing and promoting screenings for the more prevalent diseases in our area, and in the United States. For instance, behind respiratory cancers, the largest killers can be caught early through regular screenings and visits with one's primary care physician (colorectal, breast, and prostate cancers). Care should be taken to promote regular primary care in the community and encourage screenings.

There is a need for more secondary education for the general public. Studies have shown the beneficial effect that education has on many aspects of life (income, job stability, health and longevity of life).

### Community Health Survey

According to community members the most important features of a healthy community and the features that would be most important for improving the overall health of their community include:

- 1) A clean environment (including water, air, etc.)
- 2) Lower crime and safe neighborhoods

The community respondents said that the following are the top six health issues that are a problem for Mobile County:

- 1) Child abuse and neglect
- 2) Drug use and abuse
- 3) Cancers

### **Community Health Leaders Survey**

An Internet/e-mail based survey of community health leaders in Mobile County was conducted between October 15 and November 9, 2018. A total of 84 health leaders responded to the survey. The following represent the most important findings from the community health survey.

The community health leaders identified the following as the most important features of a health community:

- 1) Access to health services (e.g., family doctor, hospitals)
- 2) Mental health services
- 3) Quality education
- 4) Low crime/safe neighborhoods
- 5) Active lifestyles/outdoor activities
- 6) Health food options

- 7) Specialty medical care (specialist doctors), (tied with alternative therapies and specialty medical care for the fourth spot)
- 8) Primary medical care (a primary doctor / clinic)

An important aspect of the CHNA is comparing the priorities of the community health leaders with the priorities of the community to see where there is convergence or divergence between these two groups. Overall, there was a good bit of convergence among the top items identified by both groups. Priority rankings of these top items of course differed in many cases but it is notable that similar items made it in into the top six items for both community health leaders and community members. The following tables show where items converged and diverged between the two groups.

## COMMUNITY DEMOGRAPHIC PROFILE – 2

### Population by Age and Sex

Population is an important characteristic to consider when assessing community needs, as it reflects the potential pool of patients and relative demand of the community. Population data was taken from the U.S Census Bureau. While an official census is only taken every ten years, the Census Bureau provides yearly estimates. According to this source, in 2010 the population of Mobile County was 408,620, but has reached 413,955 by 2017. The relative population growth is bracketed by age below.

Generally, the distributions by age and sex are similar to statewide and nationwide comparisons. However, Mobile has a slightly above average number of females and below average number of male residents. In 2017 Mobile was home to 216,482 females and 197,473 males. These averages have remained largely stagnant over the time period, with some exceptions. For instance, between 2010 and 2015 Mobile gained approximately 4,062 females while only gaining 1,273 male residents.

### Gender Percentages Mobile County

Another trend worth noting is the rise in elderly residents. As of 2017, Mobile was home to 107,779 residents aged 0-19, 110,664 residents aged 20-39, 103,931 residents aged 40-59, and 91,581 residents aged 60 and over. In comparison to 2010, this makes 60 and over the fastest growing age demographic for the county. In this same time period there has been a significant loss in the 0-19 age bracket. This is unsurprising given national trends and generational birth rates. The trend can be found below.

### Population by Age Mobile

## Population by Race and Ethnicity

Race and ethnicity are another important factor to consider when assessing community health. Studies have shown that specific racial groups are more susceptible to certain diseases and conditions. As such, it is important to know the racial makeup of a region in determining the needs of the community in regard to public health. Data was obtained by the U.S Census Bureau in 2010 with estimates through 2017 available. The Census asks individuals to self-identify, with the vast majority of respondents identifying as one race and ethnicity.

The two most predominant races in Mobile are white, with 244,012 residents in 2017, and Black, with 147,234 residents in 2017. Hispanic is the largest listed ethnicity with 11,943 residents in 2017. The fourth largest demographic was those self-reporting as Asian, with 7,504 residents. The demographic breakdowns for 2017 are provided below.

### Population by Race Mobile County 2017

The distribution by Race and Ethnicity has remained largely the same for Mobile County over the time period. However, the distribution is substantially different than both Alabama and the United States as a whole. Compared to Alabama, Mobile has -8.83% Whites, +8.58% Blacks, -1.21% Hispanics, and +.71% Asians. This is remarkably different than the national averages, which indicate that Mobile has -13.57% Whites, +22.34% Blacks, -14.82% Hispanics, and -3.08% Asians. The four year trend and comparison to state and national averages are depicted below.

### Race Percentages

## Poverty

Socio-economic status is an extremely important indicator of community need, especially in regard to health. Studies have consistently demonstrated a link between wealth, poverty, and individual health. Adults in poverty are more likely to experience poor health, neglect routine doctor visits, utilize emergency services as primary care, fail to possess health insurance, and die at a younger age. Additionally, these ramifications extend to children as children in poverty are more likely to experience poor physical and mental health as well as, experience cognitive impairments. The impacts extend beyond health, and studies have shown that poverty increases the likelihood of school failure and teen pregnancy. Finally, it should be noted that poverty rates are often tied to race and ethnic identification. Previous community health needs assessments have identified the disparity between poverty rates among white and black children, indicating that poverty rates among black children are three times the rate of non-Hispanic whites nationally. These estimates have not changed significantly over the past four years.

Each year the federal government measures regional poverty using the Federal Poverty Level -- a metric based upon a dollar amount for single person and family income. In 2017 the FPL for a single person household was \$12,060, up \$420 from \$11,670 in 2014. For a family of four the FPL was \$24,600. Reported in the figure below are the Mobile County, Alabama, and United States estimates for the percentage of residents living at or below 100% of the FPL for the years 2010 to 2017.

**Percent of Population Below 100% Federal Poverty Level**

As can be observed, Mobile County consistently has a higher percentage of residents living at or below the FPL throughout the time series as compared to both the state of Alabama as well as the nation. While the gap between Mobile County and Alabama appears to diminish in 2011 and 2014 this is not due to shrinking numbers of residents in Mobile County under the FPL, but rather a worsened state for the entirety of Alabama. Oftentimes, it has been shown that individuals up to 150% and even 200% FPL have difficulty meeting basic needs related to health care, such as food, housing, and transportation. As such, the profile for percent population between 100 - 149% FPL has also been provided below. For reference, individuals qualify for the Supplemental Nutrition Assistance Program (SNAP) at 130% of the FPL or lower.

**Percent of Population 100%-149% Federal Poverty Level**

## Education

While education is known to increase the likelihood of higher income, and thus influence health in an indirect manner, education also has been tied directly to health benefits in communities. Research has shown that those with higher educational attainment are more likely to have longer lives and healthier lifestyles. For instance, the Robert Wood Johnson Foundation found that the average lifespan for females is increased by approximately 5 years (78.4 years for less than high school degree and 83.5 years for college graduates) and by nearly 7 years for males (72.9 years for less than high school degree and 79.7 years for college graduates) on average. Additionally, education has been tied to reduced health risk in a range of areas:

An additional four years of education lead to on average:

- 1.3% reduction in diabetes
- 2.2% reduction in heart disease
- 5% reduction in being overweight
- 12% reduction in smoking

The impact of education often extends to a child's health as well. For instance, a mother with 0-11 years of education is nearly twice as likely than mothers with 16 or more years of education to experience infant mortality (8.1 versus 4.2 mortality rate in 2010). Additionally, studies have shown that healthier children tend to perform better in school and other collegiate activities.

Below are 2017 pie charts of Mobile County and Alabama education levels as a whole for adults 25 and older. Mobile County and Alabama are comparative across all education levels.

### Education Levels for Mobile County 2016

- Less than high school graduate
- High school graduate (includes equivalency)
- Some college or associate's degree
- Bachelor's degree or higher

### Education Levels for Alabama 2016

- Less than high school graduate
- High school graduate (includes equivalency)
- Some college or associate's degree
- Bachelor's degree or higher

One of the most striking gaps, for both Mobile County and the state of Alabama compared to the nation, is post high school education. While Mobile County and the state have increased the proportion of high school graduates in recent decades, they continue to fall behind in those obtaining bachelors and graduate or professional degrees. In 2016 the resident breakdown was 102,705 high school graduates, 86,044 with some college followed by a gap of with 100,628 and 46,648 residents with less than a high school degree in Mobile County.

## Births

Previous community health needs assessments have identified the decline in both crude birth rates and fertility rates within Alabama since the 1950s. This decline was extended to Mobile County, with data from 2007 to 2011 showing a significant decrease (645 less births between the two comparative years). However, data collected from 2011 to 2015 had indicated that this decline appears to be leveling off. Since the last Community Health Needs Assessment, we can see that births had increased somewhat, but are again entering a decline since 2016.

Further evidence shows that this overall trend for birth rates is not unique to Mobile County. When compared to Alabama, proportionally the rates of births are similar.

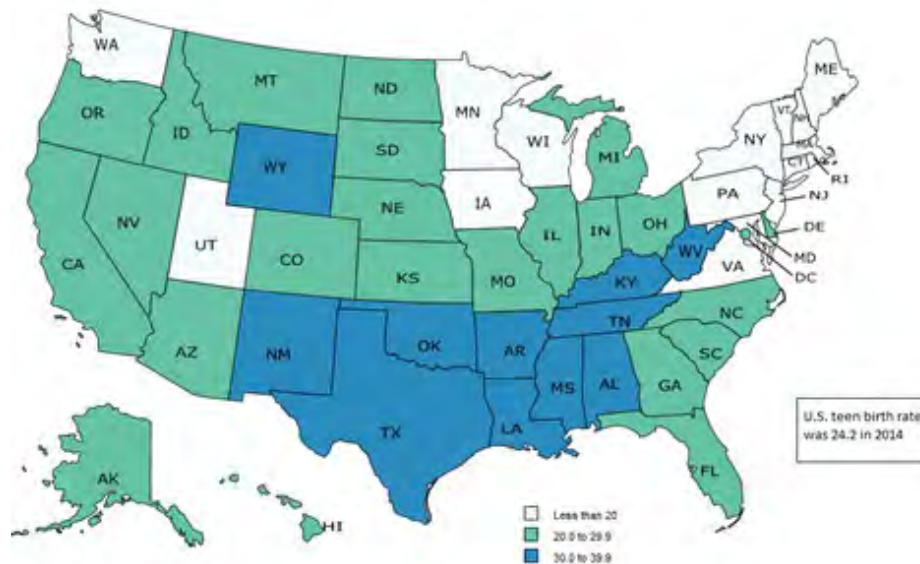

### Births to Select Groups: Teens and Unwed Mothers

Teenage pregnancy has been a social concern since the 1960s due to the long-term negative effects for both mother and child. Research has shown that teenage pregnancy began to rise significantly between the 1950s and the 1970s, reaching nearly 19% of births in 1975. However, teenage birth rates have since been in a consistent decline for the past twenty years. According to the Department of Health and Human Services, 24.2 of every 1,000 births in the U.S was to an adolescent between the ages of 15-19 in 2014. This marks a nine percent decline nationally from the previous year. This pattern of decline is consistent with both the state of Alabama and Mobile County, only to a lesser degree. The figure below shows the decline in teenage births in Alabama and Mobile County over a seven year period (2010 to 2016).

While teenage birth rates are lower than in previous decades, Alabama, and much of the south-central region of the United States, has higher teenage birth rates than the vast majority of the country.

Source: Martin, J. A., Hamilton, B. E., Ventura, S. J., & Osterman, M. J. K. S.C., & Mathews, T.J (2015). *Births: Final data for 2014*. Hyattsville, MD: National Center for Health Statistics via Department of Health and Human Services

Further evidence indicates that most births to adolescents are to mothers 18 years or older. In 2014, 73 percent of teenage births were to mothers aged 18 or 19 years old.

Unsurprisingly, data also shows that most teenage pregnancies are unwed births. According to the Department of Health and Human Services, 89% of teen births in 2014 occurred outside of marriage. There also appears to be racial and ethnic differences in birth rates. Nationally, birth rates are highest among Hispanic or black teens. For instance, the birth rate for every 1,000 adolescent births in 2014 was 34.9 for blacks and 17.3 for whites. The figure below compares Mobile County to Alabama as a whole for birth rates to teens and unwed mothers.

### Rates of Teen & Unwed Births

As can be seen, Mobile County is slightly above average in teen births when compared to the state (7.71% as opposed to 7.66%). For Mobile County, these births are disproportionately to black teenagers than to whites (9.98% versus 5.80%). When analyzing the rates of birth to unwed mothers, we observe that Mobile County is significantly above average as well. 53.56 percent of births in Mobile County are to unwed mothers (including all age ranges), whereas statewide the percentage is only 44.69%.

### Birth Complications and Infant Mortality

Given Mobile County's declining population in the 0-19 age bracket and the reduction in birth rates following the recession, it is important to explore the community health needs of pregnant mothers and infants. Provided below are the rates for low birth weight, neonatal death, and post neonatal death from 2010 to 2016.

### Pregnancy and Birth Complication Rates in Mobile County

From this data it would seem that low birth weight is a consistent problem for Mobile County, with the rate averaging 11.85% in the time period. The data also reveals that Mobile County's neonatal deaths are on the rise.

In 2014, Alabama had the third highest low birth weight rate in the nation (10.1%), behind only Louisiana (10.5%) and Mississippi (11.3%). When assessed by race, Alabama is again third highest for blacks (15%), lagging behind Mississippi (15.6%) and New Mexico (16.5%) and ninth highest for whites.

Further, Alabama has consistently been in the top three states for perinatal mortality rate since 2010.

Unfortunately, the problems facing mothers and births in our community go beyond pregnancy complications. Mobile County has had inconsistent infant death rates over the past five years. In 2010 the infant death rate for Mobile County was 7.5, by 2016 that rate has risen to 10.4, with sudden shifts in between. For blacks, that rate is even higher, moving from 11.5 in 2010 to 14.4 in 2016. These trends are presented below.

## Deaths

Death rates within Mobile County have remained relatively consistent since the last community health needs assessment. In 2010 the death rate for all of Mobile County was 9.8 and has only risen just under a percentage point to 10.6 in 2016. These rates are proportionally comparable to Alabama, which had a death rate of 10.8 in 2016, also rising 0.8 points over the time period, from a rate of 10 in 2010.

Rates are also significantly different between sexes and race, with white male having the highest rates both within Mobile County, and for the state (12.3 and 12.4 respectively in 2016) and black female as the lowest (7.7, and 7.5 respectively for 2016).

These comparisons are consistent in our seven year sample between 2010 and 2016. However, the trends are not similar across all groups. In Mobile County, black male and white male death rates both rose (.6 and .9 respectively) over the time period, while black female and white female followed suit with (.5 and .7 respectively).

### Death Rates by Race 2016

The state of Alabama tracks deaths by type, typically comparing homicides, accidents, and suicides. Of these, accidents were the highest category of death consistently across all locations. When comparing these three categories the state of Alabama consistently ranks as accidents as highest in frequency followed by suicides, with homicides showing the lowest frequency of the three. However, Mobile County's homicide rate rivals that of its suicides. In fact, over the seven year sample (2010-2016) Mobile County's homicide rate was on average 5.4 higher than the state as a whole, while the suicide rate was only .5 greater and the accident rate was 3.4 lower.

Since accidents are consistently the highest cause of death for both Mobile County, it is important to understand the types of accidents that increase mortality.

In 2016 the top three specific causes of accidental death in both Mobile County and Alabama were motor vehicle, poisoning, and falls. Fire related deaths, suffocation, and drowning follow causing about 3-7% of deaths each. On average Mobile County causes of accidental deaths follow the pattern of the state of Alabama as a whole. As reported in previous CHNAs, Mobile County continues to have a higher rate of poisoning related deaths than the state average. The yearly trends for motor vehicle related deaths can be found below.

### Motor Vehicle Accident Rates

Provided below is a 2016 snapshot of all causes of death, by number, in Mobile County. A detailed discussion of diseases and cancer trends can be found in the following section.

**Deaths: Diseases and Cancers**

According to the Centers for Disease Control and Prevention, the top ten leading causes for death in the United States in 2016 were heart disease, cancer, accidents, chronic lower respiratory diseases, stroke, Alzheimer's diseases, diabetes, Influenza and Pneumonia, Nephritis (Nephrotic syndrome and Nephrosis included) and suicide. The leading causes for Mobile County are largely the same, with few exceptions. Provided below are the trends for the top ten causes of death in Mobile County from 2010 to 2016.

Heart disease and Malignant Neoplasms rates remain consistent over the time period, with Heart disease experiencing a slight rise in the past two years and cancers appearing to decline very modestly in Mobile County.

### Remaining Diseases (Mobile)

In Mobile County, over the time period, chronic Lower respiratory, diabetes, Alzheimer's and Influenza/pneumonia all have risen in the number of deaths caused a year. Given the change in population demographics discussed earlier, this may not come as a surprise, as these diseases are often associated with age. Additionally, the relationship between Alzheimer's disease, dysphagia, and aspiration pneumonia may contribute, in part, to the overall increase in deaths reported as pneumonia.

Cancer is the second leading cause of death in Mobile, claiming the lives of approximately 898 Mobile County residents every year for the last seven years.

Together, cancers of the respiratory system, including trachea, bronchus, lung, and pleura account for the vast majority of cancer related deaths. In Mobile County this grouping constituted 28.03% of cancer deaths in 2016 and 29.87% of all cancer deaths from 2010-2016. These trends hold when compared to that of the state of Alabama, with 29.14% in 2014 and 30.24% of all cancer deaths from 2010-2016.

### Cancer Rates by Type in 2016

Of the other cancers of significant frequency in both Mobile County, state of Alabama, and the U.S are colorectal and breast cancers. Colorectal cancer is the third most lethal cancer type in the United States among both men and women. Mobile County, and the state of Alabama report colorectal cancer rates at a similar mortality rate to the nation (9% across both sexes nationally, with rates of 7% in Mobile County and 8% in the state of Alabama as a whole). Breast cancer mortality is much lower in Mobile County, and the state of Alabama with only 6% of cancer rates attributed to breast cancer in 2016 -- compared to the national mortality of women (14%). Similarly, the mortality for prostate cancer is much lower in Mobile County, and the state of Alabama than it is nationally (10% of men).

## COMMUNITY SURVEY – 3

### Community Survey Methodology

The Community Health Needs Assessment survey was comprised of two key sampling elements: 1) the general community survey and 2) the focused community survey. Both surveys examined the key community area of Mobile County but in different ways. The general community survey was a standard random digit dialed (RDD) survey of residents of Mobile County. This survey also included cell phone respondents.<sup>2</sup> A total of 407 respondents were collected from Mobile County in the general community survey for a margin of error of +/- 4.9%. These respondents reflect a somewhat more general view and encompass opinions of respondents throughout all of Mobile County.

The focused community survey examined those zip codes within Mobile County where most USA Health patients reside. In order to be included, the zip code area needed to have had at least 100 patients visiting either University Hospital, USA Health Children's & Women's Hospital, or a clinical visit in fiscal year 2017. See Table 3.1 for a breakdown of the zip codes included and the number of patients visiting either USA Health University Hospital, USA Health Children's & Women's hospital, or those with a clinical visit. The focused survey also included cell phone respondents. A total of 226 respondents were collected from Mobile County in the focused community survey for a margin of error of +/- 6.5%. These respondents are considered more focused in that they reflect the opinions of respondents in areas somewhat more likely to utilize USA Health.

The two groups were then combined to provide an overall estimation of residents of Mobile County. While typically one would need to weight the responses of the focused sample, an examination of the percentage of the population collected for each zip code showed such minor differences that weighting was not necessary. This combined "overall" category includes 633 respondents for a margin of error of +/- 3.9%. The response rate for the overall survey was 10.1% if "No Answer" responses are included in the base and 18.8% if they are excluded.

For these surveys a computer-assisted telephone interviewing (CATI) system was used to conduct the interviews and collect data. The CATI system recorded information related to the call histories and call dispositions used by interviewers to document the outcome of each call attempt, as well as the survey questions and their responses. The USA Polling Group uses WinCATI/CI3, developed by Sawtooth Technologies in Evanston, Illinois, to program and field its surveys. WinCATI/CI3 is widely used by major academic, public, and private survey organizations. With CATI systems, data are entered directly into the computer by the interviewer, so that interviewing and data entry become a single, seamless step. The benefit is twofold: accuracy of data transmission is enhanced and time otherwise spent re-entering data is saved. Further, CATI capabilities allow skip patterns and range checks within the interview

---

<sup>2</sup> Cell phone respondents were screened for the following items: 1) were they in a safe location to be able to speak by phone, 2) were they 18 years of age or older, and 3) were they still residents of Mobile County.

to reduce back-end data cleaning. In addition to questionnaire programming, the USA Polling Group also utilizes WinCATI/CI3's call scheduling capabilities to maximize the probability of contacting potential respondents. A central file server arranges call scheduling for interviewer administration. The system enables calls to be scheduled so that different times of the day and week are represented.

## Key Survey Findings

This section details the key elements of the survey findings and in particular identifies some of the most highly rated areas of community need. To see all of the findings regarding the survey data please refer to the tables in Appendix B.

Most respondents feel that Mobile County residents are somewhat healthy (60%); respondents suggest that they think only one percent of residents are very healthy and another two percent are very unhealthy.

Respondents are somewhat more positive about the quality of healthcare services. Twelve percent feel services are excellent, 28 percent feel they are very good and 38 percent say they are good. Only seven percent say services are poor.

Medicare is the most frequently mentioned form of health insurance. This is not surprising given the older age of many of the respondents. Twenty-six percent have employer based private insurance, eleven percent have private insurance they purchased themselves, and four percent do not have insurance. Thirteen percent of respondents report not having a personal doctor or healthcare provider. Eighty-nine percent say they have seen a doctor for a wellness exam or routine checkup in the past year but only 70 percent say the same for a dental exam or cleaning.

Respondents were asked about a series of items and how important they felt each item would be in improving the overall health in their community. The top six items rated as most important include: 1) a clean environment, 2) lower crime and safe neighborhoods, 3) less sexually transmitted diseases, 4) good schools, 5) mental health services, and 6) more quality education. The rankings for Mobile county can be seen in Table 3.3 while the full list of all items can be found in Tables B.8 and B.9 in Appendix B.

Respondents were asked how they felt about a number of health issues. Table 3.4 shows the top six issues respondents felt were a problem for Mobile county: 1) child abuse and neglect, 2) drug use and abuse, 3) cancers, 4) domestic violence, 5) rape and sexual assault, and 6) heart disease and stroke. The full list of health issues is located in Appendix B in Tables B.10 and B.11.

Determining the prevalence of different health conditions is vital in determining community need. Respondents were asked to identify whether a doctor or other health professional had ever told them if they had any number of a series of twelve major health issues. The top six health conditions identified by respondents in Mobile county were: 1) high blood pressure, 2) high cholesterol, 3) diabetes, 4) depression, 5) obesity, and 6) heart disease. Table 3.5 shows these rankings and Table B.12 in Appendix B shows the responses to all twelve health issues.

Health related services that are difficult to access are a clear problem and point to community needs. Respondents were asked to identify healthcare services that they felt were difficult to obtain in Mobile county. These responses were unprompted, that is respondents had to identify them on their own, and respondents could select as many as they felt were problems. Not counting those saying some “other” issue, Table 3.6 identifies the six healthcare services respondents feel are most difficult to access in Mobile county: 1) mental health services, 2) specialty medical care (specialist doctors), 3) services for the elderly, 4) dental care / dentures, 5) women’s health, and 6) emergency medical care. The full list of services can be found in Table B.13 in Appendix B. The “other” responses are presented in Appendix C, these responses range over a number of issues however many of them reference better and more doctors (in particular dermatologists are mentioned quite frequently along with neurologists and rheumatologists), more affordable care, more timely care, neurology, help for homeless, and help for veterans.

Sixteen percent of Mobile county respondents indicated that they had delayed in getting needed medical care at some point in the past 12 months. Delays in seeking healthcare can lead to more severe, complicated, and costly problems. Factors contributing to such delays are again clear signals of community needs. Table 3.7 lists the top six reasons, not counting those saying “other”, identified by respondents for why they delayed in getting needed medical care: 1) could not afford medical care, 2) insurance problems or a lack of insurance, 3) could not get an appointment soon enough, 4) provider did not take my insurance, 5) lack of transportation, and 6) could not get a weekend or evening appointment. The full list of reasons for delaying needed medical care can be found in Table B.15 in Appendix B. The “other” responses are presented in Appendix C; many of these responses indicate not having time, just didn’t go, didn’t want to wait, didn’t have coverage or were limited in some way (mobility, number of visits, etc.).

When seeking medical care for someone who is sick, respondents overall were first likely to go to their family doctor (63%), then an Emergency Room (15%), and third to an urgent care (14%).

Respondents have a great deal of confidence that they can make and maintain lifestyle changes. Thirty percent are extremely confident in their ability to do so and 42 percent are very confident.

Only 12 percent of respondents indicate that they are currently using tobacco products such as cigarettes and cigars. A modest one percent report using chewing tobacco or snuff and another one percent say they use e-cigarettes or vaporizing pens. Eighty-one percent report never having used tobacco products.

Most respondents for the survey were older. Thirty-four percent were between the ages of 46 and 65 and 48 percent were over 65. However, given that the survey's goal is to identify healthcare needs, this upward age bias is less concerning.

Whites constituted 60 percent of those responding overall and African-American's 37 percent.

Twenty-seven percent of respondents possess a high school degree or GED. Twenty-nine percent have some college coursework; 18 percent have a Bachelor's or four-year degree, and 15 percent have a graduate or professional degree.

Given the older age of the respondents it is not surprising that 51 percent say they are retired. Twenty-seven percent are working full-time, six percent are disabled, and five percent are unemployed.

Overall there was a relatively equitable distribution of respondents across all of the income brackets. Sixteen percent earned less than \$15,000 and 15 percent earned more than \$100,000.

The majority of survey respondents (74%) were female.

## **Comparing the general and focused areas of Mobile County**

Comparisons were made to determine if there were differences between the respondents in the general and focused survey areas of Mobile County. Cross tabulation was used to test for statistically significant differences between the two areas. Generally, across most questions, respondents from both areas were very similar in their answers and very few statistically significant differences were found. The nine areas where statistically significant differences were identified are discussed below.

Respondents in the general area of Mobile County were somewhat more likely than those in the focused area to rate the quality of healthcare services available in Mobile County as better. One has to be careful in looking at this because at first glance those in the focused area are more likely to say healthcare services are excellent (15% in the focused compared to 10% in the general); however, among all of the remaining response options, those in the general area rated healthcare services more positively than those in the focused area.

Another area of difference was in the type of healthcare insurance that respondents possessed across the two areas. Those in the more general area were more likely to have private coverage through their spouse and some "other" form of coverage. Those in the more focused area were somewhat more likely to have Medicare, Medicaid, and Tricare insurance through the military.

For most of the 24 health problems, similar numbers of respondents from the both the general and focused areas had similar ideas as to how much of an issue the problems were for Mobile County. However, when asked about tobacco use, there were differences.

Respondents in the focused area were much more likely to say that tobacco use was a very important issue (82%) compared to those living in the general area (74%).

Probably the area where the most disagreement was found was in identifying which healthcare services are difficult to get in Mobile County. Respondents from the general and focused areas disagreed on four of the 17 items. Respondents from the general area were more likely than respondents from the focused area to identify physical therapy, services for the elderly, alcohol or drug abuse treatment, and x-rays or mammograms as more difficult healthcare services to get in Mobile County. In at least three of the four instances, physical therapy, alcohol or drug abuse treatment, and x-rays or mammograms, no respondents from the focused area identified these services as difficult to get. The data do not reveal if this is the case but it may be possible that fewer people in the focused area are seeking these services.

While there was generally agreement regarding the use of tobacco products, along with likely underreports, there was one area of difference between respondents from the general and focused areas. Respondents from the general area were somewhat more likely than respondents from the focused area to say that they had quit more than a year ago.

The final place we see differences between the two areas is in the domain of education. Respondents in the general area were somewhat more likely than those living in the focused area to have better educational outcomes. More respondents in the general area identified as having some college, a four-year degree, and a graduate or professional degree than did respondents from the focused area of Mobile County.

## COMMUNITY HEALTH LEADERS SURVEY – 4

### Community Health Leaders Survey Methodology

The Community Health Leaders (CHL) survey employed an Internet/e-mail based survey sent to health leaders throughout Mobile County. A total of 84 responses were collected.

The CHL survey was deployed using the Qualtrics Internet survey system. Qualtrics is widely used in the academic and business community. Although the information collected in this survey did not rise to the level of protected health information, the Qualtrics system meets all HIPAA privacy standards. All collected survey information is anonymous.

The USA Polling Group constructed a list of potential health leaders that included a wide diversity of organizations and individuals including healthcare providers, clinics, public health clinics, key hospital personnel, numerous local non-profit groups and charitable organizations, business leaders, local state legislators, and local city officials. The goal was to cast a wide net and to include people in a variety of areas both in healthcare and in related areas such as Feeding the Gulf Coast, Habitat for Humanity, the United Way, etc. Given that a health community is more than just the healthcare resources in an area but includes aspects such as a clean environment, education, safety, etc., we felt this wide net was appropriate.

Overall, a total of 291 e-mails were initially distributed on October 15, 2018. Reminder surveys were sent on October 23 and October 30, 2018. Of the 352, six e-mails were duplicates and six e-mails bounced for 279 unique and working e-mails. Thus, with 84 responses, the CHL had a completion rate of 30.1%.

The CHL survey questionnaire duplicated Infirmity Health’s community health leaders survey deployed for their 2016-2018 CHNA. The full text of the survey can be found in Appendix G.

## Key Survey Findings

This section details the key elements of the Community Health Leaders (CHL) survey findings and identifies what those leaders see as the highly rated areas of community need. To see all of the findings regarding the CHL survey data please refer to the tables in Appendix D.

The community health leaders were first asked what they think are the most important features of a healthy community. Respondents were presented with a list of 23 possible features of a healthy community and were asked to select up to three items from the list. Respondents were also given three “other” options so that they were not restricted to the items in the pre-defined list but could identify any features that they felt were important. The top six features of a healthy community as identified by community health leaders were: 1) access to health services including family doctors and hospitals, 2) mental health services, 3) quality education, 4) low crime/safe neighborhoods, 5) active lifestyles and outdoor activities, and 6) healthy food options. The rankings are presented in Table 4.2 while the full list of all items can be found in Table D.1 in Appendix D.

Health leaders were then asked what they felt were the most important health issues in Mobile County. They were again presented with a pre-defined list of 24 health issues of which they were asked to pick three. Again, they were given three “other” options so that they could identify items not on the pre-defined list. Table 4.3 lists the top six health issues identified by community health leaders: 1) mental health problems, 2) obesity and excess weight, 3) drug use and abuse, 4) diabetes, 5) cancers, and 6) heart disease and stroke. The full list of health issues is located in Appendix D in Table D.2.

Next, health leaders identified their top six unhealthy behaviors in Mobile County. Again, they had the option to select up to three from a pre-defined list of 12 behaviors or could select three “other” options. The top six unhealthy behaviors included: 1) drug abuse, 2) poor eating habits and poor nutrition, 3) excess weight, 4) not seeing a doctor or a dentist, 5) homelessness, and 6) lack of exercise. Table 4.4 shows these rankings and Table D.3 in Appendix D shows the responses to all of the health issues.

Health leaders were also asked to identify which healthcare services are difficult to get in Mobile County. For this question, leaders were allowed to select all that they felt applied. Table 4.5 shows the six healthcare services health leaders felt are the most difficult to access: 1) mental health services, 2) alcohol or drug abuse treatment, 3.1) preventative healthcare including routine or wellness check-ups, 3.2) services for the elderly, 4.1) alternative

therapies like acupuncture and herbals, 4.2) dental care including dentures, 4.3) specialty medical care e.g., specialist doctors, 5) primary medical care (a primary doctor or clinic), and 6) prescriptions/pharmacy services. The full list of services can be found in Table D.4 in Appendix D.

<sup>1</sup> May add to more than 100% since respondents could select up to three responses.

It is notable that the health leaders do not rate anyone in Mobile County as very healthy. The majority of health leaders suggest that people are either somewhat healthy (44%) or unhealthy (40%).

Four percent of health leaders rate the quality of healthcare services available in Mobile County as excellent, 24 percent say very good, 39 percent say good, another 28 percent say fair and four percent say the healthcare services are poor.

Many of the health leaders responding were from healthcare organizations (24%), another 18 percent were in education, 10 percent deal with housing and temporary shelter, and seven percent work in public service. Finally, another 18 percent indicated some other type of service. Follow-up responses as to the type of other services were quite varied and can be seen in Appendix E.

In looking at the types of clients served, 34 percent of health leaders said their organization served families; 36 percent said their organization served individuals, and 19 percent said some other type of client. Among those saying other, many indicated children or adolescents, or that they served all of the different types of clients.

Most health leaders (64%) said that they provide the client information on where to obtain assistance if their organization cannot provide all the services a client needs. Thirty-one percent said they will phone, e-mail, or fax another organization to help the client obtain those services they cannot provide.

Forty-six percent of health leaders said their organizations served adults under 65; 37 percent said they served children, and 20 percent served seniors (65 and over).

Most health leaders (82%) indicated that it would be helpful to them and their ability to provide services to know what other services the client has received from other organizations.

Forty-seven percent of health leaders felt that they served 1,000 or fewer clients (that is unique individuals not visits) on an annual basis. Thirty-two percent said they served 20,000 or more annually.

While some health leaders said their organizations required clients to meet eligibility requirements, most (74%) said that they do not have requirements but serve everyone.

Twenty-one percent of health leaders do not have any volunteers on their staff. Another 60 percent said that between 1 – 25% of their staff was composed of volunteers. Very few health leaders had more than 25% or more of their staff composed of volunteers.

Many health leaders (46%) rely on either electronic medical records (EMR) or electronic health records (HER) for storing client records electronically. Another 27 percent rely on other systems including HMIS, EPIC, Oasis Insight, and others (see Appendix E for a full list), and 20 percent do not know if they store client records electronically or not.

## **Comparing the Community and the Community Health Leaders**

This section compares the results of the 633 community members with the results of the 84 community health leaders from Mobile County. These comparisons should demonstrate where the community and health leaders converge and diverge in terms what constitutes a healthy community, what the most important health issues are, how each group views the health of the community and the quality of health services available, and what services are perceived to be difficult to obtain. Many of these survey questions were essentially the same; however, the mode of delivery necessitated some differences in their delivery depending on if the questions were being presented over the telephone versus electronically.

In looking at the features of a healthy community, there were three areas that overlapped between the health leaders and the community at large: mental health services, quality education, and lower crime and safe neighborhoods. All three of these items appeared in the top six of both the community health leaders and the community respondents.

The relative priority of the three items differed somewhat between the two groups. Of the three, the community health leaders rated mental health services highest in the number 2 spot, quality education next highest in the third spot, and lower crime / safe neighborhoods the lowest in the fourth spot. Community respondents rated lower crime / safe neighborhoods the highest of the three in the second spot, mental health services second in the fifth spot, and quality education the lowest in the sixth spot.

In terms of divergent priorities, the health leaders identified access to health services (1), active lifestyles and outdoor activities (5), and healthy food options (6) as their other key

features of a health community. Community respondents identified a clean environment (1), less sexually transmitted diseases (3), and good schools (4).

**Table 4.6: Comparison of Features of a Healthy Community**

<i>Community Health Leaders Survey</i>	<i>Community Survey</i>
1. Access to health services (e.g., family doctor, hospitals).	1. A clean environment including water, air, etc.
2. Mental health services.	2. Lower crime and safe neighborhoods.
3. Quality education.	3. Less sexually transmitted diseases.
4. Low crime / safe neighborhoods.	4. Good schools.
5. Active lifestyles / outdoor activities.	5. Mental health services.
6. Healthy food options.	6. More quality education.

When examining the most important health issues, there was a similar level of consensus between the health leaders and the community on half of the items that belonged in the top six. Both groups identified drug use / abuse, cancers, and heart disease and stroke as three of the six most important health issues facing Mobile County. Community health leaders ranked these three in the following order 1) drug use / abuse (3), 2) cancers (5), and 3) heart disease and stroke (6). Community respondents had them in the same order of importance but at different levels of priority 1) drug use / abuse (2), 2) cancers (3), and 3) heart disease and stroke (6).

The two groups diverged over the following issues that made it into the top six health issues. Community health leaders identified mental health problems (1), obesity / excess weight (2), and diabetes (4). Community respondents further identified child abuse / neglect (1), domestic violence (4), and rape and sexual assault (5).

**Table 4.7: Comparison of Most Important Health Issues**

4. Diabetes.	4. Domestic violence.
5. Cancers.	5. Rape and sexual assault.
6. Heart disease and stroke.	6. Heart disease and stroke.

The modal category for both groups for evaluating the health of community members was “somewhat healthy”. For the quality of healthcare services available, the modal category was “good” for both leaders and community members. In both cases, this represents the middle category of the scales and is somewhat unsurprising as it is the cognitively easiest answer for both questions.

**Table 4.8: Comparison of Community Health and Health Services**

	<i>Community Health Leaders Survey</i>	<i>Community Survey</i>
The health of my community:	Somewhat Healthy	Somewhat Healthy
Quality of health services:	Good	Good

Community health leaders and community respondents demonstrate slightly higher than 50 percent agreement regarding the top six healthcare services that are difficult to obtain in Mobile County.

Both groups identified mental health services as the number one healthcare service that is difficult to obtain. Both groups also had services for the elderly in the number three spot and dental care including dentures in the number four spot. Thus, not only do both groups agree on these three items but also agree on their relative priority. The last service that both groups agreed on was specialty medical care; however, community leaders had this service tied in the fourth spot while community members had this as the second most difficult service to obtain.

Other items identified by the community health leaders include alcohol or drug abuse treatment (2), preventative healthcare (3), alternative therapies (4), primary medical care (5), and prescription / pharmacy services (6). Additional community member selections included women's health (5), and emergency medical care (6).

6. Prescriptions / pharmacy services.	6. Emergency medical care.

Overall, health leaders and community members agreed on a number of items including: three of the key features of a healthy community – mental health services, lower crime and safe neighborhood, and quality education; three of most important health issues for Mobile County – drug use and abuse, cancers, and heart disease and stroke; that people in Mobile

County are somewhat healthy; that the quality of healthcare services is good; and four of the most difficult healthcare services to obtain – mental health services, services for the elderly, dental care including dentures, and specialty medical care.

## COMMUNITY RESOURCES – 5

### Summary

Along with the five acute care hospitals, two specialty hospitals, and six federally qualified health clinics, there are numerous other community resources dedicated to providing access to healthcare services or provide services that directly impact health. This includes nursing homes, hospice care, and in-home health care for those that need assistance. There are currently 19 nursing homes, 15 hospice care providers, and 14 home care providers. Beyond direct health care, there are a variety of agencies that assist with access to prescriptions, food, housing, childcare, counseling, and more.

A list of major providers of health and social services is provided in the Community Resource List Tables 5.1 thru 5.7. This list however is not exhaustive. To find specific services or further providers, residents can call 211 where operators can direct callers to the appropriate service providers.

## 2019-2021 IMPLEMENTATION STRATEGIES – 6

### Introduction

In this section the 2019-2021 health needs are identified and evaluated relative to the 2015-2016 health needs. They have been broken down into two sections that correspond to the data collection process: 1) the health needs identified in the community demographic profile, and 2) those identified in the community input survey. Each section presents the key needs identified. These needs are then further prioritized according to how much of an impact USA Health is likely to be able to have in addressing the need.

It should also be noted that there are limitations to identifying the independent impact of specific organizations such as USA Health. First, many of the health needs identified herein are related to rather broad measures of the community. When dealing with such broad measures, it often requires a significant amount of change for these measures to even move slightly. Also, it often takes a considerable amount of time for actual changes to be realized. Thus, expectations for impact should be set at realistic levels. Second, as identified in the section on community resources, there are numerous organizations oriented around health and the community's health needs in Mobile County. Particularly when dealing with broad measures, it is difficult if not impossible to fully isolate the impact of any one organization on any change that might occur.

### Health Needs – Community Demographic Profile

The following needs were identified from the data collected for the community demographic profile. These needs essentially replicate the needs identified in 2015-2016 and highlight the aforementioned difficulty in making marked changes across broad measures of health. They are ordered according to how much of an impact USA Health should be able to have on the need.

1 – Focus efforts on the problems faced by infants and expecting mothers. With our changing demographics (falling numbers of residents aged 0-19 while growing numbers 60+) it is essential that the community preserve and protect the new residents we could potentially gain. The assessment shows that not only are neonatal deaths and post neonatal death rates on the rise in Mobile, but that the infant death rate is climbing at a noticeable rate over the past five years. The community survey shows that community members feel that there is not enough access to women's health care, part of which is pregnancy and childbirth. USA Health does participate in some notable efforts to deal with these problems including providing community car seat safety training via certified nursing instructors who train people in the appropriate installation and use of car seats to maximize their effectiveness in providing infant safety. This program and related efforts should be expanded. Suggested efforts include participation in activities that encourage education for expecting mothers and new mothers-- nutrition, child-care, etc., in addition to providing additional and affordable access to care where possible.

2 – Combat diabetes. The assessment shows that diabetes has been on the rise in Mobile over the past 6 years. Suggestions include providing more resources into the diabetes education programs offered through USA Health, participation in health nutrition programs, school lunch programs, school exercise programs. This could decrease long-term death rates and related syndromes and comorbidities such as nephrotic syndrome.

3 – Combat respiratory cancers. In the United States cancers of the respiratory system hold the highest mortality of all cancers. This is also the case for Alabama and Mobile. The health system should focus efforts on combating respiratory cancers. Suggested activities include: promoting tobacco cessation programs, education for public on behavioral and lifestyle choices that promote cancer, funding or participation in cancer research programs, etc.

4 – Disease prevention efforts. The system should continue to focus on increasing and promoting screenings for the more prevalent diseases in our area, and in the United States. For instance, behind respiratory cancers, the largest killers can be caught early through regular screenings and visits with one's primary care physician (colorectal, breast, and prostate). Care should be taken to promote regular primary care in the community and encourage screenings. This can be encouraged in needier communities, such as the poor, by providing discounted screening days for instance.

5 – Promote secondary education for the general public. Studies have shown the beneficial effect that education has on many aspects of life (income, job stability, health and longevity of life). To date, the health system does participate in some related efforts, such as the Summer Scrubs program, which allows a select number of local high school students interested in the field of medicine to participate in a shadowing experience, additional programs and efforts in this area should be pursued. Suggested activities include: working with local high schools to encourage enrollment (guest speakers, high school tours, shadowing experiences) or funding scholarships.

## **Health Needs – Community Input Survey**

In terms of the evaluation of 2015-2016 needs, USA Health in conjunction with the USA College of Medicine and the Pat Capps Covey College of Allied Health Professions continues to provide Mobile County with both general and specialized physicians, physician assistants, and allied health providers. USA Health provides general and specialized medical treatment for the full range of possible harmful health conditions and via Children's and Women's Hospital provides for specialized care related to children's health, women's health, and pregnancy. Unfortunately specific metrics in these areas are disparately collected and difficult to aggregate. USA Health should continue to work towards developing mechanisms by which these metrics can be more consistently reported. Other areas identified in 2015-2016 where USA Health has little or no impact due to mission relevance or resource constraints include access to health care, availability of mental health care facilities and providers, transportation services, and dental services. Certainly in terms of access to healthcare, USA Health provides acute emergency care to all who seek it without regard for insurance or ability to pay; unfortunately, the broader problem of access related to insurance falls within the domain of the federal and state governments. Mental health care and dental

services fall outside of the mission relevance of USA Health. Finally, transportation services are also outside of the mission relevance of USA Health; however, USA Health does attempt to partner with outside services if/when available and when resources allow.

The following needs were identified from the data collected for the community input survey. These needs are somewhat different than those identified in 2015-2016 and have been restricted to the community health needs identified by community members. They are ordered according to how much of an impact USA Health should be able to have on the need. The first two needs have been identified as directly addressable needs; that is, USA Health is most likely to have a direct impact on satisfying these needs. Needs three through six are indirect needs; that is, they are peripheral to USA Health's immediate objectives. While USA Health and partner organizations will certainly do what is possible to address these needs, mission focus and resource constraints will likely restrict efforts to address these needs such that USA Health's impact on them will be limited.

1 – Heart disease and stroke (number six in the community priority ranking of Mobile County's top six health issues). USA Health's Cardiology Clinic/The Heart Center provides high quality cardiac care to the Mobile County population. It also maintains the most advanced heart care in the region. USA Health should and will continue to provide leading edge cardiac care to the community.

2 – Cancers (number three in the community priority ranking of Mobile County's top six health issues). The Mitchell Cancer Institute is one of the four pillars of the USA Health System. It is a leading cancer research facility in the region and provides a multitude of cancer related services to the people of Mobile County including (but not limited to): breast cancer, cancer prevention, colorectal surgery, mammography, medical oncology, pediatric cancer care, radiation oncology, and surgical oncology.

3 – Rape and sexual assault (number five in the community priority ranking of Mobile County's top six health issues). USA Health via University Hospital and Children's & Women's Hospital likely have an indirect impact via hospital and emergency services on the immediate health needs of rape and sexual assault victims. Other local programs such as the Alabama Coalition Against Rape, Penelope House, and the Rape Crisis Center are positioned to provide more ongoing and direct assistance with the issue of sexual assault. USA Health should partner with these organizations to increase awareness amongst their patients of services that are available in the community.

4 – Drug use and abuse (number two in the community priority ranking of Mobile County's top six health issues). Again, USA Health via University Hospital and possibly Children's & Women's Hospital likely have an indirect impact via hospital and emergency services on the immediate health needs of those using and abusing drugs as they have acute health needs that arise. Similarly local programs like the Drug Education Council, Home of Grace for Women, and Mission of Hope along with private rehabilitation centers such as Bradford Health Services provide more direct assistance with addiction and its consequences. Once again, USA Health should partner with relevant agencies to increase awareness of the local services available.

5 – Domestic violence (number four in the community priority ranking of Mobile County’s top six health issues). This again is a more indirect area of impact for USA Health. While University Hospital and Children’s and Women’s Hospital likely provide immediate services for victims of physical domestic abuse, it is not in the immediate mission of USA Health to provide services relating to dealing with or necessarily ending domestic violence. Local organizations such as Penelope House are able to provide more direct attention to these needs.

6 – Child abuse and neglect (number one in the community priority ranking of Mobile County’s top six health issues). Similar to many of the other needs three through five, USA Health provides an important but more indirect role in providing immediate care for any health needs that child victims of abuse and neglect may require. Again, local organizations such as the Child Advocacy Center, St. Mary’s Home, and Wilmer Hall Children’s Home are positioned to provide direct attention to these social problems. USA Health should partner with these organizations and others to provide enhanced awareness throughout the community.

In particular relating to health needs three through six, USA Health should endeavor to invite and have these groups available at health fairs and other community events sponsored by USA Health.

Academic Affairs

DATE: June 21, 2019

TO: Tony Waldrop

FROM: G. David Johnson, Provost and Senior Vice President, Academic Affairs

SUBJECT: Out-of-State graduate tuition rate

After reviewing the attached recommendation from Dr. Gregory Frazer, Dean of the Pat Capps Covey College of Allied Health Professions, I agree with his proposal to increase the out-of-state tuition/credit hour for the Allied Health Professions Graduate Programs to 2.33 times the in-state graduate tuition rate. This increase will apply to the following graduate programs: Master of Physician Assistant Studies, Master of Occupational Therapy, Master of Speech Language Pathology, Doctor of Physical Therapy, Doctor of Audiology. If approved, effective Summer 2020 the proposed out-of-state credit hour rate for new students in these programs would be \$1,083. Please note that this tuition rate will only apply to students who initially enroll in their graduate programs in Summer 2020 or later. This recommended tuition rate will be more in line with the rates at peer institutions.

I also request that, if approved, we include this in the tuition recommendation in the September 2019 meeting of the Board of Trustees.

Thank you for consideration of this request.

**MEMORANDUM**

Academic Affairs

DATE: May 15, 2019

TO: G. David Johnson, Provost and Senior Vice President, Academic Affairs

FROM: Dr. Gregory H. Frazer, Dean, Covey College of Allied Health Professions

SUBJECT: Out-of-State graduate tuition rate

Please consider this a recommendation to increase the out-of-state tuition rate for the graduate programs in the Pat Capps Covey College of Allied Health Professions (Master of Physician Assistant Studies, Master of Occupational Therapy, Master of Speech Language Pathology, Doctor of Physical Therapy, Doctor of Audiology) to 2.33 times the in-state graduate tuition rate beginning Fall semester 2020. Based upon the 2018-2019 in-state tuition rate of \$465/credit and \$930/credit for out-of-state students and the current cohort size and geographic distribution, the graduate programs generate \$31,702,305 in gross tuition absent of fees and before expenses. This recommendation would increase the graduate out-of-state per credit rate to \$1,083 and, when coupled with the expected increase in cohort sizes, these programs could be expected to generate \$49,633,062, an increase of \$17,960,757 over a three-year period. Although this increase constitutes a 16.5% increase in the out-of-state tuition rate, the resulting market-sensitive tuition rate remains lower than that charged at peer institutions such as the University of Alabama-Birmingham (\$1,272/credit), Louisiana State University (\$1,713/credit), Augusta University (formerly the Medical College of Georgia) (\$1,163/credit, and Georgia Southern University (\$1,105/credit). This change will coincide with an anticipated enrollment increase to 60 students per cohort on Physician Assistant and Physical Therapy, 48 students per cohort in Occupational Therapy, and 36 students per cohort in Speech Language Pathology. The Audiology cohort will remain at 12.

The rationale for such an increase is that the current tuition charge undervalues the quality of and depth and breadth of the educational experience provided to students, the per credit hour tuition charges are below the national average for each program, each program has an enrollment wait-list of qualified applicants that would support such an increase in enrollment and tuition costs, and such an increase would provide needed capital to increase faculty salaries to levels comparable to our peers, to facilitate faculty retention and recruitment, to hire additional faculty, and to enhance and expand facilities and technology. Subsequent proposals will be submitted that address each of these areas.

SUBJECT: Proposal for Jaguar Realty, LLC

I recommend approval of the attached proposal to establish Jaguar Realty, LLC, a University-owned real estate company formed and operated for the purpose of providing opportunities to students pursuing the real estate concentration within the Department of Economics and Finance. Jaguar Realty will be reviewed for continuation after two years with attention on enrollment increases due to the program.

As outlined in the proposal, the company would:

- be duly licensed as a real estate brokerage in the State of Alabama;
- be housed within a physical location in either USA's tech park or the Mitchell College of Business;
- provide scholarship funds to students who complete the required 60 classroom hours of pre-license education needed to enter the real estate business;
- offer students opportunities to be trained by area real estate professionals;

**for**

**Real Estate Concentration Students**

**Question:**

What is an innovative and entrepreneurial way to promote and grow USA's Real Estate Concentration and at the same time increase the attractiveness of the University and the visibility of the Mitchell College of Business?

**Answer:**

Offer students who choose MCOB's Real Estate Concentration the opportunity to obtain a professional real estate license, learn critical skills from some of the area's top performing industry professionals, develop an extensive professional network, and earn significant money working as a real estate professional, all while attending the University of South Alabama.

## Background

USA's Real Estate Concentration (REC) has not flourished to date; in fact, it failed the first time it was offered (MCOB administrators terminated the REC after the 2013-2014 academic year; it was reinstated in the 2016-2017 academic year). Several reasons may explain this poor performance, but perhaps most telling is a notable lack of a planned, coordinated effort to promote the REC. Unless steps are taken soon to increase awareness of the REC and to persuade students to pursue it, most likely, the REC will fail again.

Why is this important and why should USA and MCOB leaders care? Real estate is a critically important component of the nation's economy. In fact, the importance of real estate as a sector of the U.S. economy motivated the Global Industry Classification System to add Real Estate as an 11<sup>th</sup> industry sector beginning August 31, 2016.<sup>1</sup> Real estate construction totaled over \$1.15 trillion in 2018, accounting for 6.2% of gross domestic product.<sup>2</sup> Nationwide, the real estate industry employed over 2.73 million people in 2018, an increase of 11% over the previous five years.<sup>3</sup>

As the industry has grown, so have real estate values, growing exponentially in America over the last quarter of a century. Consider that equity investment in publicly-traded real estate investment trusts has grown from \$9 billion in the mid-1990's to more than \$1 trillion today,<sup>4</sup> and recently, the National Association of Real Estate Investment Trusts estimated the total value of U.S. commercial real estate holdings at \$15 trillion.<sup>5</sup> Real estate's significance is certainly not limited to only large investors. On the contrary, the total value of residential real estate in the U.S. now approaches \$32 trillion.<sup>6</sup>

Yet while both as an asset class and as an active industry real estate continues to play an increasingly key role in the U.S. economy, industry participants are doing a poor job of recruiting the next generation of real estate professionals. According to the National Association of Realtors®, the median age of U.S. real estate practitioners is 53 (NAR's 1.3 million members comprise 47.6% of the real estate industry workforce).<sup>7</sup> Understandably, this is quite troubling for many of the area's real estate companies.

The brokers I spoke with are all acutely aware that efforts need to be made to recruit the next generation of real estate agents. However, I found no consensus among them as to the best way to do so. They all have marketing campaigns designed to attract new industry participants, but none of them have a plan to target high school seniors or college students.

## The Idea

Most students enter college without a pre-determined course of study or any real, quantifiable career aspiration. Many use their time in college to narrow their choices, ruling out some things altogether while exploring others more deeply. Even so, for a good number of students, graduation will arrive without a clear path forward. For some, the opportunity to learn about the field of real estate, work with customers and other agents, and earn considerable money while in college may help some of our graduates more clearly define their post-graduate plans. Moreover, offering such an opportunity for potential students will give our recruiters a powerful tool to use to attract future students to the University, the Mitchell College, and the REC.

The idea is to form, own, and operate a real estate company whose agents will be REC students (Jaguar Realty). Discussion is needed regarding structure and ownership (for-profit or non-profit, University- or independently-owned, etc.).

- Recruit a small number of brokers/managers from several of the region's top real estate firms to serve as Jaguar Realty's Executive Committee (EC).
  - The EC will establish a method for rotating the Qualifying Broker<sup>8</sup> (QB) responsibilities amongst the participating firms and will make such appointments accordingly.
  - The EC will set and manage company and office policies, agent responsibilities and duties, advertising and marketing participation requirements, and training and mentorship programs.

---

<sup>8</sup> Under Alabama Real Estate License Law, a real estate brokerage company must have a licensed broker who serves in the capacity of Qualifying Broker (QB). The QB is responsible for the actions of all its licensees.

- The EC will establish and coordinate an agent-shadowing program in which Jaguar Realty students would team with professional agents in the practice of real estate.
- The EC will establish the rules for and manage participation by other firms desirous of joining in the training and mentoring programs.
- Each student will obtain an Alabama real estate salesperson license and place it on active status with Jaguar Realty.
  - To obtain an Alabama real estate salesperson license one must:
    - Be a U.S. citizen or lawful permanent resident;
    - Be at least 19 years old;
    - Show proof of bona fide residency in any state in the U.S.;
    - Show proof of high school graduation or a GED;
    - Not have been convicted of a felony or a crime involving moral turpitude;
    - Not have had a real estate application or license rejected or revoked in any state within the past two years;
    - Successfully complete 60 classroom hours of pre-license education to qualify for the real estate salesperson's exam.
  - REC students can complete their pre-license education by passing the following Alabama Real Estate Commission approved pre-license courses currently offered in the Mitchell College of Business:
    - FIN 344 (Real Estate Principles – 45 classroom hours);
    - FIN 346 (Alabama Real Estate License Law – 15 classroom hours);
    - Neither course has a prerequisite and students may take both courses concurrently. Additionally, no changes to course curriculums are necessary.
    - REC students will complete the necessary pre-license coursework by the completion of their sophomore year spring semester (the College allows sophomores to take 300-level courses). Students will

then use their summer to take the licensing examination, preparing them to join Jaguar Realty at the beginning of their junior year.

- Other than the requirements for licensure, there are no other barriers to entry into the real estate profession. However, while not altogether prohibitive, the approximate \$2,500 necessary to enter the business may prove challenging for students:
  - Licensure:
    - \$73.00 salesperson license exam fee;
    - \$150.00 initial salesperson license fee.
  - Realtor® association memberships:
    - \$125 local association application fee;
    - \$150 local association dues annually;
    - \$100 state association application fee;
    - \$206 state association dues annually;
    - \$185 national association dues annually.
  - Multiple listing service membership:
    - \$25 application fee;
    - \$432 membership fee annually.
  - Insurance costs:
    - \$625 errors and omissions insurance annually (approximate);
    - \$425 general liability insurance annually (approximate).
- Alabama real estate license law requires that each licensed company have a physical location. It is suggested that Jaguar Realty be housed within the USA Technology & Research Park.

## The Value Proposition - Students

To induce students to pursue the REC, they must be convinced their decisions will have value and will ultimately be rewarded. Therefore, it is important they understand the true worth of the value proposition:

- Once a REC student has completed FIN 344 and FIN 346, Jaguar Realty will provide students with a scholarship that funds up to \$2,500 of the upfront industry entry costs.
- REC students do not have to be repay the scholarship funds. REC students will be on an initial 60%-40% commission split with Jaguar Realty; upon producing total gross earned commissions to Jaguar Realty of \$6,500,<sup>9</sup> the students' commission split will be increased to 75% with Jaguar Realty retaining the balance. The commission splits retained by Jaguar Realty will be used for operational expenses and to replenish the scholarship funds pool.
- REC students will rotate through the various training and mentoring programs of the companies comprising the EC. In much the same way as nursing or medical students learn from different teachers and situations by rotating through the different practicums in their curriculum, REC students will learn from different brokers, managers, trainers, and agents.
- REC students will work in a number of different office environments. As such, they will be exposed to a number of different leadership and management styles.
- By working on real property transactions, REC students will gain valuable knowledge about how the real estate business actually works, how to interact with customers, agents, lenders, appraisers, title companies, home inspectors, and many others, and what it takes to be a successful real estate professional.
- By working with customers and other agents, REC students will have the opportunity to build a broad-based, regional professional network.
- In Alabama, a real estate broker's license can be obtained after holding a salesperson's license for two years. By obtaining a salesperson's license early in their college careers, REC students will be positioned to qualify and sit for the

<sup>9</sup> Under this scheme, once a Jaguar Realty agent grosses \$6,500 in total commissions, Jaguar Realty will have received back its \$2,500 upfront investment in the agent.

broker's exam either while in school or soon after graduation. With a broker's license, our REC students can then open their own businesses if they like.

- Many of our students work and use student loans to pay for school. Giving them the opportunity to earn real money will be more than meaningful. For some, it could well be the impetus needed to choose USA and the Mitchell College's REC. For example, consider the REC student who sells 5 houses at an average of \$125,000 each while in school. Applying the commission splits described above, and assuming listing and selling companies are not the same, the student will earn approximately \$12,000.

### The Value Proposition – MCOB & USA

- MCOB competes against other business schools throughout the region as all schools work to recruit new students. Programs, curriculums, research and internship opportunities, and study abroad possibilities all add to the attractiveness of a business school. One of the keys to successful student recruiting could well be differentiation. By promoting Jaguar Realty, MCOB recruiters will offer potential students a unique professional opportunity that is not offered by any other business school in Alabama, Mississippi, Georgia, Florida, or Louisiana. Jaguar Realty will help make the Mitchell College stand above the crowd. Jaguar Realty will do so by expending both effort and revenue in support of a coordinated marketing and advertising strategy designed to reflect positively on Jaguar Realty, the Mitchell College, and the University.
- Jaguar Realty will be a highly visible entity in the public eye as well, as the successes of all student agents will be amplified by each of the area real estate brokerage firms participating in the program. Their successes will add to the overall positive message of the Mitchell College.
- The Center for Real Estate and Economic Development works with the Mobile Area and Baldwin County Associations of Real Estate, the lead real estate trade groups in the region. By engaging their leadership in the Jaguar Realty program, the Center will continually work to increase MCOB's exposure among an important segment of the area's economy, reaffirming its preeminence as an academic leader.

**TIAA  
NON-ERISA GOVERNMENTAL 403(b) VOLUME SUBMITTER PLAN  
BASIC PLAN DOCUMENT #25**

TIAA, in its capacity as Volume Submitter Practitioner, sponsors this Volume Submitter Plan intended to conform to and qualify under §403(b) of the Internal Revenue Code of 1986, as amended. An Employer establishes a Plan under this Volume Submitter Plan by executing an Adoption Agreement. When any provisions of this Volume Submitter Plan or the Adoption Agreement is marked "RESERVED," that means that the provision was deliberately omitted but section numbering was retained to help maintain consistency.

**ARTICLE 1. DEFINITIONS**

**1.01 Account.** Account means the account(s) maintained for the benefit of any Participant, Beneficiary, or Alternate Payee under one or more Investment Arrangements. Unless required due to an Investment Arrangement, the term "separate Account" means a separate accounting for recordkeeping purposes.

**1.02 Account Balance.** Account Balance means the total benefit to which a Participant, Beneficiary, or Alternate Payee is entitled under an Investment Arrangement, taking into account all contributions made to the Investment Arrangement and all earnings or losses (including expenses) that are allocable to the Account, any Rollover Contributions or transfers held under the Account, and any distribution made to the Participant, the Beneficiary, or an Alternate Payee. The Account Balance includes any part of the Account that is treated under the Plan as a separate contract to which Code §403(c) (or another applicable provision of the Code) applies. In the case of an Annuity Contract that provides additional benefits, to the extent required under the Code, such term also will include the actuarial value of the Participant's vested interest in such other benefits as determined by the Vendor.

**1.03 Accumulated Benefit.** Accumulated Benefit means the sum of a Participant's, Beneficiary's or Alternate Payee's Account Balances under all Investment Arrangements under the Plan.

**1.04 Adoption Agreement.** Adoption Agreement means the document executed by each Employer adopting this Plan. References to Adoption Agreement within this basic plan document are to the Adoption Agreement as completed and executed by a particular Employer unless the context clearly indicates otherwise. An adopting Employer's Adoption Agreement and this basic plan document together constitute a single Plan of the Employer. The Plan also includes any Investment Arrangement and Investment Arrangement Documentation, and such other list(s), policies and procedures, or written document(s) (such as loan policies or service contracts), which, when properly executed or otherwise put into effect fully describe the Plan and practice of the Employer with respect to the Plan from and after the later of the initial Effective Date or restated Effective Date as set forth in the Adoption Agreement, to the extent such items do not conflict with the terms of this basic plan document and the Adoption Agreement. Each elective provision of the Adoption Agreement corresponds (by its parenthetical section reference) to the section of the Plan which grants the election. All "Section" references within an Adoption Agreement are to the basic plan document. All "Election" references within an Adoption Agreement are Adoption Agreement references. The Employer or Plan Administrator to facilitate Plan administration or to generate written policies or forms for use with the Plan may maintain one or more administrative checklists as an attachment to the Adoption Agreement or otherwise. Any such checklists are not part of the Plan.

**1.05 Advisory Letter.** Advisory Letter means an IRS issued advisory letter as to the acceptability of the form of a Volume Submitter Plan. For further description of advisory letters, see IRS Rev. Proc. 2013-22.

**1.06 Annuity Contract.** Annuity Contract means a nontransferable group or individual contract as defined in Code §§403(b)(1) and 401(g), established for each Participant by the Employer, or by each Participant individually, that is issued by an Insurance Company qualified to issue annuities in a State and that includes payment in the form of an annuity. See Section 8.03. In the case of an Annuity Contract, the term "Individual Account" when used under the Plan will include individual annuity certificates issued on behalf of a Participant or Beneficiary, in addition to individual Annuity Contracts.

**1.07 Appendix.** Appendix means one of the Appendices to an Adoption Agreement designated as "A", "B" or "D" which are expressly authorized by the Plan and as part of the Plan, are covered by the Plan's Advisory Letter. Appendix C is reserved. The Appendices are part of the Adoption Agreement.

**1.08 Beneficiary.** Beneficiary means a person or entity designated by a Participant, by the Plan or, in the absence of designation by the Participant or the Plan, under an Investment Arrangement, who is or may become entitled to a benefit under the Plan upon the Participant's death, as identified under the terms governing each Investment Arrangement or in other records maintained under the Plan. A Beneficiary who becomes entitled to a benefit under the Plan remains a Beneficiary under the Plan until the Vendor has fully distributed to the Beneficiary his/her Plan benefit. A Beneficiary's right to (and the Plan Administrator's duty to provide to the Beneficiary) information or data concerning the Plan does not arise until the Beneficiary first becomes entitled to receive a benefit under the Plan.

**1.09 [Reserved]**

**1.10 Code.** Code means the Internal Revenue Code of 1986, as amended and includes applicable IRS Guidance.

## 1.11 Compensation.

**(A) Uses and Context.** Any reference in the Plan to Compensation is a reference to the definition in this Section 1.11 unless the Plan reference, or the Employer in its Adoption Agreement, modifies this definition. Except as the Plan otherwise specifically provides, the Plan Administrator will take into account only Compensation actually paid during (or as permitted under the Code, paid for) the relevant period. A Compensation payment includes Compensation paid by the Employer through another person under the common paymaster provisions in Code §§3121 and 3306. The Employer in its Adoption Agreement may elect to allocate contributions based on Compensation within a specified 12 month period which ends within a Plan Year.

**(B) Base Definitions and Modifications.** The Employer in its Adoption Agreement must elect one of the following base definitions of Compensation: W-2 Wages, Code §3401(a) Wages, or 415 Compensation. The Employer may elect a different base definition as to different Contribution Types. The Employer in its Adoption Agreement may specify any modifications thereto, for purposes of contribution allocations under Article 3. If the Employer fails to elect one of the above-referenced definitions, the Employer is deemed to have elected the W-2 Wages definition.

(1) **W-2 Wages.** W-2 Wages means wages for federal income tax withholding purposes, as defined under Code §3401(a), plus all other payments to an Employee in the course of the Employer's trade or business, for which the Employer must furnish the Employee a written statement under Code §§6041, 6051, and 6052, but determined without regard to any rules that limit the remuneration included in wages based on the nature or location of the employment or services performed (such as the exception for agricultural labor in Code §3401(a)(2)). The Employer in Appendix B to its Adoption Agreement may elect to exclude from W-2 Compensation certain Employer paid or reimbursed moving expenses as described therein.

(2) **Code §3401(a) Wages (income tax wage withholding).** Code §3401(a) Wages means wages within the meaning of Code §3401(a) for the purposes of income tax withholding at the source, but determined without regard to any rules that limit the remuneration included in wages based on the nature or the location of the employment or the services performed (such as the exception for agricultural labor in Code §3401(a)(2)).

(3) **Code §415 Compensation (current income definition/simplified compensation under Treas. Reg. §1.415(c)-2(d)(2)).** Code §415 Compensation means the Employee's wages, salaries, fees for professional service and other amounts received (without regard to whether or not an amount is paid in cash) for personal services actually rendered in the course of employment with the Employer maintaining the Plan to the extent that the amounts are includible in gross income (including, but not limited to, commissions paid salespersons, compensation for services on the basis of a percentage of profits, commissions on insurance premiums, tips, bonuses, fringe benefits and reimbursements or other expense allowances under a nonaccountable plan as described in Treas. Reg. §1.62-2(c)).

Code §415 Compensation does not include:

(a) **Deferred compensation/SEP/SIMPLE.** Employer contributions (other than Elective Deferrals) to a plan of deferred compensation (including a simplified employee pension plan under Code §408(k) or to a SIMPLE retirement account under Code §408(p)) to the extent the contributions are not included in the gross income of the Employee for the Taxable Year in which contributed, and any distributions from a plan of deferred compensation (whether or not qualified), regardless of whether such amounts are includible in the gross income of the Employee when distributed.

(b) **Option exercise.** Amounts realized from the exercise of a non-qualified stock option (an option other than a statutory option under Treas. Reg. §1.421-1(b)), or when restricted stock or other property held by an Employee either becomes freely transferable or is no longer subject to a substantial risk of forfeiture under Code §83.

(c) **Sale of option stock.** Amounts realized from the sale, exchange or other disposition of stock acquired under a statutory stock option as defined under Treas. Reg. §1.421-1(b).

(d) **Other amounts that receive special tax benefits.** Other amounts that receive special tax benefits, such as premiums for group-term life insurance (but only to the extent that the premiums are not includible in the gross income of the Employee and are not salary reduction amounts under Code §125).

(e) **Other similar items.** Other items of remuneration which are similar to any of the items in Sections (3)(a) through (d).

(4) **Alternative (general) 415 Compensation.** The Employer in Appendix B to its Adoption Agreement may elect to apply the 415 definition of Compensation in Treas. Reg. §1.415(c)-2(a). Under this definition, Compensation means as defined in Section (3) but with the addition of: (a) amounts described in Code §§104(a)(3), 105(a), or 105(h) but only to the extent that these amounts are includible in the Employee's gross income; (b) amounts paid or reimbursed by the Employer for moving expenses incurred by the Employee, but only to the extent that at the time of payment it is reasonable to believe these amounts are not deductible by the Employee under Code §217; (c) the value of a nonstatutory option (an option other than a statutory option under Treas. Reg. §1.421-1(b)) granted by the Employer to the Employee,

but only to the extent that the value of the option is includible in the Employee's gross income for the Taxable Year of the grant; (d) the amount includible in the Employee's gross income upon the Employee's making of an election under Code §83(b); and (e) amounts that are includible in the Employee's gross income under Code §409A or Code §457(f)(1)(A) or because the amounts are constructively received by the Participant. [Note if the Plan's definition of Compensation is W-2 Wages or Code §3401(a) Wages, then Compensation already includes the amounts described in clause (e).]

**(C) Deemed 125 Compensation.** Deemed 125 Compensation means, in the case of any definition of Compensation which includes a reference to Code §125, amounts under a plan of the Employer that are not available to a Participant in cash in lieu of group health coverage, because the Participant is unable to certify that he/she has other health coverage. Compensation under this Section 1.11 does not include Deemed 125 Compensation, unless the Employer in Appendix B to its Adoption Agreement elects to include Deemed 125 Compensation under this Section 1.11.

**(D) Elective Deferrals.** Compensation under Section 1.11 includes Elective Deferrals unless the Employer in its Adoption Agreement elects to exclude Elective Deferrals. In addition, for purposes of making Elective Deferrals, Compensation means as defined in Section 1.11 and as the Employer elects in its Adoption Agreement.

**(E) Compensation Dollar Limitation.** For any Plan Year, the Plan Administrator in allocating contributions under Article 3, cannot take into account more than \$270,000 (or for years after 2017, such larger amount as the IRS may prescribe pursuant to an adjustment made in the same manner as under Code §415(d)) of any Participant's Compensation. Notwithstanding the foregoing, an Employee under a 403(b) Plan may make Elective Deferrals with respect to Compensation which exceeds the Plan Year Compensation limitation, provided such Elective Deferrals otherwise satisfy the Elective Deferral Limit and other applicable Plan limitations. In applying any Plan limitation on the amount of Matching Contributions or any Plan limit on Elective Deferrals which are subject to Matching Contributions, where such limits are expressed as a percentage of Compensation, the Plan Administrator may apply the Compensation limit under this Section (E) annually to Matching Contributions, even if the Matching Contribution formula is applied on a per pay period basis or is applied over any other time interval which is less than the full Plan Year or the Plan Administrator may pro rate the Compensation limit.

**(1) Grandfathered Governmental Plan limit.** For a restated Governmental Plan, this Section (E) will not apply to an eligible Participant to the extent it would reduce the Participant's Compensation taken into account to an amount less than the amount allowed under the Plan as in effect on July 1, 1993. An "eligible Participant" is a Participant who first became a Participant during a Plan Year beginning before January 1, 1996 (or, if earlier, the first Plan Year in which the Employer amended the Plan to reflect the limitation of Code §401(a)(17)).

**(F) [Reserved]**

**(G) Excluded Compensation.** Excluded Compensation means such Compensation as the Employer in its Adoption Agreement elects to exclude for purposes of this Section 1.11. Regardless of the definition of Compensation selected in the Adoption Agreement, the Plan Administrator may adopt a uniform policy for purposes of determining the amount of a Participant's Elective Deferrals of excluding non-cash Compensation. For purposes of this Section (G), non-cash Compensation means tips, fringe benefits, and other items of Compensation not regularly paid in cash or cash equivalents, or for which the Employer does not or may not have the ability to withhold Elective Deferrals in cash for the purpose of transmitting the Elective Deferrals to the Plan pursuant to the Participant's Deferral Election. Unless otherwise specified, the Plan Administrator shall determine the amount of a Participant's Compensation (for purposes of allocations), by disregarding Excluded Compensation.

**(H) Pre-Entry Compensation.** The Employer in its Adoption Agreement for allocation purposes must elect Participating Compensation or Plan Year Compensation as to some or all Contribution Types.

**(1) Participating Compensation.** Participating Compensation means Compensation only for the period during the Plan Year in which the Participant is a Participant in the overall Plan, or as to a Contribution Type as applicable. If the Employer in its Adoption Agreement elects Participating Compensation, the Employer will elect whether to apply the election to all Contribution Types or only to particular Contribution Type(s).

**(2) Plan Year Compensation.** Plan Year Compensation means Compensation for a Plan Year, including Compensation for any period prior to the Participant's Entry Date in the overall Plan or as to a Contribution Type as applicable. If the Employer in its Adoption Agreement elects Plan Year Compensation, the Employer will elect whether to apply the election to all Contribution Types or only to particular Contribution Type(s).

**(I) Post-Severance Compensation.** Compensation includes Post-Severance Compensation to the extent the Employer elects in its Adoption Agreement or as the Plan otherwise provides. Post-Severance Compensation is Compensation paid after a Participant's Severance from Employment from the Employer, as further described in this Section (I). As the Employer elects, Post-Severance Compensation may include any or all of regular pay, leave cash-outs, or deferred compensation paid within the time period described in Section (I), and may also include salary continuation for disabled Participants, all as defined below. Any other payment paid after Severance from Employment that is not described in this Section (I) is not Compensation even if payment is made within the time period described below. Post-Severance Compensation does not include severance pay,

parachute payments under Code §280G(b)(2) or payments under a nonqualified unfunded deferred compensation plan unless the payments would have been paid at that time without regard to Severance from Employment.

(1) **Timing.** Post-Severance Compensation includes regular pay, leave cash-outs, or deferred compensation only to the extent the Employer pays such amounts by the later of 2 1/2 months after Severance from Employment or by the end of the Limitation Year that includes the date of such Severance from Employment.

(a) **Regular pay.** Regular pay means the payment of regular Compensation for services during the Participant's regular working hours, or Compensation for services outside the Participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments, but only if the payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Employer.

(b) **Leave cash-outs.** Leave cash-outs means payments for unused accrued bona fide sick, vacation, or other leave, but only if the Employee would have been able to use the leave if employment had continued and if Compensation would have included those amounts if they were paid prior to the Participant's severance from employment.

(c) **Deferred compensation.** As used in this Section (1), deferred compensation means the payment of deferred compensation pursuant to an unfunded deferred compensation plan, if Compensation would have included the deferred compensation if it had been paid prior to the Participant's Severance from Employment, but only if the payment would have been paid at the same time if the Participant had continued in employment with the Employer and only to the extent that the payment is includible in the Participant's gross income.

(2) **Salary continuation for disabled Participants.** Salary continuation for disabled Participants means Compensation paid to a Participant who is permanently and totally disabled (as defined in Code §22(e)(3)). This Section will apply, as the Employer elects in its Adoption Agreement, either just to NHCEs (who are NHCEs immediately prior to becoming disabled) or to all Participants for a fixed or determinable period specified in the Adoption Agreement.

(J) **[Reserved]**

(K) **Deemed Disability Compensation.** The Plan does not include Deemed Disability Compensation under Code §415(c)(3)(C) unless the Employer in its Adoption Agreement elects to make Employer Contributions with respect to Deemed Disability Compensation under this Section (K). Deemed Disability Compensation is the Compensation the Participant would have received for the year if the Participant were paid at the same rate as applied immediately prior to the Participant becoming permanently and totally disabled (as defined in Code §22(e)(3)) if such deemed compensation is greater than actual Compensation as determined without regard to this Section (K). This Section (K) applies only if the affected Participant is an NHCE immediately prior to becoming disabled (or the Adoption Agreement election provides for the continuation of contributions on behalf of all such disabled participants for a fixed or determinable period) and all contributions made with respect to Compensation under this Section (K) are immediately Vested.

(L) **Differential Wage Payments.** Unless the Employer otherwise elects in Appendix B to its Adoption Agreement, the Plan will treat Differential Wage Payments as Compensation for all Plan contribution and benefit purposes.

(M) **Includible Compensation.** Includible Compensation means the Employee's Compensation received from the Employer that is includible in the Participant's gross income for Federal income tax purposes (computed without regard to Code §911, relating to United States citizens or residents living abroad), including Differential Wage Payments, for the most recent period that is a Year of 403(b) Service. Includible Compensation also includes any Elective Deferral or other amount contributed or deferred by the Employer at the election of the Employee that would be includible in the Employee's gross income but for the rules of Code §§125, 132(f)(4), 402(e)(2), 402(h)(1)(B), 402(k), or 457(b). Includible Compensation does not include any Compensation received during a period when the Employer is not an Eligible Employer or any Compensation, other than Post-Severance Compensation, paid after Severance of Employment. The amount of Includible Compensation is determined without regard to any community property laws. Except as provided in Treas. Reg. §1.401(a)(17)-1(d)(4)(ii) with respect to eligible participants in governmental plans, the amount of Includible Compensation of any Participant taken into account in determining contributions will not exceed \$270,000, as adjusted for cost-of-living increases in accordance with Code §401(a)(17)(B) for periods after 2017.

(N) **Deemed Includible Compensation.** Deemed Includible Compensation is determined on a monthly basis. A former Employee's Deemed Includible Compensation for any month is 1/12 of the amount of Compensation the former Employee received from the Employer that is includible in gross income for the most recent period (ending not later than the close of the Taxable Year) which: (a) constitutes one Year of 403(b) Service; and (b) precedes the Taxable Year by not more than five years. Deemed Includible Compensation will be determined in accordance with the rules for determining Includible Compensation and in accordance with Treas. Reg. §1.403(b)-4(d). The first month in which a former Employee has Deemed Includible Compensation is the month after the Employee Separates from Service. The Deemed Includible Compensation shall continue until the last day of the fifth Taxable Year which begins after the Employee Separates from Service.

**1.12 Contribution Types.** Contribution Types means the contribution types required or permitted under the Plan as the Employer elects in its Adoption Agreement.

**1.13 Custodial Account/Custodial Agreement.** Custodial Account means the group or individual custodial account or accounts, as defined in Code §403(b)(7), established for each Participant by the Employer, or by each Participant individually, to hold assets of the Plan. A Custodial Agreement means a separate written agreement between the Participant (or Employer) and the Custodian which sets forth the terms of the Custodian's engagement. See Section 8.04.

**1.14 Custodian.** Custodian means a bank or person who qualifies as a non-bank custodian under Code §401(f)(2) and who accepts the position of Custodian by executing the Adoption Agreement or by executing a separate Custodial Agreement.

**1.15 Defined Contribution Plan.** Defined Contribution Plan means a retirement plan which provides for an individual account for each Participant and for benefits based solely on the amount contributed to the Participant's Account, and on any Earnings, expenses, and forfeitures which the Plan may allocate to such Participant's Account.

**1.16 Defined Benefit Plan.** Defined Benefit Plan means a retirement plan which does not provide for individual accounts for Employer contributions and which provides for payment of determinable benefits in accordance with the plan's formula.

**1.17 [Reserved]**

**1.18 Differential Wage Payment.** Differential Wage Payment means differential wage payment as defined by Code §3401(h)(2).

**1.19 Disability/Disabled.** Disabled shall have the meaning provided in the Investment Arrangement. If not defined in the Investment Arrangement, Disabled means unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or to be of long continued and indefinite duration. The permanence and degree of such impairment shall be supported by medical evidence. The Employer in Appendix B to its Adoption Agreement can specify a different definition of Disabled which is not inconsistent with the Code and which will apply in place of the definition in the second sentence of this Paragraph. A person who is Disabled has a "Disability."

**(A) Administration.** For purposes of this Plan, a Participant is disabled on the date the Plan determines the Participant satisfies the definition of Disability. The Plan may require a Participant to submit to a physical examination in order to confirm the Participant's Disability. The provisions of this Section 1.19 will be applied in a consistent manner.

**1.20 DOL.** DOL means the U.S. Department of Labor.

**1.21 Earnings.** Earnings means the net income, gain or loss earned by a particular Account or with respect to a contribution or to a distribution, as the context requires.

**1.22 Educational Organization.** Educational Organization means an organization described under Code §170(b)(1)(A)(ii), relating to educational organizations that normally maintain a regular faculty and curriculum and normally have a regularly enrolled body of pupils or students in attendance where the educational activities are regularly carried on.

**1.23 Effective Date.** The Effective Date of this Plan is the date the Employer elects in its Adoption Agreement. However, as to a particular provision, a different effective date may apply as this basic plan document may provide or as the Employer may elect in its Adoption Agreement, or a Participation Agreement, or in any other document which evidences the action taken. If this Plan restates a previously existing plan, the Effective Date of the provisions of this restatement does not need to be earlier than January 1, 2010. If this Plan is retroactively effective, the provisions of this Plan generally control.

**1.24 Elective Deferrals.** Elective Deferrals means a Participant's Pre-Tax Deferrals, Roth Deferrals, Automatic Deferrals and, as the context requires, Age 50 Catch-Up Deferrals and Qualified Organization Catch-Up Deferrals under the Plan, and which the Employer contributes to the Plan at the Participant's election (or automatically) in lieu of cash compensation. As to other plans, as may be relevant to the Plan, Elective Deferrals means amounts excludible from the Employee's gross income under Code §§125, 132(f)(4), 402(e)(3), 402(h)(1)(B), 403(b), 408(p) or 457(b), and includes amounts included in the Employee's gross income under Code §402A, and contributed by the Employer, at the Employee's election, to a cafeteria plan, a qualified transportation fringe benefit plan, a 401(k) plan, a SARSEP, a tax-sheltered annuity, a SIMPLE plan or a Code §457(b) plan.

**(A) Pre-Tax Deferral.** Pre-Tax Deferral means an Elective Deferral (including a Catch-Up Deferral or an Automatic Deferral) which is not a Roth Deferral.

**(B) Roth Deferral.** Roth Deferral means an Elective Deferral (including a Catch-Up Deferral or an Automatic Deferral) which a Participant irrevocably designates as a Roth Deferral under Code §402A at the time of deferral and which is subject to income tax when made to the Plan. In the case of an Automatic Deferral, the Plan makes such irrevocable designation in accordance with Section 3.02(B).

(C) **Automatic Deferral.** See Section 3.02(B)(4)(a).

(D) **Age 50 Catch-Up Deferral.** See Section 3.02(E)(2).

(E) **Qualified Organization Catch-Up Deferral.** See Section 3.02(D)(1).

(F) **One-time Irrevocable Elections.** Contributions made pursuant to a Participant's one-time irrevocable election when he/she is initially eligible to participate under the Employer's plans are not Elective Deferrals. Contributions made pursuant to a one-time irrevocable election are Mandatory Employee Contributions under Section 1.46.

**1.25 Eligible Employee.** Eligible Employee means an Employee other than an Excluded Employee.

**1.26 Eligible Employer.** Eligible Employer means a State (but only as to a State Employee Performing Services for a Public School), or a Code §501(c)(3) organization as to any employee of the Code §501(c)(3) organization.

**1.27 Employee.** Except with regard to a Public School, Employee means any common law employee of the Employer. Employee does not include an independent contractor.

(A) **Public School.** If the Employer is a Public School, then Employee means each individual who is a common law employee of a State performing services for a Public School of the State, including an individual who is appointed or elected. This definition is not applicable unless the Employee's compensation for performing services for a Public School is paid by the State. Further, a person occupying an elective or appointive public office is not an Employee of a Public School unless such office is one to which an individual is elected or appointed and only if the individual has received training, or is experienced, in the field of education. A public office includes any elective or appointive office of a State.

(B) **Differential Wage Payment.** An individual receiving a Differential Wage Payment from the Employer is treated as an Employee of the Employer.

**1.28 Employee Contribution.** Employee Contribution means a Participant's after-tax contribution to an Investment Arrangement which the Participant designates as an Employee Contribution at the time of contribution. Neither an Elective Deferral (Pre-Tax or Roth) nor a Mandatory Employee Contribution is an Employee Contribution.

**1.29 Employer.** Employer means each Signatory Employer, Lead Employer, Related Employer, and Participating Employer as the Plan indicates or as the context requires. The Employer also includes any successor to a Signatory Employer, Lead Employer, or Participating Employer if such Employer agrees to continue to maintain the Plan. Only an Eligible Employer may be the Signatory Employer or Participating Employer.

(A) **Signatory Employer.** The Signatory Employer is the Employer who establishes a Plan under this Volume Submitter Plan by executing an Adoption Agreement. The Employer for purposes of acting as Plan Administrator, making Plan amendments, restating the Plan, terminating the Plan or performing settlor functions, means the Signatory Employer and does not include any Related Employer or Participating Employer. The Signatory Employer also may terminate the participation in the Plan of any Participating Employer upon written notice. The Signatory Employer will provide such notice not less than 30 days prior to the date of termination unless the Signatory Employer determines that the interest of Plan Participants requires earlier termination.

(B) **Related Group/Related Employer.** A Related Group is a controlled group of corporations (as defined in Code §414(b)), trades or businesses (whether or not incorporated) which are under common control (as defined in Code §414(c)), an affiliated service group (as defined in Code §414(m)) or an arrangement otherwise described in Code §414(o). The Employer shall determine which entities are Related Employers based on a reasonable, good faith standard and taking into account the special rules applicable under IRS Notice 89-23. Each Employer/member of the Related Group is a Related Employer. The term "Employer" includes every Related Employer for purposes of crediting Service and Hours of Service, determining Years of Service and Breaks in Service under Articles 2 and 4, determining Separation from Service, applying the Annual Additions Limit to 403(b) plans, applying the definitions of Employee, HCE and Compensation (except as the Employer may elect in its Adoption Agreement relating to allocations), and for any other purpose the Code or the Plan require.

(C) **Participating Employer.** Participating Employer means a Related Employer (to the Signatory Employer or another Related Employer) which signs the Execution Page of the Adoption Agreement or a Participation Agreement to the Adoption Agreement. Only a Participating Employer (or Employees thereof) may contribute to the Plan. A Participating Employer is an Employer for all purposes of the Plan except as provided in Sections 1.29(A). If Article 10 applies, a Participating Employer includes an unrelated Employer who executes a Participation Agreement. See Section 10.02.

**1.30 Employer Contribution.** Employer Contribution means a Nonelective Contribution or a Matching Contribution, as the context may require.

**1.31 Entry Date.** Entry Date means the date(s) the Employer elects in its Adoption Agreement upon which an Eligible Employee who has satisfied the Plan's eligibility conditions and who remains employed by the Employer on the Entry Date commences participation in the

Plan or in a part of the Plan. An Employee's Entry Date with regard to Elective Deferrals is the date the Employee becomes a Participant with regard to Elective Deferrals under Article 2.

**1.32 EPCRS.** EPCRS means the IRS' Employee Plans Compliance Resolution System for resolving plan defects, or any successor program.

**1.33 ERISA.** ERISA means the Employee Retirement Income Security Act of 1974, as amended, and includes applicable DOL regulations.

**1.34 [Reserved]**

**1.35 Excluded Employee.** Excluded Employee means, as the Employer elects in its Adoption Agreement, any Employee, or class of Employees, not eligible to participate in the Plan with regard to a specific Contribution Type. The Employer must elect any Excluded Employees in accordance with the Adoption Agreement limitations. The Employer in the Adoption Agreement may designate different groups of Excluded Employees for each Contribution Type. The Adoption Agreement may specify that Employees who fail to make an irrevocable election described in Section 1.24(F) are Excluded Employees, either as to the Plan as a whole or as to Employer Contributions.

**(A) Collective Bargaining Employees.** If the Employer elects in its Adoption Agreement to exclude collective bargaining Employees from eligibility to participate for purposes other than making Elective Deferrals, the exclusion applies to any Employee included in a unit of Employees covered by an agreement which the Secretary of Labor finds to be a collective bargaining agreement between employee representatives and one or more employers if: (1) retirement benefits were the subject of good faith bargaining; and (2) two percent or fewer of the employees covered by the agreement are "professional employees" as defined in Treas. Reg. §1.410(b)-9, unless the collective bargaining agreement requires the Employee to be included within the Plan. The term "employee representatives" does not include any organization more than half the members of which are owners, officers, or executives of the Employer. Regardless of the preceding, the Employer may elect in its Adoption Agreement to exclude collective bargaining Employees from eligibility to participate for purposes of making Elective Deferrals if the Employer maintains another plan that satisfies the universal availability requirements of Code §403(b)(12).

**(B) Nonresident Aliens.** If the Employer elects in its Adoption Agreement to exclude nonresident aliens from eligibility to participate, the exclusion applies to any nonresident alien Employee who does not receive any earned income, as defined in Code §911(d)(2), from the Employer which constitutes United States source income, as defined in Code §861(a)(3).

**(C) Student Employees.** If the Employer elects in its Adoption Agreement to exclude Student Employees, the exclusion applies to students performing services described in Code §3121(b)(10).

**(D) Reclassified Employees.** A Reclassified Employee is an Excluded Employee for purposes of Employer Contributions unless the Employer in Appendix B to its Adoption Agreement elects: (a) to include all Reclassified Employees as Eligible Employees; (b) to include one or more categories of Reclassified Employees as Eligible Employees; or (c) to include Reclassified Employees (or one or more groups of Reclassified Employees) as Eligible Employees as to one or more Contribution Types. A Reclassified Employee is any person the Employer erroneously did not treat as a common law employee and it is later determined (irrespective of a binding determination) that the person should have been treated as a common law employee. A person who is an independent contractor is not an Employee or, absent such later determination, a Reclassified Employee, and therefore may not be an Eligible Employee under this Plan.

**(E) Employees who normally work less than 20 hours per week.** The Employer in its Adoption Agreement may elect to exclude any Employee who normally works less than 20 hours per week. The Employer in the Adoption Agreement may select a lesser threshold than 20 hours per week. Under this election, in the case of Elective Deferrals only, an Employee is excluded from the Plan provided (1) for the Initial Eligibility Computation Period, the Employer reasonably expects the Employee to work less than 1,000 Hours of Service in such period; and (2) for each Subsequent Eligibility Computation Period, except as provided below in this Paragraph, the Employee worked less than 1,000 Hours of Service in any preceding Eligibility Computation Period. The provisions of Section 2.02(C) apply by analogy to the determination of Eligibility Computation Periods and service within an Eligibility Computation Period. In that case, the 1,000 Hour of Service requirement will be adjusted pro rata. Except as limited by the following sentence, any Employee who completes more than 1,000 Hours of Service during an Eligibility Computation Period will not be an Excluded Employee under this Section 1.35(E) for any subsequent Plan Year. The preceding sentence does not apply with respect to Employer Contributions. For purposes of this exclusion, the Plan Administrator may use any reasonable, consistent method of crediting Hours of Service, regardless of the method elected in the Adoption Agreement for other purposes.

**(F) [Reserved]**

**(G) Per Diem Employees.** If the Employer elects in its Adoption Agreement to exclude Per Diem Employees, then Employees who are employed on an as-needed basis by the Employer are excluded.

**1.36 401(m) Plan.** 401(m) Plan means the portion, if any, of the 403(b) plan or another plan the Employer establishes, subject to the requirements of Code §401(m).

**1.37 403(b) Plan.** 403(b) Plan means this 403(b) plan.

**1.38 Governmental Plan.** Governmental Plan means a plan maintained by a State and described in Code §414(d).

**1.39 HCE.** HCE means a highly compensated Employee, defined under Code §414(q) as an Employee who during the preceding Plan Year (or in the case of a short Plan Year, the immediately preceding 12 month period) had Compensation in excess of \$80,000 (as adjusted by the IRS for the relevant year) and, if the Employer under its Adoption Agreement makes the top-paid group election, was part of the top-paid 20% group of Employees (based on Compensation for the preceding Plan Year).

**(A) Compensation Definition.** For purposes of this Section 1.39, "Compensation" means Compensation as defined in Section 4.05(D).

**(B) Top-paid Group/Calendar Year Data.** The determination of who is an HCE, including the determinations of the number and identity of the top-paid 20% group, must be consistent with Code §414(q) and regulations issued under that Code section. The Employer in its Adoption Agreement may make a calendar year data election to determine the HCEs for the Plan Year, as prescribed by IRS Guidance. A calendar year data election must apply to all plans of the Employer which reference the HCE definition in Code §414(q). For purposes of this Section 1.39, if the current Plan Year is the first year of the Plan, then the term "preceding Plan Year" means the 12-consecutive month period immediately preceding the current Plan Year.

**1.40 Hour of Service.** Hour of Service means:

**(A) Paid and duties.** Each Hour of Service for which the Employer, either directly or indirectly, pays an Employee, or for which the Employee is entitled to payment, for the performance of duties. The Plan credits Hours of Service under this Paragraph (A) to the Employee for the computation period in which the Employee performs the duties, irrespective of when paid;

**(B) Back pay.** Each Hour of Service for back pay, irrespective of mitigation of damages, to which the Employer has agreed or for which the Employee has received an award. The Plan credits Hours of Service under this Paragraph (B) to the Employee for the computation period(s) to which the award or the agreement pertains rather than for the computation period in which the award, agreement or payment is made; and

**(C) Payment but no duties.** Each Hour of Service for which the Employer, either directly or indirectly, pays an Employee, or for which the Employee is entitled to payment (irrespective of whether the employment relationship is terminated), for reasons other than for the performance of duties during a computation period, such as leave of absence, vacation, holiday, sick leave, illness, incapacity (including disability), layoff, jury duty or military duty. The Plan will credit no more than 501 Hours of Service under this Paragraph (C) to an Employee on account of any single continuous period during which the Employee does not perform any duties (whether or not such period occurs during a single computation period). The Plan credits Hours of Service under this Paragraph (C) in accordance with the rules of paragraphs (b) and (c) of Labor Reg. §2530.200b-2, which the Plan, by this reference, specifically incorporates in full within this Paragraph (C).

The Plan will not credit an Hour of Service under more than one of the above Paragraphs (A), (B) or (C). A computation period for purposes of this Section 1.40 is the Plan Year, Year of Service period, Break in Service period or other period, as determined under the Plan provision for which the Plan is measuring an Employee's Hours of Service. The Plan will resolve any ambiguity with respect to the crediting of an Hour of Service in favor of the Employee.

**(D) Method of Crediting Hours of Service.** The Employer must elect in its Adoption Agreement the method the Plan will use in crediting an Employee with Hours of Service and the purpose for which the elected method will apply.

**(1) Actual Method.** Under the Actual Method as determined from records, an Employee receives credit for Hours of Service for hours worked and hours for which the Employer makes payment or for which payment is due from the Employer.

**(2) Equivalency Method.** Under an Equivalency Method, for each equivalency period for which the Plan would credit the Employee with at least one Hour of Service, the Plan will credit the Employee with: (1) 10 Hours of Service for a daily equivalency; (2) 45 Hours of Service for a weekly equivalency; (3) 95 Hours of Service for a semimonthly payroll period equivalency; and (4) 190 Hours of Service for a monthly equivalency.

**(3) Elapsed Time Method.** Under the Elapsed Time Method, an Employee receives credit for Service for the aggregate of all time periods (regardless of the Employee's actual Hours of Service) commencing with the Employee's Employment Commencement Date, or with his/her Re-employment Commencement Date, and ending on the date a Break in Service begins. An Employee's Employment Commencement Date or his/her Re-employment Commencement Date begins on the first day he/she performs an Hour of Service following employment or re-employment. In applying the Elapsed Time Method, the Plan will credit an Employee's Service for any Period of Severance of less than 12-consecutive months and will express fractional periods of Service in days.

(a) **Elapsed Time – Break in Service.** Under the Elapsed Time Method, a Break in Service is a Period of Severance of at least 12-consecutive months. In the case of an Employee who is absent from work for maternity or paternity reasons, the 12-consecutive month period beginning on the first anniversary of the first date the Employee is otherwise absent from Service does not constitute a Break in Service.

(b) **Elapsed Time – Period of Severance.** A Period of Severance is a continuous period of time during which the Employee is not employed by the Employer. The continuous period begins on the date the Employee retires, quits, is discharged, or dies or if earlier, the first 12-month anniversary of the date on which the Employee otherwise is absent from Service for any other reason (including disability, vacation, leave of absence, layoff, etc.).

(E) **Maternity/Paternity Leave/Family and Medical Leave Act.** Solely for purposes of determining whether an Employee incurs a Break in Service under any provision of this Plan, the Plan must credit Hours of Service during the Employee's unpaid absence period: (1) due to maternity or paternity leave; or (2) as required under the Family and Medical Leave Act. An Employee is on maternity or paternity leave if the Employee's absence is due to the Employee's pregnancy, the birth of the Employee's child, the placement with the Employee of an adopted child, or the care of the Employee's child immediately following the child's birth or placement. The Plan credits Hours of Service under this Section 1.40(E) on the basis of the number of Hours of Service for which the Employee normally would receive credit or, if the Plan cannot determine the number of Hours of Service the Employee would receive credit for, on the basis of 8 hours per day during the absence period. The Plan will credit only the number (not exceeding 501) of Hours of Service necessary to prevent an Employee's Break in Service. The Plan credits all Hours of Service described in this Section 1.40(E) to the computation period in which the absence period begins or, if the Employee does not need these Hours of Service to prevent a Break in Service in the computation period in which his/her absence period begins, the Plan credits these Hours of Service to the immediately following computation period.

(F) **Qualified Military Service.** Hour of Service also includes any Service the Plan must credit for contributions and benefits in order to satisfy the crediting of Service requirements of Code §414(u).

**1.41 Insurance Company.** Insurance Company means the insurance company which issues or provides an Annuity Contract used as an Investment Arrangement hereunder.

**1.42 Investment Arrangement/Investment Arrangement Documentation.** Investment Arrangement means an Annuity Contract or Custodial Account that satisfies the requirements of Treas. Reg. §1.403(b)-3 that is issued or established for funding amounts held under the Plan. Appendix "D" to the Employer's Adoption Agreement is a list of Vendors of Investment Arrangements approved for use under the Plan, including sufficient information to identify the approved Investment Arrangements. Investment Arrangement Documentation means the terms and agreements associated with an Investment Arrangement, such as a Custodial Agreement, an Annuity Contract, or other documents that Investment Arrangement Documentation may reference, such as a service agreement. The Investment Arrangement Documentation, excluding those terms that are inconsistent with the Plan or Code §403(b), is hereby incorporated by reference in the Plan. With respect to any Participant, an Investment Arrangement refers to the Investment Arrangement or Investment Arrangements which hold all or part of the Participant's Account.

**1.43 IRS.** IRS means the Internal Revenue Service. When discussing regulations or other guidance, IRS also includes the United States Treasury. IRS Guidance includes Treasury regulations and other guidance of general applicability appearing in the Internal Revenue Bulletin.

**1.44 [Reserved]**

**1.45 Limitation Year.** The Limitation Year means the Calendar Year. However, if the Participant is in control of an Employer pursuant to Section 4.04, the Limitation Year shall be the Limitation Year in the Defined Contribution Plan controlled by the Participant.

**1.46 Mandatory Employee Contributions.** A Mandatory Employee Contribution is a pre-tax Employee contribution which the Employee agrees to make as a condition of employment. Mandatory Employee Contributions also include contributions made pursuant to an Employee's irrevocable one-time election, as described in Section 1.24(F). Mandatory Employee Contributions are treated as pretax Nonelective Contributions and are 100% Vested at all times.

**1.47 Matching Contribution.** Matching Contribution means a fixed or discretionary contribution the Employer makes on account of Elective Deferrals or on account of Employee Contributions. Matching Contributions are limited to contributions made on account of Elective Deferrals or Employee Contributions under this Plan unless otherwise specified by the Employer in its Adoption Agreement. Matching Contributions also include Participant forfeitures allocated on account of such Elective Deferrals or Employee Contributions.

(A) **Fixed Matching Contribution.** Fixed Matching Contribution means a Matching Contribution which the Employer, subject to satisfaction of allocation conditions, if any, must make pursuant to a formula in the Adoption Agreement. Under the formula, the Employer contributes a specified percentage or dollar amount on behalf of a Participant based on that Participant's Elective Deferrals or Employee Contributions eligible for a match.

**(B) Discretionary Matching Contribution.** Discretionary Matching Contribution means a Matching Contribution which the Employer in its sole discretion elects to make to the Plan. The Employer retains discretion over the Discretionary Matching Contribution rate or amount, the limit(s) on Elective Deferrals or Employee Contributions subject to match, the per Participant match allocation limit(s), the Participants who will receive the allocation, and the time period applicable to any matching formula(s) (collectively, the "matching formula"), except as the Employer otherwise elects in its Adoption Agreement.

**1.48 Nonelective Contribution.** Nonelective Contribution means a fixed or discretionary Employer Contribution which is not a Matching Contribution.

**(A) Fixed Nonelective Contribution.** Fixed Nonelective Contribution means a Nonelective Contribution which the Employer, subject to satisfaction of allocation conditions, if any, must make pursuant to a formula (based on Compensation of Participants who will receive an allocation of the contributions or otherwise) in the Adoption Agreement. See Section 3.04(A)(2).

**(B) Discretionary Nonelective Contribution.** Discretionary Nonelective Contribution means a Nonelective Contribution which the Employer in its sole discretion elects to make to the Plan. See Section 3.04(A)(1).

**(C) QNEC.** QNEC means a qualified nonelective contribution which is 100% Vested at all times and which is subject to the distribution restrictions described in Section 6.01(E). Nonelective Contributions are not 100% Vested at all times if the Employee has a 100% Vested interest solely because of his/her Years of Service taken into account under a vesting schedule. Any Nonelective Contributions allocated to a Participant's QNEC Account under the Plan automatically satisfy and are subject to the QNEC definition.

**1.49 NHCE.** NHCE means a nonhighly compensated employee, which is any Employee who is not an HCE.

**1.50 Participant.** Participant means an Eligible Employee who becomes a Participant in accordance with the provisions of Section 2.01. Once an Eligible Employee becomes a Participant, he or she will remain a Participant so long as he or she has an Account in the Plan.

**1.51 Participation Agreement.** Participation Agreement means the Adoption Agreement page or pages or other separate agreement executed by one or more Related Employers (or in a multiple employer plan, other Eligible Employers) to become a Participating Employer.

**(A) Permissible variations of participation agreement.** The participation agreement must identify the Participating Employer and the covered Employees and provide for the Participating Employer's signature. In addition, in the participation agreement, the Signatory Employer shall specify which elections, if any, the Participating Employer can modify, and any restrictions on the modifications. Any such modification shall apply only to the Employees of that Participating Employer. The Participating Employer shall make any such modification by selecting the appropriate option on its participation agreement to the Employer's Adoption Agreement. To the extent that the participation agreement does not permit modification of an election, any attempt by a Participating Employer to modify the election shall have no effect on the Plan and the Participating Employer is bound by the Plan terms as selected by the Signatory Employer. If a Participating Employer does not make any permissible participation agreement election modifications, then with regard to any election, the Participating Employer is bound by the Adoption Agreement terms as completed by the Signatory Employer.

**1.52 Plan.** Plan means the 403(b) Plan established or continued by the Employer in the form of this Volume Submitter Plan, including the Adoption Agreement under which the Employer has elected to establish this Plan. The Plan is not intended to be a Code §§401(a), 403(a) or 457(b) plan. The Employer must designate the name of the Plan in its Adoption Agreement. An Employer may execute more than one Adoption Agreement offered under this Plan, each of which will constitute a separate Plan established or continued by that Employer. The Plan created by each adopting Employer is a separate Plan, independent from the plan of any other employer adopting this Volume Submitter Plan. All section references within this basic plan document are Plan section references unless the context clearly indicates otherwise. The Plan includes any Appendix permitted by the basic plan document or by the Employer's Adoption Agreement and which the Employer attaches to its Adoption Agreement. The Plan Administrator or others, as described more fully in Section 1.53 may perform any action the Plan is to perform hereunder.

**(A) Frozen Plan.** See Section 3.01(F).

**1.53 Plan Administrator.** Plan Administrator means the person, committee, or organization selected in the Adoption Agreement to administer the Plan. If no Plan Administrator is identified in the Adoption Agreement, then the Employer is the Plan Administrator. Functions of the Plan Administrator, including those described in the Plan, may be performed by Vendors, designated agents of the Plan Administrator, or others (including Employees a substantial portion of whose duties is administration of the Plan) pursuant to the terms of Investment Arrangements, written service agreements or other documents under the Plan. For this purpose, an Employee is treated as having a substantial portion of his or her duties devoted to administration of the Plan if the Employee's duties with respect to administration of the Plan are a regular part of the Employee's duties and the Employee's duties relate to Participants and Beneficiaries generally (and the Employee only performs those duties for himself or herself as a consequence of being a Participant or Beneficiary). If the Employer is the Plan Administrator, any requirement under the Plan for communication between the Employer and the Plan Administrator automatically is deemed satisfied, and the Employer has discretion to determine the manner of documenting any decision deemed to be communicated under this provision.

- 1.54 Plan Year.** Plan Year means the consecutive month period the Employer specifies in its Adoption Agreement.
- 1.55 Practitioner.** The Practitioner means the Volume Submitter Practitioner identified in the heading to the plan.
- 1.56 [Reserved]**
- 1.57 Public School.** Public School means a State-sponsored Educational Organization (includes public Institutions of Higher Education).
- 1.58 QDRO.** QDRO means a qualified domestic relations order under Code §414(p). A "domestic relations order" is a judgment, decree, or order (including approval of a property settlement agreement) that relates to the provision of child support, alimony payments, or marital property rights of a spouse or former spouse, child, or other dependent, made pursuant to the domestic relations law of any State.
- 1.59 Qualified Military Service.** Qualified Military Service means qualified military service as defined in Code §414(u)(5). Notwithstanding any provision in the Plan to the contrary, as to Qualified Military Service, the Plan will credit Service under Section 1.40(C), the Employer will make contributions to the Plan and the Plan will provide benefits in accordance with Code §414(u).
- 1.60 Restated Plan.** A Restated Plan means a plan the Employer adopts in substitution for, and in amendment of, an existing plan, as the Employer elects in its Adoption Agreement. The provisions of this Plan, as a Restated Plan, apply solely to an Employee whose employment with the Employer terminates on or after the restated Effective Date of the Plan, except as otherwise set forth in the Adoption Agreement.
- 1.61 [Reserved]**
- 1.62 Rollover Contribution.** A Rollover Contribution means an amount of cash or property (including a Participant loan from another plan subject to the rules of the Vendor) which the Code permits an Eligible Employee or Participant to transfer directly or indirectly to this Plan from another Eligible Retirement Plan (or vice versa) within the meaning of Code §402(c)(8)(B) and Section 6.08(F)(2), except that the Plan may permit an In-Plan Roth Rollover Contribution as provided in Section 3.08(E).
- (A) In-Plan Roth Rollover Contribution.** An In-Plan Roth Rollover Contribution means a Rollover Contribution to the Plan that consists of a distribution or transfer from a Participant's Plan Account, other than a Roth Deferral Account, that the Participant transfers to the Participant's In-Plan Roth Rollover Contribution Account in the Plan, in accordance with Code §402(c)(4). In-Plan Roth Rollover Contributions will be subject to the Plan rules related to Roth Deferral Accounts, subject to preservation of Protected Benefits in accordance with clause (c) of Section 3.08(E)(3)(d).
- (B) In-Plan Roth Rollover Contribution Account.** An In-Plan Roth Rollover Contribution Account is a sub-account the Plan Administrator or Vendor may establish to account for a Participant's Rollover Contributions attributable to the Participant's In-Plan Roth Rollover Contributions. The Plan Administrator has authority to establish such a sub-account, and to the extent necessary, may establish sub-accounts based on the source of the In-Plan Roth Rollover Contribution. The Plan Administrator will administer an In-Plan Roth Rollover Contribution Account in accordance with Code and the Plan provisions.
- 1.63 [Reserved]**
- 1.64 Salary Reduction Agreement.** A Salary Reduction Agreement means a Participant's written election to reduce his or her Compensation (and have that amount contributed as Elective Deferrals to the Plan).
- 1.65 Separation from Service/Severance from Employment.** "Severance from Employment" or "Separation from Service" occurs when an Employee ceases to be employed by the Employer maintaining the Plan or a Related Employer that is eligible to maintain a section 403(b) Plan under Treas. Reg. §1.403(b)-2(b)(8), even if the Employee remains employed with another entity that is a Related Employer where either (a) such Related Employer is not an Eligible Employer or (b) the Employee is employed or in a capacity that is not employment with an eligible employer.
- 1.66 Service.** Service means any period of time the Employee is in the employ of the Employer, including any period the Employee is on an unpaid leave of absence authorized by the Employer under a uniform policy applicable to all Employees. See Section 1.29(B) related to Service for Related Employers.
- (A) Predecessor Employer.** A Predecessor Employer is an employer that previously employed one or more of the Employees.
- (B) Predecessor Employer Service.** If the Employer maintains (by adoption, plan merger or transfer) the plan of a Predecessor Employer, service of the Employee with the Employer.
- (C) Elective Service Crediting.** Except as provided in Section 1.66(B), the Plan does not credit Service with the Predecessor Employer unless the Employer, in its Adoption Agreement (or in a Participation Agreement, if applicable) elects to credit

designated Predecessor Employer Service and specifies the purposes for which the Plan will credit service with that Predecessor Employer. Unless the Employer under its Adoption Agreement provides for this purpose specific Entry Dates, an Employee who satisfies the Plan's eligibility condition(s) by reason of the crediting of Predecessor Employer Service will enter the Plan in accordance with the provisions of Article 2 as if the Employee were a re-employed Employee on the first day the Plan credits Predecessor Employer Service.

**1.67 State.** State means a State, a political subdivision of a State, or any agency of instrumentality of a State, and includes the District of Columbia. In determining whether an individual is a Public School Employee, a State includes an Indian tribal government.

**1.68 [Reserved]**

**1.69 Taxable Year.** Taxable Year means the taxable year of a Participant.

**1.70 Vested.** Vested means a Participant or a Beneficiary has an unconditional claim, legally enforceable against the Plan, to the Participant's Accumulated Benefit or to a portion thereof if not 100% vested.

**1.71 USERRA.** USERRA means the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended.

**1.72 Vendor.** Vendor means the provider of an Annuity Contract or Custodial Account, as the context requires. With regard to an Investment Arrangement, the Vendor is the provider of that Investment Arrangement. With regard to a Participant, the Vendor is the provider of any Investment Arrangement holding an Account for the Participant.

**1.73 Year of 403(b) Service.** For purposes of determining Includible Compensation or Special Catch-Up Contributions, Year of 403(b) Service means each full year during which an individual is a full-time Employee of the Employer, plus fractional credit for each part of a year during which the individual is either a full-time Employee of the Employer for a part of a year or a part-time Employee of the Employer, determined under Treas. Reg. §1.403(b)-4(e). An Employee's number of Years of 403(b) Service equals the aggregate of such years or parts of years. The work period is the Employer's annual work period.

**ARTICLE 2. ELIGIBILITY AND PARTICIPATION**

**2.01 ELIGIBILITY.** Each Eligible Employee becomes a Participant in the Plan in accordance with the eligibility conditions the Employer elects in its Adoption Agreement. The Employer may elect different age and service conditions for different Contribution Types under the Plan.

**(A) Elective Deferrals/Universal Availability.** The provisions of this Section 2.01(A) apply if the Employer does not maintain another plan that satisfies the universal availability requirements of Code §403(b)(12). An Employee, other than an Excluded Employee with regard to Elective Deferrals, becomes a Participant in the Elective Deferral portion of the Plan on the date the Employer provides the Employee a participant notice of the right to defer. The Employer will provide such a notice to the Employee within 30 days after commencement of employment (or, if later, 30 days after the date the Employee ceases to be an Excluded Employee). If the Plan places any restrictions on a Participant's right to make a deferral election, the Participant, at a minimum, must have the right to make an initial deferral election within a 30-day period following the date the notice is provided. In no event may a Participant's deferral election be effective prior to the Effective Date of the Plan. For purposes of this Paragraph, an Employee of a Related Employer that is not a Participating Employer is an Excluded Employee with respect to Elective Deferrals.

**(B) Other Contributions.** The provisions of this Section 2.01(B) apply to Employer Contributions and Employee Contributions, and do not apply to Elective Deferrals. However, if the Employer maintains another plan that satisfies the universal availability requirements of Code §403(b)(12), then the provisions of this Section 2.01(B) also apply to Elective Deferrals.

(1) **Eligibility Conditions.** The Employer in its Adoption Agreement will elect the age and service conditions applicable to Employer Contributions or Employee Contributions (or Elective Deferrals if the Employer maintains another plan that satisfies the universal availability requirements of Code §403(b)(12)), if any. For purposes of an Eligible Employee's participation in Employer Contributions or Employee Contributions, the Plan may not impose an age condition exceeding age 21 and may not require completion of more than one Year of Service, except as provided under Sections 2.02(E), (G), or (H).

(2) **New Plan.** Any Eligible Employee who has satisfied the Plan's eligibility conditions and who has reached his/her Entry Date as of the Effective Date is eligible to participate as of the Effective Date, assuming the Employer continues to employ the Employee on that date. Any other Eligible Employee becomes eligible to participate: (1) upon satisfaction of the eligibility conditions and reaching his/her Entry Date; or (2) upon reaching his/her Entry Date if such Employee had already satisfied the eligibility conditions prior to the Effective Date.

(3) **Restated Plan.** If this Plan is a Restated Plan, each Employee who was a Participant in the Plan on the day before the restated Effective Date continues as a Participant in the Restated Plan, irrespective of whether he/she satisfies the eligibility conditions of the Restated Plan, unless the Employer provides otherwise in its Adoption Agreement.

(4) **Special Eligibility Effective Date (Dual Eligibility).** The Employer in its Adoption Agreement may elect to provide a special Effective Date for the Plan's eligibility conditions, with the effect that such conditions may apply only to Employees who are employed by the Employer after a specified date.

**2.02 APPLICATION OF SERVICE CONDITIONS.** The Plan Administrator will apply this Section 2.02 in administering the Plan's eligibility service condition(s) for Employer Contributions, Mandatory Employee Contributions and Employee Contributions (and, if the Employer maintains another plan that satisfies the universal availability requirements, Elective Deferrals), if any.

**(A) Definition of Year of Service.** A Year of Service for purposes of an Employee's participation in the Plan, means the applicable Eligibility Computation Period under Section 2.02(C), during which the Employee completes the number of Hours of Service the Employer specifies in its Adoption Agreement, without regard to whether the Employer continues to employ the Employee during the entire Eligibility Computation Period.

**(B) Counting Years of Service.** For purposes of an Employee's participation in the Plan, the Plan counts all of an Employee's Years of Service, except as provided in Section 2.03.

**(C) Initial and Subsequent Eligibility Computation Periods.** If the Plan requires one Year of Service for eligibility and an Employee does not complete one Year of Service during the Initial Eligibility Computation Period, the Plan measures Subsequent Eligibility Computation Periods in accordance with the Employer's election in its Adoption Agreement. If the Plan measures Subsequent Eligibility Computation Periods on a Plan Year basis, an Employee who receives credit for the required number of Hours of Service during the Initial Eligibility Computation Period and also during the first applicable Plan Year receives credit for two Years of Service under Article 2.

(1) **Definition of Eligibility Computation Period.** An Eligibility Computation Period is a 12-consecutive month period.

(2) **Definition of Initial Eligibility Computation Period.** The "Initial Eligibility Computation Period" is the Employee's Anniversary Year which begins on the Employee's Employment Commencement Date.

(3) **Definition of Anniversary Year.** An Employee's "Anniversary Year" is the 12-consecutive month period beginning on the Employee's Employment Commencement Date or on anniversaries thereof.

(4) **Definitions of Employment Commencement Date/Re-Employment Commencement Date.** An Employee's Employment Commencement Date is the date on which the Employee first performs an Hour of Service for the Employer. An Employee's Re-Employment Commencement Date is the date on which the Employee first performs an Hour of Service for the Employer after the Employer re-employs the Employee.

(5) **Definition of Subsequent Eligibility Computation Period.** A Subsequent Eligibility Computation Period is any Eligibility Computation Period after the Initial Eligibility Computation Period, as the Employer elects in its Adoption Agreement.

**(D) Entry Date.** The Employer in its Adoption Agreement elects the Entry Date(s) and elects whether such Entry Date(s) are retroactive, coincident with or next following an Employee's satisfaction of the Plan's eligibility conditions. The Employer may elect to apply different Entry Dates to different Contribution Types.

(1) **Definition of Entry Date.** See Section 1.31.

**(E) Alternative Service Conditions.** The Employer in its Adoption Agreement may elect to impose for eligibility a condition of less than one Year of Service or of more than one Year of Service, but not exceeding two Years of Service. If the Employer elects an alternative Service condition to one Year of Service or two Years of Service, the Employer must elect in its Adoption Agreement the Hour of Service and other requirement(s), if any, after the Employee completes one Hour of Service. Under any alternative Service condition election, the Plan may not require an Employee to complete more than one Year of Service (1,000 Hours of Service in 12-consecutive months) or two Years of Service, if applicable.

(1) **[Reserved]**

(2) **[Reserved]**

(3) **Months and days.** The Plan Administrator may, on a uniform and consistent basis, apply Plan provisions relating to months based on a 30-day month, or may adopt other reasonable conventions as it may deem beneficial for efficient Plan administration.

**(F) Equivalency or Elapsed Time.** If the Employer in its Adoption Agreement elects to apply the Equivalency Method or the Elapsed Time Method in applying the Plan's eligibility Service condition, the Plan Administrator will credit Service in accordance with Sections 1.40(D)(2) and (3).

**(G) Governmental Plans.** The limitations of this Article on age and service requirements and selection of Entry Dates will not apply unless otherwise noted in the Adoption Agreement.

**(H) Maximum age for educational institution.** If (1) this Plan is maintained exclusively for Employees of an educational organization as defined in Code §170(b)(1)(A)(ii); (2) the Plan does not require more than one Year of Service as a condition for entry; and (3) the Plan provides full vesting after no more than one Year of Service, the maximum age restriction of Section 2.01(B)(1) is applied by substituting "26" for "21."

**2.03 BREAK IN SERVICE – PARTICIPATION.** The Plan Administrator will apply this Section 2.03 if any Break in Service rule applies under the Plan. The Break in Service rules do not apply to Elective Deferrals.

**(A) Definition of Break in Service.** For purposes of this Article 2, an Employee incurs a Break in Service if during any applicable Eligibility Computation Period he/she does not complete more than 500 Hours of Service with the Employer. The Eligibility Computation Period under this Section 2.03(A) is the same as the Eligibility Computation Period the Plan uses to measure a Year of Service under Section 2.02. On a uniform basis, the Plan Administrator may disregard a Break in Service for an Eligibility Computation Period if the Employee is in service on the last day of that period. If the Plan applies the Elapsed Time Method of crediting Service under Section 1.40(D)(3), a Participant incurs a "Break in Service" if the Participant has a Period of Severance of at least 12 consecutive months.

**(B) Two Year Eligibility.** If the Employer under the Adoption Agreement elects a two Years of Service eligibility condition, an Employee who incurs a one year Break in Service prior to completing two Years of Service: (1) is a new Employee, on the date he/she first performs an Hour of Service for the Employer after the Break in Service; (2) the Plan disregards the Employee's Service prior to the Break in Service; and (3) the Employee establishes a new Employment Commencement Date for purposes of the Initial Eligibility Computation Period under Section 2.02(C).

**(C) USERRA.** An Employee who has completed Qualified Military Service and who the Employer has rehired under USERRA, does not incur a Break in Service under the Plan by reason of the period of such Qualified Military Service.

**(D) Adoption Agreement provisions.** The Employer may specify, in Appendix B to its Adoption Agreement, one or more years or other periods of service which the Plan will disregard for purposes of eligibility for Employer Contributions, based on Separation from Service, or Break in Service.

**2.04 PARTICIPATION UPON RE-EMPLOYMENT.** The provisions of Paragraphs (A), (B), and (C) of this Section 2.04 apply to Employer Contributions and Employee Contributions. An Employee who incurs a Separation from Service will enter or re-enter the Plan as a Participant for purposes of Elective Deferrals on his/her Re-employment Commencement Date (provided he/she is not an Excluded Employee).

**(A) Rehired Participant/Immediate Re-Entry.** A Participant who incurs a Separation from Service will re-enter the Plan as a Participant on the date of his/her Re-Employment Commencement Date (provided he/she is not an Excluded Employee), subject to any Break in Service rule, if applicable, under Section 2.03.

**(B) Rehired Eligible Employee Who Had Satisfied Eligibility.** An Eligible Employee who satisfies the Plan's eligibility conditions, but who incurs a Separation from Service prior to becoming a Participant, subject to any Break in Service rule, if applicable, under Section 2.03, will become a Participant on the later of: (1) the Entry Date on which he/she would have entered the Plan had he/she not incurred a Separation from Service; or (2) his/her Re-Employment Commencement Date.

**(C) Rehired Eligible Employee Who Had Not Satisfied Eligibility.** An Eligible Employee who incurs a Separation from Service prior to satisfying the Plan's eligibility conditions, becomes a Participant in accordance with the Employer's Adoption Agreement elections. The Plan Administrator, for purposes of applying any shift in the Eligibility Computation Period, takes into account the Employee's prior Service and the Employee is not treated as a new hire.

**2.05 CHANGE IN EMPLOYMENT STATUS.** The Plan Administrator will apply this Section 2.05 if the Employer in its Adoption Agreement elected to exclude any Employees as Excluded Employees. Although the provisions of this Section describe exclusion from the Plan as a whole, the Plan Administrator will apply the principles of this Section as appropriate to an individual excluded from one or more Contribution Types, as authorized in Section 1.35.

**(A) Participant Becomes an Excluded Employee.** If a Participant has not incurred a Separation from Service but becomes an Excluded Employee, during the period of exclusion the Excluded Employee: (i) will not share in the allocation of any Employer Contributions or Participant forfeitures, based on Compensation paid to the Excluded Employee during the period of exclusion; (ii) may not make Employee Contributions; and (iii) may not make Elective Deferrals as to Compensation paid to the Excluded Employee during the period of exclusion.

**(1) Vesting, accrual, Break in Service and Earnings.** A Participant who becomes an Excluded Employee under this Section 2.05(A) continues: (a) to receive Service credit for vesting under Article 5 for each included vesting Year of Service; (b) to receive Service credit for applying any allocation conditions under Section 3.06 as to Employer Contributions accruing for any non-excluded period; (c) to receive Service credit in applying the Break in Service rules; and (d) to share fully in Earnings under Article 7.

**(2) Resumption of Eligible Employee status.** If a Participant who becomes an Excluded Employee subsequently resumes status as an Eligible Employee, the Participant will participate in the Plan immediately upon resuming eligible status, subject to the Break in Service rules, if applicable, under Section 2.03.

**(B) Excluded Employee Becomes Eligible.** If an Excluded Employee who is not a Participant becomes an Eligible Employee, he/she will participate immediately in the Plan if he/she has satisfied the Plan's eligibility conditions and would have been a Participant had he/she not been an Excluded Employee during his/her period of Service. An Excluded Employee receives Service credit for eligibility, for allocation conditions under Section 3.06 (but the Plan disregards Compensation paid while excluded) and for vesting under Article 5 for each included vesting Year of Service, notwithstanding the Employee's Excluded Employee status.

**2.06 TERMINATION OF PARTICIPATION.** Once an Eligible Employee becomes a Participant, he or she will continue to be a Participant until the Plan distributes the Participant's entire Account Balance.

**ARTICLE 3. PLAN CONTRIBUTIONS AND FORFEITURES**

**3.01 CONTRIBUTION TYPES.** The Employer in its Adoption Agreement will elect the Contribution Type(s) and any formulas, allocation methods, conditions and limitations applicable thereto, except where the Plan expressly reserves discretion to the Employer or to the Plan Administrator.

**(A) Application of Limits.** The Employer will not make a contribution to an Investment Arrangement for any Plan Year to the extent the contribution would exceed any Article 4 limit or other Plan limit.

**(B) Compensation for Allocations/Limit.** The Plan will allocate all Employer Contributions and Elective Deferrals based on the definition of Compensation the Employer elects in its Adoption Agreement for a particular Contribution Type. The Plan Administrator in allocating such contributions must limit each Participant's Compensation in accordance with the provisions of Section 1.11(E). In determining Compensation from which a Participant may make Elective Deferrals, the Compensation dollar limitation described in Section 1.11(E) does not apply.

**(C) Allocation Conditions.** The Plan Administrator will allocate Employer Contributions only to those Participants who satisfy the Plan's allocation conditions under Section 3.06, if any, for the Contribution Type being allocated.

**(D) Time of Payment of Contribution.** The Employer may pay Employer Contributions for any Plan Year in one or more installments without interest. Unless otherwise required by the relevant Investment Arrangement Documentation or the Code, the Employer may make an Employer Contribution to the Plan for a particular Plan Year at such time(s) as the Employer in its sole discretion determines. If the Employer makes a contribution for a particular Plan Year after the close of that Plan Year, the Employer will designate the Plan Year for which the Employer is making the Employer Contribution. The Plan will allocate the contribution accordingly.

**(E) Return of Employer Contribution.** The Employer contributes to the Plan on the condition its contribution is not due to a mistake of fact.

**(1) Request for contribution return/timing.** The Vendor, upon written request from the Employer, must return to the Employer (or, if applicable, directly to the Participant) the amount of the Employer Contribution made by the Employer by mistake of fact.

**(2) Earnings.** The Vendor will adjust the amount of the Employer Contribution returnable under this Section 3.01(E) for any Earnings attributable to the contribution.

**(3) Evidence.** The Vendor may require the Employer to furnish the Vendor whatever evidence the Vendor deems necessary to enable the Vendor to confirm the amount the Employer has requested be returned can be returned consistent with the Code.

**(F) Frozen Plans.** The Employer in its Adoption Agreement (or in an Employer resolution) may elect to treat the Plan as a Frozen Plan. Under a Frozen Plan, the Employer and the Participants will not make any contributions to the Plan. The Plan provisions, other than those requiring contributions, continue in effect until the Employer terminates the Plan. An Eligible Employee will not become a Participant in a Frozen Plan after the date the Plan becomes a Frozen Plan.

**3.02 ELECTIVE DEFERRALS.** If the Employer in its Adoption Agreement elects to permit Elective Deferrals, the provisions of this Section 3.02 will apply. A Participant's Elective Deferrals will be made pursuant to a Salary Reduction Agreement unless the Employer elects in its Adoption Agreement to apply the Automatic Deferral provision under Section 3.02(B). The Participant prospectively may modify or revoke a Salary Reduction Agreement, or may file a new Salary Reduction Agreement following a prior revocation, at least once per Plan Year or more frequently as specified in the Plan's Salary Reduction Agreement.

**(A) Administrative provisions.** The Salary Reduction Agreement shall be made through a form provided by, and filed with, the Plan Administrator or its designated agent. The Employee's elections with respect to Investment Arrangements and allocations (and reallocations) among Accounts, if not included in the Salary Reduction Agreement, shall be included in other records maintained under the Plan.

**(1) Minimum/Maximum Amount.** The Salary Reduction Agreement may establish an annual minimum deferral amount no higher than \$200, and may change such minimum to a different amount (but not in excess of \$200) from time to time. The Salary Reduction Agreement may also establish a uniform maximum deferral limit in the Salary Reduction Agreement.

**(2) Termination.** Any election on a Salary Reduction Agreement shall remain in effect until a new election is filed or the election is revoked or cancelled. The termination of a Participant's employment automatically revokes the Participant's election with regard to Compensation earned after the Participant is rehired.

(3) **Effective Date.** A Salary Reduction Agreement may not be effective earlier than the following date which occurs last: (1) under Article 2, the Participant's Entry Date or, in the case of a re-hired Employee, his/her re-participation date; (2) the execution date of the Salary Reduction Agreement; (3) the date the Employer adopts the 403(b) Plan; or (4) the Effective Date of the 403(b) Plan. Subject to these limitations, the Salary Reduction Agreement shall be effective as soon as administratively practical after execution.

(4) **Compensation.** A Salary Reduction Agreement must specify the dollar amount of Compensation or the percentage of Compensation the Participant wishes to defer. The Salary Reduction Agreement will apply: (1) only to Compensation which becomes currently available after the effective date of the Salary Reduction Agreement; and (2) to all or to such Elective Deferral Compensation as the Salary Reduction Agreement indicates, including any Participant elections made in the Salary Reduction Agreement. Also see Section 1.11(G) relating to non-cash Compensation. Participants may not make Elective Deferrals from amounts that are not Code §415 Compensation under Section 4.05(D). In addition, a Participant may not make Elective Deferrals from amounts which are not Compensation under Section 1.11 even if 415 Compensation is more inclusive. In determining Compensation from which a Participant may make Elective Deferrals, the Compensation dollar limitation described in Section 1.11(E) does not apply.

(5) **Additional Rules.** The Plan Administrator in the Plan's Salary Reduction Agreement form, or in a Salary Reduction Agreement policy will specify additional rules and restrictions applicable to a Participant's Salary Reduction Agreement, including but not limited to those regarding the timing, frequency and mechanics of changing or revoking a Salary Reduction Agreement or any uniform limitations with regard to deferrals in addition to those otherwise provided in the Plan. Any such rules and restrictions must be consistent with the Plan and with the Code. The Plan Administrator may provide more than one Salary Reduction Agreement form for use in specific situations.

**(B) Automatic Deferrals.** The Employer in its Adoption Agreement will elect whether to apply or not apply the Automatic Deferral provisions. The Employer may elect the Automatic Deferral provisions under Section 3.02(B)(1) (an ACA), or Section 3.02(B)(2) (an EACA). The Plan Administrator will treat Automatic Deferrals as Elective Deferrals for all purposes under the Plan, including application of limitations, and distributions. If the Employer in its Adoption Agreement has elected to permit Roth Deferrals, Automatic Deferrals are Pre-Tax Deferrals unless the Employer in Appendix B to its Adoption Agreement elects otherwise. Automatic Deferrals will not apply to a Participant until after the Participant has had a reasonable period of time after being informed of the automatic deferral procedure to make a Contrary Election (and, if applicable, an investment election).

(1) **Automatic Contribution Arrangement (ACA).** If the Employer elects in its Adoption Agreement, the Employer maintains a Plan with Automatic Deferral provisions as an Automatic Contribution Arrangement ("ACA"), effective as of the date the Employer elects in the Adoption Agreement, and the provisions of this Section 3.02(B)(1) will apply.

(a) **Participants subject to ACA.** The Employer in its Adoption Agreement will elect which Participants are subject to the ACA Automatic Deferral on the Effective Date thereof, including some or all current Participants and those Employees who become Participants after the ACA Effective Date.

(b) **Effect of Contrary Election.** A Participant who makes a Contrary Election is not thereafter subject to the Automatic Deferral or to any scheduled increases thereto, even if the Participant later modifies the Contrary Election. A Participant's Contrary Election continues in effect until the Participant subsequently changes his/her Salary Reduction Agreement or the Salary Reduction Agreement is revoked.

(2) **Eligible Automatic Contribution Arrangement (EACA).** If the Employer elects in its Adoption Agreement, the Employer maintains a Plan with Automatic Deferral provisions as an Eligible Automatic Contribution Arrangement ("EACA"), effective as of the date the Employer elects in its Adoption Agreement and the provisions of this Section 3.02(B)(2) will apply.

(a) **Participants subject to EACA.** The Employer in its Adoption Agreement will elect which Participants are subject to the EACA Automatic Deferral on the Effective Date thereof which may include some or all current Participants or may be limited to those Employees who become Participants after the EACA Effective Date.

(i) **EACA Effective Date.** EACA Effective Date means the date on which the EACA goes into effect, either as to the overall Plan or as to an individual Participants as the context requires. An EACA becomes effective as to the Plan as of the date the Employer elects in its Adoption Agreement. A Participant's EACA Effective Date is as soon as practicable after the Participant is subject to Automatic Deferrals under the EACA, consistent with the objective of affording the Participant a reasonable period of time after receipt of the EACA notice to make a Contrary Election (and, if applicable, an investment election).

(b) **Uniformity.** The Automatic Deferral Percentage must be a uniform percentage of Compensation. However, the Plan does not violate the uniform Automatic Deferral Percentage merely because the Plan applies any of the following provisions:

- (i) **Years of participation.** The Automatic Deferral Percentage varies based on the number of Plan Years (or portions of years) the Participant has participated in the Plan while the Plan has applied EACA provisions;
  - (ii) **No reduction from prior default percentage.** The Employer elects in the Adoption Agreement not to apply Automatic Deferrals to a Participant whose Elective deferrals immediately prior to the EACA's Effective Date were higher than the Automatic Deferral Percentage;
  - (iii) **Applying statutory limits.** The Plan limits the Automatic Deferral amount so as not to exceed the limits of Code §§402(g) (determined without regard to Age 50 Catch-Up Deferrals), or 415;
  - (iv) **No deferrals during hardship suspension.** The Plan does not apply the Automatic Deferral during the period of suspension, if so required under the Plan's hardship distribution provisions, of Participant's right to make Elective Deferrals to the Plan following a hardship distribution; or
  - (v) **Disaggregated groups.** The Plan applies different Automatic Deferral Percentages to different groups if the groups can be disaggregated under Treas. Reg. §1.410(b)-7.
- (c) **EACA notice.** The Plan Administrator annually will provide a notice to each Covered Employee within a reasonable period prior to each Plan Year the Employer maintains the Plan as an EACA ("EACA Plan Year").
- (i) **Deemed reasonable notice/new Participant.** The Plan Administrator is deemed to provide timely notice if the Plan Administrator provides the EACA notice at least 30 days and not more than 90 days prior to the beginning of the EACA Plan Year.
  - (ii) **Mid-year notice/new Participant or Plan.** If: (A) an Employee becomes eligible to make Elective Deferrals in the Plan during an EACA Plan Year but after the Plan Administrator has provided the annual EACA notice for that Plan Year; or (B) the Employer adopts mid-year a new Plan as an EACA, the Plan Administrator must provide the EACA notice no later than the date the Employee becomes eligible to make Elective Deferrals. However, if it is not practicable for the Plan Administrator to provide the notice on or before the date an Employee becomes a Participant, then the notice nonetheless will be treated as provided timely if the Plan Administrator provides the notice as soon as practicable after that date and the Employee is permitted to elect to defer from all types of Compensation that may be deferred under the Plan earned beginning on that date.
  - (iii) **Content.** The EACA notice must provide comprehensive information regarding the Participants' rights and obligations under the Plan and must be written in a manner calculated to be understood by the average Participant.
- (d) **EACA permissible withdrawal.** The Employer will elect in its Adoption Agreement whether a Participant who has Automatic Deferrals under the EACA may elect to withdraw all the Automatic Deferrals (and allocable Earnings) under the provisions of this Section 3.02(B)(2)(d). Any distribution made pursuant to this Section will be processed in accordance with normal distribution provisions of the Plan.
- (i) **Amount.** If a Participant elects a permissible withdrawal under this Section 3.02(B)(2)(d), then the Plan must make a distribution equal to the amount (and only the amount) of the Automatic Deferrals made under the EACA (adjusted for Earnings to the date of the distribution). The Plan may account separately for Automatic Deferrals, in which case the Plan will distribute the entire Account. If the Plan does not account separately for the Automatic Deferrals, then the Plan must determine Earnings in a manner similar to the rules provided in Treas. Reg. §1.401(k)-2(b)(2)(iv) for the distribution of excess contributions in a 401(k) plan.
  - (ii) **Fees.** Notwithstanding Section 3.02(B)(2)(d)(i), the Plan Administrator may reduce the permissible distribution amount by any generally applicable fees. However, the Plan may not charge a greater fee for distribution under this Section 3.02(B)(2)(d)(ii), than applies to other distributions. The Plan Administrator may adopt a policy regarding charging such fees consistent with this Paragraph.
  - (iii) **Timing.** The Participant may make an election to withdraw the Automatic Deferrals under the EACA no later than 90 days, or such shorter period as the Employer specifies in its Adoption Agreement (but not less than 30 days), after the date of the first Automatic Deferral under the EACA. For this purpose, the date of the first Automatic Deferral is the date that the Compensation subject to the Automatic Deferral otherwise would have been includible in the Participant's gross income. For purposes of the preceding sentence, EACAs under the Plan are aggregated, except that the mandatory disaggregation rules of Code §410(b) apply. In addition, a Participant's withdrawal right is not restricted due to the Participant making a

Contrary Election during the 90-day period (or shorter period as the Employer specifies in its Adoption Agreement).

(iv) **Rehired Employees.** For purposes of Section 3.02(B)(2)(b)(i), the Plan will treat an Employee who for an entire Plan Year did not have contributions made pursuant to a default election under the EACA as having not had such contributions for any prior Plan Year as well.

(v) **Effective date of the actual withdrawal election.** The effective date of the permissible withdrawal will be as soon as practicable, but in no event later than the earlier of: (A) the pay date of the second payroll period beginning after the Participant makes the election; or (B) the first pay date that occurs at least 30 days after the Participant makes the election. The election also will be deemed to be the Participant's Contrary Election to have no Elective Deferrals made to the Plan. However, the Participant may subsequently make a deferral election hereunder.

(vi) **Related Matching Contributions.** The Plan Administrator will not take into account any deferrals withdrawn pursuant to this Section 3.02(B)(2)(d) in computing and allocating Matching Contributions. If the Employer already has allocated Matching Contributions to the Participant's account with respect to Elective Deferrals being withdrawn pursuant to this Section, the Plan must forfeit the Matching Contributions, as adjusted for Earnings.

(vii) **Treatment of withdrawals.** With regard to Elective Deferrals withdrawn pursuant to this Section 3.02(B)(2)(d): (A) the Plan Administrator will disregard such Deferrals for purposes of the Elective Deferral Limit under Section 4.10(A); and (B) such Deferrals are not subject to any spousal consent requirements imposed by the Plan.

(e) **Effect of Contrary Election/Covered Employee status.** A Participant's Contrary Election continues in effect until the Participant subsequently revokes or modifies his/her Salary Reduction Agreement, or the Contrary Election expires. A Participant who makes a Contrary Election is not thereafter subject to the Automatic Deferral or to any scheduled increases thereto, even if the Participant later revokes the Contrary Election or the Contrary Election expires, unless the Participant is a Covered Employee.

(i) **Covered Employee.** A Covered Employee is a Participant who is subject to the EACA. The Employer in its Adoption Agreement will elect whether a Participant who makes a Contrary Election is a Covered Employee. A Covered Employee must receive the annual EACA notice even though the Participant's Contrary Election remains in effect. In addition, a Covered Employee who revokes his/her Contrary Election or whose Contrary Election expires, is thereafter immediately subject to the EACA Automatic Deferral.

(3) **[Reserved]**

(4) **Automatic Contribution Definitions.** The following definitions apply to all Automatic Contribution Arrangements under this Section 3.02(B):

(a) **Automatic Deferral.** An Automatic Deferral is an Elective Deferral that results from the operation of Section 3.02(B)(1) or Section 3.02(B)(2). Under the Automatic Deferral, the Employer automatically will reduce by the Automatic Deferral Percentage or Amount the Compensation of each Participant subject to the Automatic Deferral, except those Participants who timely make a Contrary Election.

(b) **Automatic Deferral Percentage/Increases.** The Automatic Deferral Percentage is the percentage of Automatic Deferral which the Employer elects in its Adoption Agreement including any scheduled increase to the Automatic Deferral Percentage which the Employer may elect. If a Participant subject to the Automatic Deferral elected, before the Effective Date of the Automatic Deferral, to defer an amount which is less than the Automatic Deferral Percentage the Employer has elected in its Adoption Agreement, the Automatic Deferral Percentage includes only the incremental percentage amount necessary to increase the Participant's Elective Deferral to equal the Automatic Deferral Percentage, including any scheduled increases thereto.

(c) **[Reserved]**

(d) **Contrary Election.** A Contrary Election is a Participant's election made after the ACA or EACA Effective Date not to defer any Compensation or to defer an amount which is more or less than the Automatic Deferral Percentage.

(e) **Contrary Election Effective Date.** A Participant's Contrary Election generally is effective as of the first administratively feasible payroll period which follows the payroll period in which the Participant makes the Contrary Election. However, a Participant may make a Contrary Election which is effective: (i) for the first payroll

period in which he/she becomes a Participant if the Participant makes a Contrary Election within a reasonable period following the Participant's Entry Date and before the Compensation to which the Election applies becomes currently available; or (ii) for the first payroll period following the Effective Date of the Automatic Deferral, if the Participant makes a Contrary Election not later than the Effective Date of the Automatic Deferral.

**(C) Elective Deferrals as Employer Contributions.** Where the context requires under the Plan, Elective Deferrals are Employer Contributions except: (1) under Section 3.04 relating to allocation of Employer Contributions; (2) under Section 3.06 relating to allocation conditions; and (3) under Section 5.03 relating to vesting.

**(D) Qualified Organization Catch-Up.** If the Employer is a Qualified Organization, the Employer in its Adoption Agreement may elect to permit a Qualified Participant to make a Qualified Organization Catch-Up Deferral under this Section 3.02(D). Qualified Organization Catch-Up Deferrals are not subject to the Elective Deferral Limit of Section 4.10(A).

(1) **Definition of Qualified Organization Catch-Up Deferral.** For any calendar year in which an Employee has completed at least 15 Years of 403(b) Service with the Qualified Organization, the Elective Deferral Limit will increase by the lesser of (1) \$3,000; (2) \$15,000 reduced by all the Employee's Qualified Organization Catch-up Deferrals for prior Taxable Years; (3) or the excess of \$5,000 multiplied by the number of Years of 403(b) Service of the Employee with the Qualified Organization, over the Employee's deferral contributions made for prior Taxable Years pursuant to Code §§401(k), 408(k)(6), 408(p) or 403(b) other than deferrals under Code §414(v).

(2) **Definition of Qualified Organization.** For purposes of this Section 3.02(D), a "Qualified Organization" has the same meaning as provided in Treas. Reg. §1.403(b)-4(c)(3)(ii). This includes an educational organization described in Code §170(b)(1)(A)(ii), a hospital, a health and welfare service agency (including a home health service agency) or any organization described in Code §414(e)(3)(B)(ii).

(3) **Definition of Qualified Participant.** For purposes of this Section 3.02(D), a "Qualified Participant" means a Participant who has completed at least 15 Years of 403(b) Service with the Qualified Organization.

(4) **Application of Annual Additions Limit.** A Qualified Organization Catch-Up Deferral is subject to the Annual Additions Limit in Section 4.05(B).

(5) **Application of both Catch-Ups.** A Participant, subject to applicable limits, may contribute both a Qualified Organization Catch-Up Deferral and an Age 50 Catch-Up Deferral. The Plan Administrator will treat any amounts so contributed first as a Qualified Organization Catch-Up Deferral.

**(E) Age 50 Catch-Up Deferrals.** The Employer in its Adoption Agreement may elect to permit Catch-Up Eligible Participants to make Age 50 Catch-Up Deferrals to the Plan under this Section 3.02(E).

(1) **Definition of Catch-Up Eligible Participant.** A Catch-Up Eligible Participant is a Participant who is eligible to make Elective Deferrals and who has attained age 50 or who will attain age 50 before the end of the Taxable Year in which he/she will make a Catch-Up Deferral. A Participant who dies or who incurs a Separation from Service before actually attaining age 50 in such Taxable Year is a Catch-Up Eligible Participant.

(2) **Definition of Age 50 Catch-Up Deferral.** An Age 50 Catch-up Deferral is an Elective Deferral by a Catch-up Eligible Participant and which exceeds: (a) a Plan limit on Elective Deferrals under Section 3.02(A); (b) the Annual Additions Limit under Section 4.05(B); or (c) the Elective Deferral Limit under Section 4.10(A).

(3) **Limit on Age 50 Catch-Up Deferrals.** A Participant's Age 50 Catch-Up Deferrals for a Taxable Year may not exceed the lesser of: (a) 100% of the Participant's Compensation for the Taxable Year when added to the Participant's other Elective Deferrals; or (b) the Catch-Up Deferral dollar limit in effect for the Taxable Year (\$6,000 for 2017).

(4) **Adjustment after 2017.** After the 2017 Taxable Year, the IRS will adjust the Age 50 Catch-Up Deferral dollar limit in multiples of \$500 under Code §414(v)(2)(C).

(5) **Treatment of Age 50 Catch-Up Deferrals.** Age 50 Catch-Up Deferrals are not: (a) subject to the Annual Additions Limit under Section 4.05(B); or (b) subject to the Elective Deferral Limit under Section 4.10(A).

(6) **Universal availability.** If the Employer permits Age 50 Catch-Up Deferrals to its Plan, the right of all Catch-Up Eligible Participants to make Age 50 Catch-Up Deferrals must satisfy the universal availability requirement of Treas. Reg. §1.414(v)-1(e). If the Employer maintains more than one applicable plan within the meaning of Treas. Reg. §1.414(v)-1(g)(1), and any of the applicable plans permit Catch-Up Deferrals, then any Catch-up Eligible Participant in any such plans must be permitted to have the same effective opportunity to make the same dollar amount of Catch-Up Deferrals. Any Plan-imposed limit that is based on total Elective Deferrals including Catch-Up Deferrals may not be less than 75% of a Participant's gross Compensation.

**(F) Roth Deferrals.** The Employer in its Adoption Agreement may elect to permit Roth Deferrals. The Employer must also elect to permit Pre-Tax Deferrals if the Employer elects to permit Roth Deferrals. The Plan Administrator will administer Roth Deferrals in accordance with this Section 3.02(F).

(1) **Treatment of Roth Deferrals.** The Plan Administrator will treat Roth Deferrals as Elective Deferrals for all purposes of the Plan, except where the Plan indicates otherwise.

(2) **Separate accounting.** The Plan will establish a Roth Deferral Account for each Participant who makes any Roth Deferrals and Earnings thereon in accordance with Section 7.04(A)(1). The Plan will establish a Pre-Tax Account for each Participant who makes any Pre-Tax Deferrals in accordance with Section 7.04(A)(1). The Plan will credit only Roth Deferrals and Earnings thereon (allocated on a reasonable and consistent basis) to a Participant's Roth Deferral Account. The Vendor will be responsible only for contributions made under the Vendor's Investment Arrangement. Any Roth Elective Deferrals under an Investment Arrangement will be allocated to a separate Account maintained under the Investment Arrangement for the Participant's Roth Elective Deferrals.

(3) **No re-classification.** An Elective Deferral contributed to the Plan either as a Pre-Tax Deferral or as a Roth Deferral may not be re-classified as the other type of Elective Deferral, provided; however, that a Pre-Tax Deferral may be converted to a Roth Deferral by means of an In-Plan Roth Rollover under Section 3.08(E).

**(G) Automatic Escalation.** The Employer in its Adoption Agreement will elect whether to apply the Automatic Escalation provisions of this Section 3.02(G) to Salary Reduction Agreements. Such provisions shall apply to affirmative deferral elections and will not apply to Participants for whom the Employer is withholding Automatic Deferrals under Section 3.02(B). In its Adoption Agreement, the Employer will specify the Participants to whom Automatic Escalation applies, the amount by which the Elective Deferrals will increase, and the timing of the increase.

**3.03 MATCHING CONTRIBUTIONS.** If the Employer elects in its Adoption Agreement to provide for Matching Contributions, the Plan Administrator will apply the provisions of this Section 3.03.

**(A) Matching Formula:** Type, Rate/Amount, Limitations and Time Period. The Employer in its Adoption Agreement must elect the type(s) of Matching Contributions (Fixed or Discretionary Matching Contributions), and as applicable, the Matching Contribution rate(s)/amount(s), the limit(s) on Elective Deferrals or Employee Contributions subject to match, the limit(s) on the amount of Matching Contributions, and the time period the Plan Administrator will apply in the computation of any Matching Contributions. If the Employer in its Adoption Agreement elects to apply any limit on Matching Contributions based on pay periods or on any other time period which is less than the Plan Year, the Plan Administrator will determine the limits in accordance with the time period specified and will not take into account any other Compensation or Elective Deferrals not within the applicable time period, even in the case of a Participant who becomes eligible for the match mid-Plan Year and regardless of the Employer's election as to Pre-Entry Compensation. Unless otherwise specified in Appendix B to the Adoption Agreement, the Plan Administrator will take Elective Deferrals into account in computing Matching Contributions only if the Elective Deferrals were made after the Participant became eligible for the match. An Employee becomes "eligible for the match" when the Employee becomes a Participant in the Matching Contribution portion of the Plan.

(1) **Fixed Match.** The Employer in its Adoption Agreement may elect to make a Fixed Matching Contribution to the Plan under one or more formulas.

(a) **Allocation.** The Employer may contribute on a Participant's behalf under a Fixed Matching Contribution formula only to the extent that the Participant makes Elective Deferrals or Employee Contributions which are subject to the formula and if the Participant satisfies the allocation conditions for Fixed Matching Contributions, if any, the Employer elects in its Adoption Agreement.

(2) **Discretionary Match.** The Employer in its Adoption Agreement may elect to make a Discretionary Matching Contribution to the Plan.

(a) **Allocation.** To the extent the Employer makes Discretionary Matching Contributions, the Plan Administrator will allocate the Discretionary Matching Contributions to the Account of each Participant entitled to the match under the Employer's discretionary matching allocation formula and who satisfies the allocation conditions for Discretionary Matching Contributions, if any, the Employer elects in its Adoption Agreement. The Employer under a Discretionary Matching Contribution retains discretion over the amount of its Matching Contributions, and, except as the Employer otherwise elects in its Adoption Agreement, the Employer also retains discretion over the matching formula or formulas. See Section 1.47(B).

(3) **Roth Deferrals.** Unless the Employer elects otherwise in its Adoption Agreement, the Employer's Matching Contributions apply in the same manner to Roth Deferrals as they apply to Pre-Tax Deferrals.

(4) **Contribution timing.** The time period that the Employer elects for computing its Matching Contributions does not require that the Employer actually contribute the Matching Contribution at any particular time.

(5) **Participating Employers.** If any Participating Employers contribute Matching Contributions to the Plan, the Employer in its Adoption Agreement must elect whether the Plan Administrator will allocate Matching Contributions only to Participants directly employed by the contributing Employer or to all Participants regardless of which Employer contributes or how much any Employer contributes. The allocation of Matching Contributions under this Section 3.03(A)(5) also applies to the allocation of any forfeiture attributable to Matching Contributions and which the Plan allocates to Participants.

(B) **Matching Catch-Up Deferrals.** The Employer in its Adoption Agreement must elect whether or not to match any Catch-Up Deferrals if the Plan permits Catch-Up Deferrals. The Employer's election to match Catch-Up Deferrals will apply to all Matching Contributions or will specify the Fixed Matching Contributions or Discretionary Matching Contributions which apply to the Catch-Up Deferrals. The Employer's election to match Catch-Ups may apply to Age 50 Catch-Ups, or to Qualified Organization Catch-Ups, or to both.

**3.04 NONELECTIVE CONTRIBUTIONS.** This Section applies to Nonelective Contributions. Except as provided in Section 3.04(D), the provisions of this Section with regard to Nonelective Contributions for a Plan Year are limited to Participants who have Compensation for the Plan Year. Section 3.04(D) describes contributions for former Employees who have Deemed Includible Compensation.

(A) **Amount and Type.** The Employer in its Adoption Agreement must elect the type and amount of Nonelective Contributions.

(1) **Discretionary Nonelective Contribution.** The Employer in its Adoption Agreement may elect to make Discretionary Nonelective Contributions.

(2) **Fixed Nonelective.** The Employer in its Adoption Agreement may elect to make Fixed Nonelective Contributions. The Employer must specify the time period to which any fixed contribution formula will apply (which is deemed to be the Plan Year if the Employer does not so specify) and must elect the allocation method which may be the same as the contribution formula or may be a different allocation method under Section 3.04(B).

(3) **Mandatory Employee Contributions.** The Employer in its Adoption Agreement may require Mandatory Employee Contributions of some or all Participants either as a condition of employment or through an irrevocable one-time election described in Section 1.24(F). The Employer must specify the time period to which any Mandatory Employee Contribution formula will apply (which is deemed to be the Plan Year if the Employer does not so specify). Any such contribution will be allocated as a Nonelective Contribution to the Account of the Participant who made it. Such amounts will be fully Vested and will not be subject to the allocation conditions of Section 3.06.

(4) **Participating Employers.** If any Participating Employers contribute Nonelective Contributions to the Plan, the Employer in its Adoption Agreement must elect: (a) whether each Participating Employer will be subject to the same or different Nonelective Contribution formulas under Section 3.04(A) and allocation methods under Section 3.04(B) than the Signatory Employer; and (b) whether, under Section 3.04(B), the Plan Administrator will allocate Nonelective Contributions only to Participants directly employed by the contributing Employer or to all Participants regardless of which Employer contributes or how much any Employer contributes. The allocation of Nonelective Contributions under this Section 3.04(A)(4) also applies to the allocation of any forfeiture attributable to Nonelective Contributions and which the Plan allocates to Participants.

(B) **Method of Allocation.** The Employer in its Adoption Agreement must specify the method of allocating Nonelective Contributions to the Plan. The Plan Administrator will apply this Section 3.04(B) by including in the allocation only those Participants who have satisfied the Plan's allocation conditions under Section 3.06, if any, applicable to the contribution. The Plan Administrator, in allocating a contribution under any allocation formula which is based in whole or in part on Compensation, will take into account Compensation under Section 1.11 as the Employer elects in its Adoption Agreement and only will take into account the Compensation of the Participants entitled to an allocation. In addition, if the Employer has elected in its Adoption Agreement to define allocation Compensation over a time period which is less than a full Plan Year, the Plan Administrator will apply the allocation methods in this Section 3.04(B) based on Participant Compensation within the relevant time period.

(1) **Pro rata allocation formula.** The Employer in its Adoption Agreement may elect a pro rata allocation formula. Under a pro rata allocation formula, the Plan Administrator will allocate the Employer Contributions for a Plan Year in the same ratio that each Participant's Compensation for the Plan Year (or other applicable period) bears to the total Compensation of all Participants for the Plan Year (or other applicable period).

(2) **Permitted disparity allocation formula.** The Employer in its Adoption Agreement may elect a permitted disparity formula, providing allocations described in (a) below.

(a) **Two-tiered formula.**

(i) **Tier one.** Under the first tier, the Plan Administrator will allocate the Employer Contributions for a Plan Year in the same ratio that each Participant's Compensation plus Excess Compensation (as the Employer defines that term in its Adoption Agreement) for the Plan Year bears to the total Compensation plus Excess Compensation of all Participants for the Plan Year. The allocation under this first tier, as a percentage of each Participant's Compensation plus Excess Compensation, must not exceed the applicable percentage (5.7%, 5.4%, or 4.3%) listed under Section 3.04(B)(2)(b).

(ii) **Tier two.** Under the second tier, the Plan Administrator will allocate any remaining Employer Contributions for a Plan Year in the same ratio that each Participant's Compensation for the Plan Year bears to the total Compensation of all Participants for the Plan Year.

(b) **Maximum disparity table.** For purposes of the permitted disparity allocation formulas under this Section 3.04(B)(2), the applicable percentage is:

Integration level % of Taxable Wage Base	Applicable %
100%	5.7%
More than 80% but less than 100%	5.4%
More than 20% (but not less than \$10,001) and not more than 80%	4.3%
20% (or \$10,000, if greater) or less	5.7%

For this purpose, the Taxable Wage Base is the contribution and benefit base under section 230 of the Social Security Act in effect at the beginning of the Plan Year. The integration level is the uniform amount specified in the Employer's Adoption Agreement.

(c) **Overall permitted disparity limits.**

(i) **Annual overall permitted disparity limit.** Notwithstanding Section 3.04(B)(2)(a), for any Plan Year the Plan benefits any Participant who benefits under another plan maintained by the Employer that provides for permitted disparity (or imputes disparity), the Plan Administrator will allocate Employer Contributions to the Account of each Participant in the same ratio that each Participant's Compensation bears to the total Compensation of all Participants for the Plan Year.

(ii) **Cumulative permitted disparity limit.** Effective for Plan Years beginning after December 31, 1994, the cumulative permitted disparity limit for a Participant is 35 total cumulative permitted disparity years. "Total cumulative permitted disparity years" means the number of years credited to the Participant for allocation or accrual purposes under the Plan, any other qualified plan or simplified employee pension plan (whether or not terminated) ever maintained by the Employer. For purposes of determining the Participant's cumulative permitted disparity limit, the Plan Administrator will treat all years ending in the same calendar year as the same year. If the Participant has not benefited under a Defined Benefit Plan or under a target benefit plan of the Employer for any year beginning after December 31, 1993, the Participant does not have a cumulative permitted disparity limit.

For purposes of this Section 3.04(B)(2)(c), a Participant "benefits" under a plan for any Plan Year during which the Participant receives, or is deemed to receive, a contribution allocation in accordance with Treas. Reg. §1.410(b)-3(a).

(d) **Pro-ration of integration level.** In the event that the Plan Year is less than 12 months and the Plan Administrator will allocate the Employer Contribution based on Compensation for the short Plan Year, the Plan Administrator will pro rate the integration level based on the number of months in the short Plan Year. The Plan Administrator will not pro rate the integration level in the case of: (i) a Participant who participates in the Plan for less than the entire 12 month Plan Year and whose allocation is based on Participating Compensation; (ii) a new Plan established mid-Plan Year, but with an Effective Date which is as of the beginning of the Plan Year; or (iii) a terminating Plan which bases allocations on Compensation through the effective date of the termination, but where the Plan Year continues for the balance of the full 12 month Plan Year.

(3) **Classifications allocation formula.** The Employer in its Adoption Agreement may elect to specify classifications of Participants to whom the Plan Administrator will allocate any Employer Contribution.

(a) **Classifications.** The Employer may elect to specify any number of classifications and a classification may consist of any number of Participants. The Employer also may elect to put each Participant in his/her own classification.

(b) **Allocation of contribution within classifications.** The Plan Administrator will apportion the Employer Contribution for a Plan Year to the classifications as the Employer designates in writing at the time that the Employer makes the contribution. If there is more than one Participant in a classification, the Plan Administrator

will allocate the Employer Contribution for the Plan Year within each classification as the Employer elects in its Adoption Agreement which may be: (i) in the same ratio that each Participant's Compensation for the Plan Year bears to the total Plan Year Compensation for all Participants within the same classification (pro rata); or (ii) the same dollar amount to each Participant within a classification.

(c) **Shifting classifications within the Plan Year.** If a Participant during a Plan Year shifts from one classification to another, the Plan Administrator will apportion the Participant's allocation for each classification pro rata based on the Participant's Compensation for the part of the Plan Year the Participant was a member of the classification, unless the Employer in Appendix B to its Adoption Agreement: (i) specifies apportionment based on the number of months or days a Participant spends in a classification; or (ii) elects that the Employer will direct the Plan Administrator as to which classification the Participant will participate in during that entire Plan Year.

(4) **[Reserved]**

(5) **Incorporation of fixed formula.** The Employer in its Adoption Agreement may elect to allocate Employer Contributions in accordance with the Plan's fixed Employer Contribution formula. In such event, the Plan Administrator will allocate the Employer Contributions for a Plan Year in accordance with the Fixed Nonelective or other Employer Contribution formula. See Section (A)(3) regarding the allocation of Mandatory Employee Contributions.

(C) **[Reserved]**

(D) **Former Employees.** If the Employer elects in its Adoption Agreement, the Employer may make Nonelective Contributions with respect to one or more former Employees who have Separated from Service and have Deemed Includible Compensation. The Employer in its Adoption Agreement will determine the contribution and which Participants shall be entitled to receive the Nonelective Contribution. If the Employer elects the discretionary contribution, then the Plan Administrator will allocate the contribution in accordance with the principles of Section (B)(3), treating each such former Employee as being in a separate classification. The allocation conditions of Section 3.06 will not apply to contributions made pursuant to this Section and the former Employee will be fully Vested in such contributions. No former Employee will be eligible to receive such an allocation for a calendar year beginning more than the earlier of the Employee's death or five years after the Employee Separated from Service.

3.05 **[RESERVED]**

3.06 **ALLOCATION CONDITIONS.** The Employer in its Adoption Agreement will elect the allocation conditions, if any, which the Plan Administrator will apply in allocating Employer Contributions (except for those contributions described below) and in allocating forfeitures allocated as an Employer Contribution under the Plan.

(A) **Contributions Not Subject to Allocation Conditions.** The Employer may not elect to impose any allocation conditions on: (1) Elective Deferrals; (2) Additional Matching Contributions; (3) Employee Contributions; or (4) Nonelective Contributions to former Employees under Section 3.04(D); or (5) Rollover Contributions.

(B) **Conditions.** The Employer in its Adoption Agreement may elect to impose allocation conditions based on Hours of Service or employment at a specified time (or both), in accordance with this Section 3.06(B). The Employer may elect to impose different allocation conditions to different Employer Contribution Types under the Plan. A Participant does not accrue an Employer Contribution or forfeiture allocated as an Employer Contribution with respect to a Plan Year or other applicable period, until the Participant satisfies the allocation conditions for that Employer Contribution Type.

(1) **Hours of Service requirement.** The Plan Administrator will not allocate any portion of an Employer Contribution for a Plan Year to any Participant's Account if the Participant does not complete the applicable minimum Hours of Service (or consecutive calendar days of employment under the Elapsed Time Method) requirement the Employer specifies in its Adoption Agreement for the relevant period.

(a) **1,000 HOS in Plan Year/other HOS requirement.** The Employer may elect to require a Participant to complete: (i) 1,000 Hours of Service during the Plan Year (or to be employed for at least 182 consecutive calendar days under the Elapsed Time Method); (ii) a specified number of Hours of Service during the Plan Year which is less than 1,000 Hours of Service; or (iii) a specified number of Hours of Service within the time period the Employer elects in its Adoption Agreement, but not exceeding 1,000 Hours of Service in a Plan Year. The Plan may impose allocation conditions other than those specified here.

(b) **501 HOS/terminees.** The Employer in its Adoption Agreement may elect to require a Participant to complete during a Plan Year 501 Hours of Service (or to be employed for at least 91 consecutive calendar days under the Elapsed Time Method) to share in the allocation of Employer Contributions for that Plan Year where the Participant is not employed by the Employer on the last day of that Plan Year, including the Plan Year in which the Employer terminates the Plan.

(c) **Short Plan Year or allocation period.** This Section 3.06(B)(1)(c) applies to any Plan Year or to any other allocation time period under the Adoption Agreement which is less than 12 months, where in either case, the Employer creates a short allocation period on account of a Plan amendment, the termination of the Plan or the adoption of the Plan with an initial short Plan Year. In the case of any short allocation period, the Plan Administrator will prorate any Hour of Service requirement based on the number of days in the short allocation period divided by the number of days in the normal allocation period, using 365 days in the case of Plan Year allocation period. The Employer in Appendix B to its Adoption Agreement may elect not to pro-rate Hours of Service in any short allocation period or to apply a monthly pro-ration method.

(2) **Last day requirement.** The Employer may elect to require a Participant to be employed by the Employer on the last day of the Plan Year or other specified period or on a specified date.

(C) **Time Period.** The Employer in its Adoption Agreement will elect the time period to which the Plan Administrator will apply any allocation condition. The Employer may elect to apply the same time period to all Contribution Types or to elect a different time period based on Contribution Type.

(D) **Death, Disability or Retirement Age.** The Employer in its Adoption Agreement will elect whether any elected allocation condition applies or is waived for a Plan Year if a Participant incurs a Separation from Service during the Plan Year on account of the Participant's death, Disability or attainment of Normal Retirement Age or Early Retirement Age in the current Plan Year or on account of the Participant's Disability or attainment of Normal Retirement Age or Early Retirement Age in a prior Plan Year. The Employer's election may be based on Contribution Type or may apply to all Contribution Types.

(E) **No Other Conditions.** In allocating Employer Contributions under the Plan, the Plan Administrator will not apply any other allocation conditions except those the Employer elects in its Adoption Agreement or otherwise as the Plan may require.

**3.07 FORFEITURE ALLOCATION.** The amount of a Participant's Account forfeited under the Plan is a Participant forfeiture. The Employer may direct the Plan Administrator to use Forfeitures to reinstate previously forfeited Account Balances of Participants, if any, in accordance with Section 5.07, or to satisfy any contribution that may be required pursuant to Section 7.07.

(A) **Allocation Method.** The Employer may elect to use forfeitures to pay Plan expenses. The Employer in its Adoption Agreement must specify other methods the Plan Administrator will apply to allocate forfeitures. Unless the Employer designates a specific ordering in its Adoption Agreement, the Plan Administrator may allocate the forfeitures by applying one or more of such elected methods in any order as the Plan Administrator operationally may determine, until the forfeitures are fully allocated to the applicable forfeiture allocation Plan Year.

(1) **Forfeiture source.** The Employer in its Adoption Agreement may elect a different allocation method based on the forfeiture source (from Nonelective Contributions or from Matching Contributions) or may elect to apply the same allocation method to all forfeitures.

(a) **Attributable to Matching.** A Participant's forfeiture is attributable to Matching Contributions if the forfeiture is: (i) from the non-Vested portion of a Matching Contribution Account forfeited in accordance with Section 5.07 or, if applicable, Section 7.07; or (ii) an Associated Matching Contribution.

(b) **Definition of Associated Matching Contribution.** An Associated Matching Contribution includes any Vested or non-Vested Matching Contribution (including Allocable Income) made as to Elective Deferrals or Employee Contributions the Plan Administrator distributes under Section 4.02(E) (Excess Amount), Section 4.10(A) (Excess Deferrals), or Section 7.08 relating to Plan correction.

(c) **Forfeiture or distribution of Associated Match.** An Employee forfeits an Associated Matching Contribution. A forfeiture under this Section 3.07(A)(1)(c) occurs no later than the Plan Year after the year for which the Matching Contribution was made and the forfeiture is allocated in the Plan Year described in Section 3.07(B). In the event of correction under Section 7.08 resulting in forfeiture of Associated Matching Contributions, the forfeiture occurs in the Plan Year of correction.

(2) **Application of "reduce" option/excess forfeitures.** If the Employer elects to allocate forfeitures to reduce Nonelective or Matching Contributions and the allocable forfeitures for the forfeiture allocation Plan Year described in Section 3.07(B) exceed the amount of the applicable contribution for that Plan Year to which the Plan Administrator would apply the forfeitures (or there are no applicable contributions under the Plan), the Plan Administrator will allocate the remaining forfeitures in the forfeiture allocation Plan Year. In such event, the Plan Administrator will allocate the remaining forfeitures to pay Plan expenses, as an additional Discretionary Nonelective Contribution or as a Discretionary Matching Contribution, as the Plan Administrator determines.

(3) **Plan expenses.** If the Employer elects to first apply the forfeitures to the payment of Plan expenses, and the forfeitures exceed the Plan's expenses, the Plan Administrator will apply any remaining forfeitures under the additional

method the Employer has elected in its Adoption Agreement. The Employer may elect not to apply forfeitures to the payment of Plan expenses which are allocated to specific Participant accounts under Section 7.04(C)(2)(b).

(4) **No allocation to Elective Deferral Accounts.** The Plan Administrator will not allocate forfeitures to any Participant's Elective Deferral Account, including his/her Roth Deferral Account.

(5) **Allocation under classifications.** If the Employer in its Adoption Agreement has elected to allocate its Nonelective Contributions based on classifications of Participants, the Plan Administrator will allocate any forfeitures which under the Plan are allocated as additional Nonelective Contributions: (a) first to each classification pro rata in relation to the Employer's Nonelective Contribution to that classification for the forfeiture allocation Plan Year described in Section 3.07(B); and (b) second, the total amount of forfeitures allocated to each classification under (a) are allocated in the same manner as are the Nonelective Contributions to be allocated to that classification.

(6) **Limitation on forfeiture uses.** Forfeitures cannot be used as Elective Deferrals.

**(B) Timing (forfeiture allocation Plan Year).** The Plan Administrator will allocate Participant forfeitures (including the Earnings thereon) no later than the last day of the Plan Year following the Plan Year in which the forfeiture occurs. See Sections 3.07(A)(1)(c), 5.07 and 7.07 as to when a forfeiture occurs. The Plan Administrator may apply forfeitures to pay Plan expenses which the Plan incurs in the forfeiture allocation Plan Year, but which the Plan Administrator pays within a reasonable time after the end of the forfeiture allocation Plan Year.

(1) **Allocation timing.** The Employer may elect different allocation timing based on the forfeiture source (from Nonelective Contributions or from Matching Contributions) or may elect to apply the same allocation timing to all forfeitures.

(2) **Contribution amount and timing not relevant.** The forfeiture allocation timing rules in this Section 3.07(B) apply irrespective of when the Employer makes its Employer Contribution for the forfeiture allocation Plan Year, and irrespective of whether the Employer makes an Employer Contribution for that Plan Year.

**(C) Administration of Account Pending/Incurring Forfeiture.** The Plan Administrator will continue to hold the undistributed, non-Vested portion of the Account of a Participant who has incurred a Separation from Service solely for his/her benefit until a forfeiture occurs at the time specified in Section 5.07 or if applicable, until the time specified in Section 7.07.

**(D) Participant Does Not Share in Own Forfeiture.** A Participant will not share in the allocation of a forfeiture of any portion of his/her Account, even if the Participant otherwise is entitled to an allocation of Employer Contributions and forfeitures in the forfeiture allocation Plan Year described in Section 3.07(B). If the forfeiting Participant is entitled to an allocation of Employer Contributions and forfeitures in the forfeiture allocation Plan Year, the Plan Administrator only will allocate to the Participant a share of the allocable forfeitures attributable to other forfeiting Participants.

**(E) Plan Merger.** In the event that the Employer merges another plan into this Plan, and does not fully vest upon merger the participant accounts in the merging plan, the Plan Administrator will allocate any post-merger forfeitures attributable to the merging plan in accordance with the Employer's elections in its Adoption Agreement. The Employer may elect to limit any such forfeiture allocation only to those Participants who were also participants in the merged plan, but in the absence of such an election, all Participants who have satisfied any applicable allocation conditions under Section 3.06 will share in the forfeiture allocation.

**3.08 ROLLOVER CONTRIBUTIONS.** The Plan Administrator will apply this Section 3.08 in administering Rollover Contributions to the Plan, if any.

**(A) Policy Regarding Rollover Acceptance.** Unless it is prohibited in the Adoption Agreement, the Plan Administrator, operationally (except as to In-Plan Roth Rollover Contributions under Section 3.08(E)), may elect to permit or not to permit Rollover Contributions to this Plan (even if the Plan is a Frozen Plan) or may elect to limit an Eligible Employee's right or a Participant's right to make a Rollover Contribution. The Plan Administrator also may adopt, amend or terminate any policy regarding the Plan's acceptance of Rollover Contributions. If the Employer in its Adoption Agreement elects to permit In-Plan Roth Rollover Contributions, the Plan Administrator will administer In-Plan Roth Rollover Contributions in accordance with Section 3.08(E) and the Employer's Adoption Agreement elections to the extent permitted by the Vendor and the Investment Arrangements.

(1) **Rollover documentation.** If the Plan Administrator permits Rollover Contributions, any Participant (or as applicable, any Eligible Employee), with the Plan Administrator's written consent and after filing with the Plan Administrator the form prescribed by the Plan Administrator, may make a Rollover Contribution to the Plan. Before accepting a Rollover Contribution, the Plan Administrator may require a Participant (or Eligible Employee) to furnish satisfactory evidence the proposed rollover is in fact a permissible "rollover contribution" under the Code.

**(B) Limited Testing.** A Rollover Contribution is not an Annual Addition under Section 4.05(A).

**(C) Pre-Participation Rollovers.** If an Eligible Employee makes a Rollover Contribution to the Plan prior to satisfying the Plan's eligibility conditions or prior to reaching his/her Entry Date, the Plan Administrator must treat the Employee as a limited Participant (as described in Rev. Rul. 96-48). A limited Participant does not share in the Plan's allocation of Employer Contributions nor Participant forfeitures and may not make Elective Deferrals until he/she actually becomes a Participant in the Plan. If a limited Participant has a Separation from Service prior to becoming a Participant in the Plan, the Plan will distribute his/her Rollover Contributions Account to him/her in accordance with Section 6.01(B).

**(D) May Include Employee Contributions and Roth Deferrals.** A Rollover Contribution may include Employee Contributions and Roth Deferrals made to another plan, as adjusted for Earnings. In the case of Employee Contributions: (1) such amounts must be directly rolled over into this Plan from another plan which is qualified under Code §401(a), or is a 403(b) plan; and (2) the Plan must account separately for the Rollover Contribution, including the Employee Contribution and the Earnings thereon. In the case of Roth Deferrals: (1) such amounts must be directly rolled over into this Plan from another plan which is qualified under Code §401(a) or from a §403(b) plan; (2) the Plan must account separately for the Rollover Contribution, including the Roth Deferrals and the Earnings thereon; and (3) this Plan must permit Roth Deferrals.

**(E) In-Plan Roth Rollover Contributions.**

(1) **Employer Election.** The Employer in its Adoption Agreement in which the Employer has elected to permit Roth Deferrals also will elect whether to permit an In-Plan Roth Rollover Contribution in accordance with this Section 3.08(E) with regard to otherwise distributable amounts and/or otherwise nondistributable amounts. If the Employer elects to permit such contributions, the Employer in its Adoption Agreement will specify the Effective Date thereof which may not be earlier than distributions made after September 27, 2010, and may not be earlier than January 1, 2013 in the case of rollovers of otherwise nondistributable amounts.

(2) **Eligibility for Distribution and Rollover.** A Participant may not make an In-Plan Roth Rollover Contribution with regard to an otherwise distributable amount which is not an Eligible Rollover Distribution.

(a) **Parties eligible to elect.** The Employer in Appendix B to its Adoption Agreement can limit to Employees the right to elect to make In-Plan Roth rollovers. If the Employer does not make this election, for purposes of eligibility for an In-Plan Roth Rollover, the Plan will treat a Participant's surviving spouse Beneficiary or alternate payee spouse or alternate payee former spouse as a Participant. A non-spouse Beneficiary may not make an In-Plan Roth Rollover.

(b) **Distribution from partially Vested account.** In-Plan Roth Rollovers are permitted only from Vested amounts allocated to a qualifying source but may be made from partially Vested Accounts unless the Employer elects otherwise in Appendix B to its Adoption Agreement. If a distribution is made to a Participant who has not incurred a Severance from Employment and who is not fully Vested in the Participant's Account from which the In-Plan Roth Rollover Contribution is to be made, and the Participant may increase the Vested percentage in such Account, then at any relevant time Section 5.03(C) will apply to determine the Participant's Vested portion of the Account.

(3) **Form and Source of Rollover.**

(a) **Direct Rollover.** An In-Plan Roth Rollover Contribution may be made only by a Direct Rollover.

(b) **Account source.** A Participant may make an In-Plan Roth Rollover from any account (other than a Roth account) unless the Employer otherwise elects in Appendix B to its Adoption Agreement. Also see Section 6.01(D)(7).

(c) **Cash or in-kind.** The Plan Administrator will effect an In-Plan Roth Rollover Contribution by rolling over the Participant's current investments to the In-Plan Roth Rollover Account. A Plan loan cannot be rolled over in an In-Plan Roth Rollover.

(d) **No Rollover or Distribution Treatment.** Notwithstanding any other Plan provision, an In-Plan Roth Rollover Contribution is not a Rollover Contribution for purposes of the Plan. Accordingly: (a) if the Employer in its Adoption Agreement has elected \$5,000 as the Plan limit on Mandatory Distributions, the Plan Administrator will take into account amounts attributable to an In-Plan Roth Rollover Contribution, in determining if the \$5,000 limit is exceeded, regardless of the Employer's election as to whether to count Rollover Contributions for this purpose; (b) no spousal consent is required for a Participant to elect to make an In-Plan Roth Rollover Contribution; (c) Protected Benefits with respect to the amounts subject to the In-Plan Roth Rollover are preserved; and (d) mandatory 20% federal income tax withholding does not apply to the In-Plan Roth Rollover Contribution.

(e) **Coordination with Vendor.** In-Plan Roth Rollovers are not permitted from a source or under circumstances not permitted by the Vendor's rules. For example, if a Vendor's rules do not permit in-Plan Roth Rollovers from otherwise nondistributable amounts, then the Participant cannot make such rollovers from Investment Arrangements that Vendor provides.

**3.09** EMPLOYEE CONTRIBUTIONS. An Employer must elect in its Adoption Agreement whether to permit Employee Contributions. If the Employer elects to permit Employee Contributions, the Employer also must specify in its Adoption Agreement any limitations which apply to Employee Contributions. Employee Contributions will be accepted for an Investment Arrangement only to the extent permitted in the Investment Arrangement Documentation. If the Employer permits Employee Contributions, the Plan Administrator operationally will determine if a Participant will make Employee Contributions through payroll deduction or by other means.

(A) **[Reserved]**

(B) **Matching.** The Employer in its Adoption Agreement must elect whether the Employer will make Matching Contributions as to any Employee Contributions and, as applicable, the matching formula.

(C) **Administrative provisions.** The Plan Administrator may prescribe one or more forms relating to Employee Contributions, and may adopt an Employee Contribution policy. The Employee Contribution form or policy may specify limits and conditions applicable to Employee Contributions, consistent with Code §403(b).

(1) **Minimum Amount.** The Plan Administrator may establish an annual minimum Employee Contribution, and may change such minimum to a different amount from time to time.

(2) **Termination.** Any election on an Employee Contribution form shall remain in effect until a new election is filed or the election is revoked or otherwise terminates. The termination of a Participant's employment automatically revokes the Participant's election with regard to periods after the Participant is rehired.

**3.10** USERRA/HEART ACT CONTRIBUTIONS.

(A) **Application.** This Section 3.10 applies to an Employee who: (1) has completed Qualified Military Service under USERRA; (2) the Employer has rehired under USERRA; and (3) is a Participant entitled to make-up contributions under Code §414(u). This Section 3.10 also applies to an Employee who dies or becomes disabled while performing Qualified Military Service, as provided in Sections 3.10(K) and the Employer's Adoption Agreement elections.

(B) **Employer Contributions.** The Employer will make up any Employer Contribution the Employer would have made and which the Plan Administrator would have allocated to the Participant's Account had the Participant remained employed by the Employer during the period of Qualified Military Service.

(C) **Compensation.** For purposes of this Section 3.10, the Plan Administrator will determine an affected Participant's Compensation as follows. A Participant during his/her period of Qualified Military Service is deemed to receive Compensation equal to that which the Participant would have received had he/she remained employed by the Employer, based on the Participant's rate of pay that would have been in effect for the Participant during the period of Qualified Military Service. If the Compensation during such period would have been uncertain, the Plan Administrator will use the Participant's actual average Compensation for the 12 month period immediately preceding the period of Qualified Military Service, or if less, for the period of employment.

(D) **Elective Deferrals/Employee Contributions.** If the Plan provided for Elective Deferrals, Employee Contributions or Mandatory Employee Contributions during a Participant's period of Qualified Military Service, the Plan Administrator must allow a Participant under this Section 3.10 to make up such Elective Deferrals, Employee Contributions or Mandatory Employee Contributions to his/her Account. The Participant may make up the maximum amount of Elective Deferrals, Employee Contributions or Mandatory Employee Contributions which he/she under the Plan terms would have been able to contribute during the period of Qualified Military Service (less any such amounts the Participant actually contributed during such period) and the Participant must be permitted to contribute any lesser amount as the Plan would have permitted. The Participant must make up any contribution under this Section 3.10(D) commencing on his/her Re-Employment Commencement Date and not later than five years following reemployment (or if less, a period equal to three times the length of the Participant's Qualified Military Service triggering such make-up contribution).

(E) **Matching Contributions.** The Employer will make up any Matching Contribution that the Employer would have made and which the Plan Administrator would have allocated to the Participant's Account during the period of Qualified Military Service, but based on any make-up Elective Deferrals or make-up Employee Contributions that the Participant makes under Section 3.10(D).

(F) **Limitations/Testing.** Contributions under this Section 3.10 are Annual Additions and are tested under Section 4.10(A) (Elective Deferral Limit) in the year to which such contributions are allocated, but not in the year in which such contributions are made.

(1) **Differential Wage Payments.** The Plan is not treated as failing to meet the requirements of any provision described in this Section 3.10(F) by reason of any contribution or benefit which is based on a Differential Wage Payment. The preceding sentence applies only if all Employees performing service in the uniformed services described in Code §3401(h)(2)(A) are entitled to receive Differential Wage Payments on reasonably equivalent terms and, if eligible to participate in a retirement plan maintained by the Employer, to make contributions based on the payments on reasonably equivalent terms (taking into account Code §§410(b)(3), (4), and (5)). The Plan Administrator operationally may determine, for purposes of any provision described in this Section 3.10(F), whether to take into account any Elective Deferrals, and if applicable, any Matching Contributions, attributable to Differential Wage Payments.

(G) **No Earnings.** A Participant receiving any make-up contribution under this Section 3.10 is not entitled to an allocation of any Earnings on any such contribution prior to the time that the Employer actually makes the contribution (or timely deposits the Participant's own make-up Elective Deferrals or Employee Contributions) to the Plan.

(H) **No Forfeitures.** A Participant receiving any make-up allocation under this Section 3.10 is not entitled to an allocation of any forfeitures allocated during the Participant's period of Qualified Military Service.

(I) **Allocation Conditions.** For purposes of applying any Plan allocation conditions under Section 3.06, the Plan Administrator will treat any period of Qualified Military Service as Service.

(J) **HEART Act Death Benefits.** If a Participant dies while performing Qualified Military Service, the Participant's Beneficiary is entitled to any additional benefits (other than benefit accruals relating to the period of Qualified Military Service) provided under the Plan as if the Participant had resumed employment and then terminated employment on account of death. Moreover, the Plan will credit the Participant's Qualified Military Service as service for vesting purposes, as though the Participant had resumed employment under USERRA immediately prior to the Participant's death.

(K) **HEART Act Continued Benefit Accrual.** This Section 3.10(K) does not apply unless the Employer in Appendix B to its Adoption Agreement elects to apply such provisions. If this Section 3.10(K) applies, then for benefit accrual purposes, the Plan treats an individual who dies or becomes disabled while performing Qualified Military Service with respect to the Employer as if the individual had resumed employment in accordance with the individual's reemployment rights under USERRA, on the day preceding death or Disability (as the case may be) and terminated employment on the actual date of death or Disability.

(1) **Determination of benefits.** The Plan will determine the amount of Employee Contributions and the amount of Elective Deferrals of an individual treated as reemployed under this Section 3.10(K) for purposes of applying Code §414(u)(8)(C) on the basis of the individual's average actual Employee Contributions or Elective Deferrals for the lesser of: (a) the 12-month period of service with the Employer immediately prior to Qualified Military Service; or (b) the actual length of continuous service with the Employer.

## ARTICLE 4. LIMITATIONS AND TESTING

**4.01** ANNUAL ADDITIONS LIMIT. The amount of Annual Additions which the Plan Administrator may allocate under this Plan to a Participant's Account for a Limitation Year may not exceed the Annual Additions Limit.

**(A) Actions to Prevent Excess Amount.** If the Annual Additions the Plan Administrator otherwise would allocate under the Plan to a Participant's Account for the Limitation Year would exceed the Annual Additions Limit, the Plan Administrator will not allocate the Excess Amount, but instead will take any reasonable, uniform action the Plan Administrator determines necessary to avoid allocation of an Excess Amount. Such actions include, but are not limited to, those described in this Section 4.01(A). The Plan Administrator may apply this Section 4.01 in a manner which maximizes the allocation to a Participant of Employer Contributions (exclusive of the Participant's Elective Deferrals). Notwithstanding any contrary Plan provision, the Plan Administrator, for the Limitation Year, may: (1) suspend or limit a Participant's additional Employer Contributions or Elective Deferrals; (2) notify the Employer to reduce the Employer's future Plan contribution(s) as necessary to avoid allocation to a Participant of an Excess Amount; or (3) suspend or limit the allocation to a Participant of any Employer Contribution previously made to the Plan (exclusive of Elective Deferrals) or of any Participant forfeiture. If an allocation of Employer Contributions previously made (excluding a Participant's Elective Deferrals) or of Participant forfeitures would result in an Excess Amount to a Participant's Account, the Plan Administrator will allocate the Excess Amount to the remaining Participants who are eligible for an allocation of Employer Contributions for the Plan Year in which the Limitation Year ends. The Plan Administrator will make this allocation in accordance with the Plan's allocation method as if the Participant whose Account otherwise would receive the Excess Amount is not eligible for an allocation of Employer Contributions. If the Plan Administrator allocates to a Participant an Excess Amount, the Plan Administrator must dispose of the Excess Amount in accordance with Section 4.03.

**(B) Estimated and Actual Compensation.** Prior to the determination of the Participant's actual Compensation for the Limitation Year, the Plan Administrator may determine the Annual Additions Limit on the basis of the Participant's estimated annual Compensation for such Limitation Year. The Plan Administrator will make this determination on a reasonable and uniform basis for all Participants similarly situated. The Plan Administrator must reduce the allocation of any Employer Contribution (including the allocation of Participant forfeitures) based on estimated annual Compensation by any Excess Amounts carried over from prior years. As soon as is administratively feasible after the end of the Limitation Year, the Plan Administrator will determine the Annual Additions Limit on the basis of the Participant's actual Compensation for such Limitation Year.

**4.02** ANNUAL ADDITIONS LIMIT CODE §415 AGGREGATED PLANS.

**(A) Application of this Section.** This Section 4.02 applies only to Participants who, in addition to this Plan, participate in one or more Code §415 Aggregated Plans.

**(1) Definition of Code §415 Aggregated Plans.** Code §415 Aggregated Plans means 403(b) plans maintained by the Employer or a Predecessor Employer and which provide an Annual Addition during the Limitation Year.

**(B) Combined Plans Limitation.** The amount of Annual Additions which the Plan Administrator may allocate under this Plan to a Participant's Account for a Limitation Year may not exceed the Combined Plans Limitation.

**(1) Definition of Combined Plans Limitation.** The Combined Plans Limitation is the Annual Additions Limit, reduced by the sum of any Annual Additions allocated to the Participant's accounts for the same Limitation Year under the Code §415 Aggregated Plans.

**(2) Prevention.** If the amount the Employer otherwise would allocate to the Participant's Account under this Plan would cause the Annual Additions for the Limitation Year to exceed this Section 4.02(B) Combined Plans Limitation, the Employer will reduce the amount of its allocation to that Participant's Account in the manner described in Section 4.01, so the Annual Additions under all of the Code §415 Aggregated Plans for the Limitation Year will equal the Annual Additions Limit.

**(3) Correction.** If the Plan Administrator allocates to a Participant an amount attributed to this Plan under Section 4.02(D) which exceeds the Combined Plans Limitation, the Plan Administrator must dispose of the Excess Amount in accordance with Section 4.02(E).

**(C) Estimated and Actual Compensation.** Prior to the determination of the Participant's actual Compensation for the Limitation Year, the Plan Administrator may determine the Combined Plans Limitation on the basis of the Participant's estimated annual Compensation for such Limitation Year. The Plan Administrator will make this determination on a reasonable and uniform basis for all Participants similarly situated. The Plan Administrator must reduce the allocation of any Employer Contribution (including the allocation of Participant forfeitures) based on estimated annual Compensation by any Excess Amounts carried over from prior years. As soon as is administratively feasible after the end of the Limitation Year, the Plan Administrator will determine the Combined Plans Limitation on the basis of the Participant's actual Compensation for such Limitation Year. See Section 4.05(D) regarding the definition of Compensation.

**(D) Ordering Rules.** If a Participant's Annual Additions under this Plan and the Code §415 Aggregated Plans result in an Excess Amount, such Excess Amount will consist of the Amounts last allocated. If the Plan Administrator allocates an Excess Amount to a Participant on an allocation date of this Plan which coincides with an allocation date of another plan, unless the Employer specifies otherwise in an Appendix B to its Adoption Agreement, the Excess Amount attributed to this Plan will equal the product of: (1) the total Excess Amount allocated as of such date, multiplied by (2) the ratio of (a) the Annual Additions allocated to the Participant as of such date for the Limitation Year under the Plan to (b) the total Annual Additions allocated to the Participant as of such date for the Limitation Year under this Plan and the Code §415 Aggregated Plans.

**(E) Disposition of Allocated Excess Amount Attributable to Plan.** The Plan Administrator will dispose of any allocated Excess Amounts described in and attributed to this Plan under Section 4.02(D) as provided in Section 4.03.

**(F) Override.** The Employer in Appendix B to its Adoption Agreement may specify overriding provisions which will apply to satisfy the requirements of Code §415 and the applicable regulations if the Employer maintains more than one 403(b) plan.

**4.03 DISPOSITION OF EXCESS ANNUAL ADDITIONS.** If a Participant's Account exceeds the Annual Additions Limit for the Limitation Year, then the Plan Administrator will hold the Excess Amount in a separate account. The Excess Amount held in the separate account is includible in the Participant's gross income (to the extent vested) for the taxable year in which the Employer Contributions exceed the Annual Additions Limit. This separate account will be treated as a separate contract to which 403(c) (or another application provision of the Code) applies. Amounts in the separate account may be distributed at any time, notwithstanding any other provisions of the Plan.

**4.04 CONTROLLED EMPLOYER/QUALIFIED DEFINED CONTRIBUTION PLAN.**

**(A) Application of this Section.** If a Participant in a 403(b) Plan owns or controls more than 50% of another employer maintaining a 401(a) or 401(k) plan, the 403(b) Plan is a Defined Contribution Plan maintained both by the controlled employer and by the Participant. In applying the Annual Additions Limit, the Participant must aggregate the 403(b) Plan contributions with all other contributions he/she receives under any qualified 401(a) or 401(k) Defined Contribution Plan the controlled employer maintains.

**(B) Control.** For purposes of applying the Annual Additions Limit under Section (A), the Plan Administrator determines control under Code §§414(b) or 414(c), as modified by Code §415(h), in accordance with the rules of Treas. Reg. §1.415(f)-1(f).

**(C) Annual Additions.** For purposes of this Section, Annual Additions include the following amounts in addition to amounts described in Section 4.05: (1) amounts allocated to an individual medical account (as defined in Code §415(l)(2)) included as part of a pension or annuity plan maintained by the Employer; (2) contributions paid or accrued attributable to post-retirement medical benefits allocated to the separate account of a key-employee (as defined in Code §419A(d)(3)) under a welfare benefit fund (as defined in Code §419(e)) maintained by the Employer; and (3) allocations under a simplified employee pension (SEP) described in Code §408(k). However, the amounts described in (1) and (2) apply solely for purposes of the applying the dollar limitation of Section 4.05(B)(i) and do not apply for purposes of the percentage limitation of Section 4.05(B)(ii).

**(D) Annual Notice to Participants.** The Plan Administrator will provide written or electronic notice to Participants that explains the limitation in this Section 4.04 in a manner calculated to be understood by the average Participant and informs Participants of their responsibility to provide information to the Plan Administrator that is necessary to satisfy this Section. The notice will advise Participants that the application of the limitations in this Section will take into account information supplied by the Participant and that failure to provide necessary and correct information to the Plan Administrator could result in adverse tax consequences to the Participant, including the inability to exclude contributions to the Plan under Code §403(b). The notice will be provided annually, beginning no later than the later of (1) the year in which the Employee becomes a Participant, or (2) the first Plan Year which begins after the Employer adopts this document.

**4.05 DEFINITIONS: SECTIONS 4.01-4.04.** The following definitions apply for purposes of Sections 4.01 through 4.04, and supersede any contrary definitions in Article 1:

**(A) Annual Additions.** Annual Additions means the sum of the following amounts allocated to a Participant's Account for a Limitation Year: (1) Employer Contributions (including Elective Deferrals); (2) forfeitures; (3) Employee Contributions; and (4) Mandatory Employee Contributions.

(1) **Exclusions.** Annual Additions do not include: (a) Catch-Up Contributions; (b) Excess Deferrals which the Plan Administrator corrects by distribution by April 15 of the following calendar year; (c) designated IRA contributions; (d) Restorative Payments; (e) transfers to this Plan; (f) Rollover Contributions (as described in Code §§401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(e)(16)); (g) In-Plan Roth Rollovers, (h) Repayments of loans made to a Participant from the Plan; and (i) Repayments of amounts described in Code §411(a)(7)(B) (in accordance with Code §411(a)(7)(C)) and Code §411(a)(3)(D) or repayment of contributions to a governmental plan (as defined in Code §414(d)) as described in Code §415(k)(3), as well as Employer restorations of benefits that are required pursuant to such repayments.

(2) **Date of tax-exempt Employer Contributions.** Notwithstanding anything in the Plan to the contrary, Employer Contributions are treated as credited to a Participant's account for a particular Limitation Year only if the contributions are actually made to the Plan no later than the 15th day of the tenth calendar month following the end of the calendar year or fiscal year (as applicable, depending on the basis on which the Employer keeps its books) with or within which the particular Limitation Year ends.

**(B) Annual Additions Limit.** Annual Additions Limit means the lesser of: (i) \$40,000 (or, if greater, the \$40,000 amount as adjusted under Code §415(d)), or (ii) 100% of the Participant's Compensation for the Limitation Year. If there is a short Limitation Year because of a change in Limitation Year, the Plan Administrator will multiply the \$40,000 (as adjusted) limitation by the following fraction:

Number of months (or fractional parts thereof) in the short Limitation Year

12

The 100% Compensation limitation in clause (ii) above does not apply to any contribution for medical benefits within the meaning of Code §401(h) or Code §419A(f)(2) which otherwise is an Annual Addition.

(1) **Single plan treatment of 403(b) Plans.** For purposes of applying the Annual Additions Limit, the Plan Administrator must treat all 403(b) Plans (whether or not terminated) maintained by the Employer as a single plan.

(2) **Certain contributions treated as made to a Defined Contribution Plan.** Solely for purposes of Sections 4.01 through 4.04, the following contributions are treated as contributions to a Defined Contribution Plan: (i) mandatory employee contributions under Code §411(c)(2)(C) made to a Defined Benefit Plan maintained by the Employer, unless such contributions are "picked up" by the Employer under Code §414(h)(2); (ii) contributions to an individual medical account (as defined in Code §415(l)(2)) included as part of a Defined Benefit Plan or annuity plan under Code §401(h) maintained by the Employer; and (iii) a welfare benefit fund under Code §419(e) maintained by the Employer to the extent there are post-retirement medical benefits allocated to the separate account of a key employee (as defined in Code §419A(d)(3)).

**(C) Cessation of Affiliation.** A Cessation of Affiliation means the event that causes an entity to no longer be aggregated with one or more other entities as a single employer under the employer affiliation rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the employer under the employer affiliation rules of Treas. Reg. §§1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

**(D) Compensation.** Compensation means Includible Compensation and includes Deemed Includible Compensation and Post-Severance Compensation. Compensation includes Elective Deferrals, irrespective of whether the Employer has elected in its Adoption Agreement to include these amounts as Compensation under Section 1.11. No Compensation exclusions the Employer has elected in Question 10 to its Adoption Agreement apply for determining Includible Compensation.

(1) **"First few weeks rule."** If the Employer elects in Appendix B to its Adoption Agreement, the Plan Administrator on a uniform and consistent basis as to similarly situated Participants, will include in Compensation for Code §415 purposes Compensation earned in such Limitation Year but which, solely because of pay period and pay date timing, is paid in the first few weeks of the next following Limitation Year as described in Treas. Reg. §1.415(c)-2(e)(2). This Section 4.05(D)(1) applies to Code §415 testing Compensation but does not affect Compensation for allocation purposes.

(2) **Differential Wage Payment.** The Plan treats a Differential Wage Payment to an Employee as Compensation for purposes of application of the Annual Additions Limit.

**(E) Employer.** Employer means the Signatory Employer and any Related Employer. Solely for purposes of applying the Annual Additions Limit, the Plan Administrator will determine Related Employer status by modifying Code §§414(b) and (c) in accordance with Code §415(h) and Treas. Reg. §1.415(a)-1(f)(1) and will take into account tax-exempt organizations under Treas. Reg. §1.414(c)-5. For purposes of the limitation of Section 4.04(A), the Employer includes the controlled employer described in Section 4.04.

**(F) Excess Amount.** Excess Amount means the excess of the Participant's Annual Additions for the Limitation Year over the Annual Additions Limit.

**(G) Formerly Affiliated Plan.** Formerly Affiliated Plan means a plan that, immediately prior to the Cessation of Affiliation, was actually maintained by one or more of the entities that constitute the Employer (as determined under the employer affiliation rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2)), and immediately after the cessation of affiliation, is not actually maintained by any of the entities that constitute the Employer (as determined under the employer affiliation rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2)).

**(H) Limitation Year.** See Section 1.45.

**(I) Predecessor Employer.** Predecessor Employer means a former employer with respect to a participant in a plan maintained by an employer if the employer maintains a plan under which the participant had accrued a benefit while performing services for the employer, but only if that benefit is provided under the plan maintained by the employer. For this purpose, the formerly affiliated plan rules in Treas. Reg. §1.415(f)-1(b)(2) apply as if the Employer and Predecessor Employer constituted a single employer under the rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2) immediately prior to the Cessation of Affiliation (and as if they constituted two, unrelated employers under the rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2) immediately after the Cessation of Affiliation) and Cessation of Affiliation was the event that gives rise to the predecessor employer relationship, such as a transfer of benefits or plan sponsorship. With respect to an Employer of a Participant, a former entity that antedates the Employer is a Predecessor Employer with respect to the Participant if, under the facts and circumstances, the Employer constitutes a continuation of all or a portion of the trade or business of the former entity.

**(J) Restorative Payment.** A Restorative Payment means a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where Participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are Restorative Payments only if the payments are made in order to restore some or all of the Plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). This includes payments to the Plan made pursuant to a court-approved settlement, to restore losses to the Plan on account of the breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not Restorative Payments and generally constitute contributions that are considered Annual Additions.

4.10 403(b) TESTING. The Plan Administrator will test Elective Deferrals and Employee Contributions under the Plan, in accordance with this Section 4.10.

**(A) Annual Elective Deferral Limitation.** A Participant's Elective Deferrals for a Taxable Year may not exceed the Elective Deferral Limit. Qualified Organization Catch-up Deferrals and Age 50 Catch-up Deferrals are not subject to the Elective Deferral Limit. See Sections 3.02(D) and (E).

(1) **Definition of Elective Deferral Limit.** The Elective Deferral Limit is the Code §402(g) limitation on each Participant's Elective Deferrals for each Taxable Year as defined in Section 4.10(A)(3). If the Participant's Taxable Year is not a calendar year, the Plan Administrator must apply the Code §402(g) limitation in effect for the calendar year in which the Participant's Taxable Year begins.

(2) **Definition of Excess Deferral.** A Participant's Excess Deferral is the amount of Elective Deferrals for a Taxable Year which exceeds the Elective Deferral Limit.

(3) **Elective Deferral Limit.** The Elective Deferral Limit is the amount as in effect under Code §402(g) (\$18,000 in 2017), subject to adjustment by the IRS in multiples of \$500 under Code §402(g)(4). However, in no event shall a Participant's Elective Deferrals exceed the Participant's Compensation for the Taxable Year.

(4) **Suspension after reaching limit.** If, pursuant to a Salary Reduction Agreement, the Employer determines a Participant's Elective Deferrals to the Plan for a Taxable Year would exceed the Elective Deferral Limit, the Employer will suspend the Participant's Elective Deferrals under his/her Salary Reduction Agreement, if any, until the following January 1 and will pay to the Participant in cash the portion of the Elective Deferrals which would result in the Participant's Elective Deferrals for the Taxable Year exceeding the Elective Deferral Limit.

(5) **Correction.** If the Plan Administrator determines a Participant's Elective Deferrals already contributed to the Plan for a Taxable Year exceed the Elective Deferral Limit, the Plan Administrator will distribute the Excess Deferrals as adjusted for Allocable Income, no later than April 15 of the following Taxable Year (or if later, the date permitted under Code §§7503 or 7508A).

(6) **415 interaction.** If the Plan Administrator distributes the Excess Deferrals by the April 15 deadline under Section 4.10(A)(5), the Excess Deferrals are not an Annual Addition under Section 4.05, and the Plan Administrator may make the distribution irrespective of any other provision under this Plan or under the Code. Elective Deferrals distributed to a

Participant as an Excess Amount in accordance with Section 4.03 are not taken into account in determining the Participant's Elective Deferral Limit.

(7) **More than one plan.** If a Participant participates in another plan subject to the Code §402(g) limitation under which he/she makes elective deferrals pursuant to a 401(k) Plan, elective deferrals under a SARSEP, elective contributions under a SIMPLE IRA or salary reduction contributions to a 403(b) plan (irrespective of whether the Employer maintains the other plan), the Participant may provide to the Plan Administrator a written claim for Excess Deferrals made to the Plan for a Taxable Year. The Participant must submit the claim no later than the March 1 following the close of the particular Taxable Year and the claim must specify the amount of the Participant's Elective Deferrals under this Plan which are Excess Deferrals. The Plan Administrator may require the Participant to provide reasonable evidence of the existence of and the amount of the Participant's Excess Deferrals. If the Plan Administrator receives a timely claim which it approves, the Plan Administrator will distribute the Excess Deferrals (as adjusted for Allocable Income under Section 4.11(B)(1)) the Participant has assigned to this Plan, in accordance with this Section 4.10(A). If a Participant has Excess Deferrals because of making Elective Deferrals to this Plan and other plans of the Employer (but where the Elective Deferral Limit is not exceeded based on Deferrals to any single plan), the Participant for purposes of this Section 4.10(A)(7) is deemed to have notified the Plan Administrator of this Plan of the Excess Deferrals.

(8) **Roth and Pre-Tax Deferrals.** If a Participant who will receive a distribution of Excess Deferrals, in the Taxable Year for which the corrective distribution is made, has contributed both Pre-Tax Deferrals and Roth Deferrals, the Plan Administrator operationally will determine the Elective Deferral Account source(s) from which it will direct the Vendor to make the corrective distribution. The Plan Administrator also may permit the affected Participant to elect the source(s) from which the Vendor will make the corrective distribution. However, the amount of a corrective distribution of Excess Deferrals to any Participant from the Pre-Tax Deferral or Roth Deferral sources under this Section 4.10(A)(8) may not exceed the amount of the Participant's Pre-Tax Deferrals or Roth Deferrals for the Taxable Year of the correction.

(B) [Reserved]

(C) [Reserved]

**4.11** DEFINITIONS: SECTION 4.10. For purposes of Section 4.10:

(A) [Reserved]

(B) **Allocable Income.** Allocable Income means as follows:

(1) **Excess Deferrals.** For purposes of making a distribution of Excess Deferrals pursuant to Section 4.10(A), Allocable Income means Earnings allocable to the Excess Deferrals for the Taxable Year in which the Participant made the Excess Deferral.

(a) **Reasonable or alternative (pro rata) method.** To calculate such Allocable Income for the Taxable Year, the Plan Administrator will use: (i) a uniform method which reasonably reflects the manner used by the Plan Administrator to allocate Earnings to Participants' Accounts; or (ii) the "alternative method" under Treas. Reg. §1.402(g)-1(e)(5)(iii). See Section 4.11(B)(2)(a) as to the alternative method except the Plan Administrator will apply such modifications as are necessary to determine Taxable Year Allocable Income with respect to the Excess Deferrals.

**ARTICLE 5. VESTING**

**5.01** NORMAL/EARLY RETIREMENT AGE. The Employer in its Adoption Agreement must specify the Plan's Normal Retirement Age. If the Employer fails to specify the Plan's Normal Retirement Age in its Adoption Agreement, the Employer is deemed to have elected age 65 as the Plan's Normal Retirement Age. The Employer in its Adoption Agreement may specify an Early Retirement Age. A Participant's Account Balance derived from Employer Contributions is 100% Vested upon and after his/her attaining Normal Retirement Age (or if elected in the Adoption Agreement, Early Retirement Age) if the Participant is employed by the Employer on or after that date and regardless of the Participant's Years of Service for vesting or the Employer's Adoption Agreement elected vesting schedules.

**5.02** PARTICIPANT DEATH OR DISABILITY. If the Employer elects in its Adoption Agreement, a Participant's Account Balance derived from Employer Contributions is 100% Vested if the Participant's Severance from Employment is a result of his/her death or his/her Disability.

**5.03** VESTING SCHEDULE.

**(A) General.** Except as provided in Sections 5.01 and 5.02, for each Year of Service as described in Section 5.05, a Participant's Vested percentage of his/her Account Balance derived from Nonelective Contributions and Matching Contributions equals the percentage under the appropriate vesting schedule the Employer has elected in its Adoption Agreement.

(1) **Election of different schedules.** Unless the Employer in its Adoption Agreement elects otherwise, the vesting schedule for Nonelective Contributions will be the same vesting schedule as for Matching Contributions.

**(B) Vesting Schedules.**

(1) **In General.** Employer Contributions will vest in accordance with the Employer's Adoption Agreement election. The Employer may elect to provide immediate 100% vesting, "3-year cliff," "6-year graded," or a modified vesting schedule. The vesting schedule must be at least as rapid as a 15-year cliff (or a 20-year cliff for a group of employees limited to qualified public safety employees defined in Code §72(t)(10)(B)) or a 5 to 20 year graded vesting schedule. For purposes of the Employer's elections under its Adoption Agreement, "6-year graded," or "3-year cliff" means an Employee's Vested percentage, based on each included Year of Service, under the following applicable schedule:

<b>6-year graded</b>	<b>3-year cliff</b>
0-1 year / 0%	0-2 years / 0%
2 years / 20%	3 years / 100%
3 years / 40%	
4 years / 60%	
5 years / 80%	
6 years / 100%	

**(C) Vesting Formula.** If the Vendor makes a distribution to a Participant from an Account which is not fully Vested, and the Participant has not incurred a Forfeiture Break in Service, the provisions of this Section 5.03(C) apply to the Participant's Account Balance.

(1) **"Grossed Up" formula.** At any relevant time following the distribution, the Plan Administrator will determine the Participant's Vested Account Balance derived from Employer Contributions in accordance with the following formula:  $P(AB + D) - D$ . To apply this formula, "P" is the Participant's current vesting percentage at the relevant time, "AB" is the Participant's Employer-derived Account Balance at the relevant time and "D" is the amount of the earlier distribution. If, under a Restated Plan, the Plan has made distribution to a partially-Vested Participant prior to its restated Effective Date, this special vesting formula also applies to that Participant's remaining Account Balance.

(2) **Alternative separate account formula.** The Employer, in Appendix B to its Adoption Agreement, may elect to use the alternative formula. If the Employer elects to use the alternative formula, then the Plan Administrator will establish a separate account for the Participant's Account Balance at the time of the distribution. At any relevant time following the distribution, the Plan Administrator will determine the Participant's Vested Account Balance in such separate account derived from Employer contributions in accordance with the following formula:  $P(AB + (R \times D)) - (R \times D)$ . For purposes of this alternative formula, the terms in the preceding Paragraph have the same meaning and "R" is the ratio of "AB" to the Participant's Employer-derived Account Balance immediately following the earlier distribution.

(3) **Application to Nonelective/Matching.** If necessary, the Plan Administrator will determine the Participant's Vested Account Balance for the Participant's Matching Contributions and the Participant's Employer Nonelective Contributions separately.

**(D) Special Vesting Elections.** The Employer in its Adoption Agreement may elect other specified vesting provisions.

**(E) Fully Vested Amounts.** A Participant is 100% Vested in all Accounts which are attributable to Elective Deferrals, Employee Contributions, QNECs, Mandatory Employee Contributions, Nonelective Contributions to former Employees under Section 3.04(D), and Rollover Contributions.

**(F) Mergers/Transfers.** A merger or transfer of assets from another 403(b) Plan to this Plan does not result, solely by reason of the merger or transfer, in 100% vesting of the merged or transferred assets. The Plan Administrator operationally will determine in the case of a merger or other transfer to the Plan whether: (1) to vest immediately all transferred assets; (2) to vest the transferred assets in accordance with the Plan's vesting schedule applicable to the contribution type being transferred; or (3) to vest the transferred assets in accordance with the transferor plan's vesting schedule(s) applicable to the contribution types being transferred, as such schedules existed on the date of the transfer. The Employer may elect to record such information in its Adoption Agreement as a special Vesting Election.

**5.04** [RESERVED]

**5.05** YEAR OF SERVICE – VESTING. For purposes of this Article 5, the following definitions and operational rules apply:

**(A) Definition of Year of Service.** A Year of Service, for purposes of determining a Participant's vesting under Section 5.03, means a Vesting Computation Period during which an Employee completes the number of Hours of Service the Employer specifies in its Adoption Agreement, without regard to whether the Employer continues to employ the Employee during the entire Vesting Computation Period.

**(B) Definition of Vesting Computation Period.** A Vesting Computation Period is a 12-consecutive month period the Employer elects in its Adoption Agreement.

**(C) Counting Years of Service.** For purposes of a Participant's Vesting in the Plan, the Plan counts all of an Employee's Years of Service except:

(1) **Forfeiture Break in Service; Cash-Out.** For the sole purpose of determining a Participant's Vested percentage of his/her Account Balance derived from Employer Contributions which accrued for his/her benefit prior to a Forfeiture Break in Service or receipt of a Cash-Out Distribution, the Plan disregards any Year of Service after the Participant first incurs a Forfeiture Break in Service or receives a Cash-out Distribution.

(2) **Other exclusions.** Any Year of Service the Employer elects to exclude under its Adoption Agreement, including service during any period for which the Employer did not maintain the Plan or a predecessor plan.

**(D) Elapsed Time.** If the Employer in its Adoption Agreement elects to apply the Elapsed Time Method in applying the Plan's vesting schedule, the Plan Administrator will credit service in accordance with Section 1.40(D)(3).

**5.06** BREAK IN SERVICE AND FORFEITURE BREAK IN SERVICE – VESTING. For purposes of this Article 5, the following definitions and operational rules apply:

**(A) Definition of Break in Service.** A Participant incurs a Break in Service if during any Vesting Computation Period he/she does not complete more than 500 Hours of Service. The Plan Administrator may disregard a Break in Service for a Vesting Computation Period if the Employee is in service on the last day of that period. If the Plan applies the Elapsed Time Method of crediting Service, a Participant incurs a Break in Service if the Participant has a Period of Severance of at least 12 consecutive months. If, pursuant to Section 5.05, the Plan does not require more than 500 Hours of Service to receive credit for a Year of Service, a Participant incurs a Break in Service in a Vesting Computation Period in which he/she fails to complete a Year of Service.

**(B) Definition of Forfeiture Break in Service.** Unless otherwise elected in the Adoption Agreement, a Participant incurs a Forfeiture Break in Service when he/she incurs five consecutive Breaks in Service.

**(C) Adoption Agreement provisions.** The Employer may specify, in Appendix B to its Adoption Agreement, one or more years or other periods of service which the Plan will disregard for purposes of vesting, based on Separation from Service, Breaks in Service, or Forfeiture Breaks in Service.

**5.07** FORFEITURE OCCURS.

**(A) Timing.** A Participant's forfeiture of his/her non-Vested Account Balance derived from Employer Contributions occurs under the Plan on the earlier of:

(1) **Forfeiture Break.** The last day of the Vesting Computation Period in which the Participant first incurs a Forfeiture Break in Service; or

(2) **Separation.** As soon as reasonably practical after the date the Participant severs employment.

**(B) Vesting Schedule/Lost Participants.** The Plan Administrator determines the percentage of a Participant's Account Balance forfeiture, if any, under this Section 5.07 solely by reference to the vesting schedule the Employer elected in its Adoption Agreement. A Participant does not forfeit any portion of his/her Account Balance for any other reason or cause except as expressly provided by this Section 5.07 or as provided under Section 7.07.

**5.08** [RESERVED]

**5.09** TREATMENT OF NONVESTED AMOUNTS. All Employer Contributions for a Participant, to the extent not vested, will be credited to a separate account for recordkeeping purposes and treated as made to a contract to which Code §403(c) (or another applicable provision of the Code) applies. On or after the date on which the Participant's interest in the separate account becomes nonforfeitable, the contract shall be treated as a Code §403(b) Annuity Contract if: (1) no election has been made under Code §83(b) with respect to the contract; (2) the Participant's interest in the separate account has been subject to a substantial risk of forfeiture before becoming nonforfeitable; (3) contributions subject to different vesting schedules have been maintained in separate accounts; and (4) the separate account at all times satisfied the requirements of Code §403(b) except for the nonforfeitable requirement in Code §403(b)(1)(C). If only a portion of the Participant's interest in a separate account becomes nonforfeitable in a year, then that portion of the contract will be considered a Code §403(b) Annuity Contract and the remaining forfeitable portion will be considered a separate contract to which Code §403(c) (or another applicable provision of the Code) applies. Each contribution (and Earnings thereon) that is subject to a different vesting schedule must be maintained in a separate account for the Participant. The phrase "separate account" used in this Section refers to recordkeeping entries, and does not require the maintenance of a separate account or Annuity Contract.

**5.10** EMPLOYEE CONTRIBUTIONS. A Participant who is either fully or partially vested in his or her Employer Contributions will not forfeit any of those contributions merely as the result of a distribution of all or any portion of the Participant's Employer Contributions.

## ARTICLE 6. DISTRIBUTIONS

**6.01 TIMING OF DISTRIBUTION.** Except as otherwise provided in Section 6.01(A), if the Participant is entitled to a distribution, the Vendor will commence distribution of a Participant's Vested Account Balance in accordance with this Article 6 after the Participant's request on a form prescribed by the Plan or the Vendor. The Vendor may make Plan distributions on any administratively practicable date during the Plan Year, consistent with the Investment Arrangement Documentation.

**(A) Relationship between Plan and Investment Arrangement Documentation.** This Article 6, together with the corresponding Adoption Agreement elections applies to set forth the permissible distributable events and timing. If the Documentation for a particular Investment Arrangement does not provide for a particular distributable event, then such a distribution is unavailable from that Investment Arrangement. For example, if the Plan allows for hardship distributions, and all Investment Arrangements under the Plan except one permit hardship distributions, then hardship distributions are not available from that one Investment Arrangement. By contrast, if the Plan does not allow hardship distributions, then they are not available under any Investment Arrangement in the Plan, regardless of the Investment Arrangement Documentation. Any distribution is subject to the terms of the applicable Investment Arrangement Documentation.

**(B) Entitlement to distribution.** A Participant is entitled to a distribution after Severance of Employment at the time specified in the Investment Arrangement Documentation, or, if later, the time specified in the Adoption Agreement. If the Investment Arrangement Documentation does not specify the timing of distributions after Severance of Employment, the Participant is entitled to a distribution within an administratively reasonable period following Severance of Employment. The failure of a Participant to request a distribution shall be deemed to be an election to defer a distribution. The Plan will make distributions following the Participant's death in accordance with Section 6.01(C). A Participant is entitled to a distribution prior to Severance of Employment under the rules of Section 6.01(D) in accordance with the Employer's elections in the Adoption Agreement. However, the Plan will not make a distribution which would violate Section 6.01(E).

**(C) Distribution upon Death.** In the event of the Participant's death (whether death occurs before or after Severance from Employment), the Plan Administrator will direct the Vendor, in accordance with this Section 6.01(C) and subject to Section 6.02, to distribute to the Participant's Beneficiary the Participant's Vested Account Balance remaining in the Investment Arrangement at the time of the Participant's death.

(1) **Single payment.** If the Participant's Vested Account Balance does not exceed \$5,000, the Vendor will distribute the balance without regard to Section 6.04. The distribution will be made in a lump sum (which will be a Cash-Out Distribution if the Participant's Account Balance is not 100% Vested on death) unless the Plan's distribution form provides otherwise. If the Participant's Vested Account Balance exceeds \$5,000, the Vendor will distribute the balance subject to Sections 6.02, 6.03, and 6.04.

**(D) In-Service Distribution.** The Employer in its Adoption Agreement must elect the distribution election rights, if any, a Participant has prior to his/her Severance from Employment ("in-service distribution").

(1) **Vesting/other conditions.** If a Participant receives an in-service distribution as to a partially-Vested Account, and the Participant has not incurred a Forfeiture Break in Service, the Plan Administrator will apply the vesting provisions of Section 5.03(C). The Employer in its Adoption Agreement may elect to limit any in-service distribution only to Participants who are 100% vested or to apply other conditions.

(2) **Participant election.** A Participant must make any permitted in-service distribution election under this Section 6.01(D) in writing and on a form prescribed by the Plan or the Vendor which specifies the percentage or dollar amount of the distribution and the Participant's Plan Account to which the election applies.

(3) **Frequency, timing and form.** The Investment Arrangement Documentation may limit the frequency, timing, and form of in-service distributions.

(4) **Hardship.** See Section 6.07 regarding requirements for distributions based on hardship.

(5) **Rollover Contributions; Employee Contributions.** A Participant may elect to receive an in-service distribution of his/her Accounts attributable to Rollover Contributions and Employee Contributions subject to Sections 6.01(D)(2) and (3), except as the Employer provides otherwise in Appendix B to its Adoption Agreement. Distribution of a Rollover Contribution or Employee Contribution is subject to Section 6.04 if Section 6.04 otherwise applies to the Participant.

(6) **Distribution events for non-Elective Deferral Accounts in Annuity Contracts.** The Employer in its Adoption Agreement may elect to permit an in-service distribution of any Account in an Annuity Contract other than an Elective Deferral Account upon a Participant's attainment of a stated age, after a fixed number of years, or based on some other specified event. Such amounts are not Restricted Balances unless such amounts are QNEC Accounts.

(7) **In-Plan Roth Rollover Contributions.** Except as otherwise elected in Appendix B to the Adoption Agreement, if the Employer in its Adoption Agreement elects under Section 3.08(E) to permit In-Plan Roth Rollover Contributions, (a) all Accounts (except a Roth Account) from which the Participant could then receive a distribution are eligible for an In-Plan Roth Rollover attributable to otherwise distributable amounts; (b) all Accounts (except a Roth Account) which may not be distributed are eligible for an In-Plan Roth Rollover attributable to otherwise nondistributable amounts; (c) a Participant may distribute and roll over his/her Plan loan in an In-Plan Roth Rollover, but without changing the loan repayment schedule; (d) any amount may be distributed in an In-Plan Roth Rollover with no minimum; (e) a Participant may receive In-Service Distributions from his/her In-Plan Roth Rollover Account under the same conditions as the Participant's Roth Elective Deferral Account; and (f) In-Service Distributions which are eligible for an In-Plan Roth Rollover are limited to those which are available for other types of distributions. If the Employer in Appendix B to its Adoption Agreement provides for In-Service Distributions which are limited to In-Plan Roth Rollovers, the Employer in Appendix B to its Adoption Agreement may permit distribution of an additional amount solely for the purpose of federal or state income tax withholding for the Participant's anticipated tax obligations regarding the amount includible in the Participant's gross income by reason of the In-Plan Roth Rollover (and the amount withheld for income taxes). The Plan Administrator may limit the amount of the 100% withholding distribution to the amount the Plan Administrator reasonably determines is sufficient to satisfy the Participant's federal and/or state income tax liability relating to the Plan distribution. This Section 6.01(D)(7), other than clause (b), is effective no sooner than September 28, 2010. Clause (b) is effective no earlier than January 1, 2013.

(8) **EACA permissible withdrawal.** If the Employer maintains the Plan as an EACA as defined under Section 3.02(B) and the Employer elects in its Adoption Agreement to allow permissible withdrawals, a Participant who has Automatic Deferrals under the EACA may elect to withdraw all the Automatic Deferrals (and allocable Earnings) as a permissible withdrawal. However, if the Employer elects in its Adoption Agreement to limit the group of Participants who are eligible for the permissible withdrawal, only a Participant who is a member of that eligible group may make the election to withdraw, in accordance with the provisions of Section 3.02(B)(2).

(9) **Pre-2009 Annuity Contracts.** If an Annuity Contract an Insurance Company issued before January 1, 2009 provides for In-Service Distributions other than those described in the Adoption Agreement, then amounts held in that Annuity Contract may only be distributed in-service in accordance with its terms.

(10) **Qualified Reservist Distribution ("QRD").** The Employer in its Adoption Agreement may elect to permit in-service distribution of Elective Deferrals as a Qualified Reservist Distribution, or QRD. A QRD means a qualified reservist distribution as defined under Code §72(t)(2)(G)(iii). A QRD is any distribution to an individual who is ordered or called to active duty after September 11, 2001, if: (A) the distribution is from the Elective Deferral Account; (B) the individual was (by reason of being a member of a reserve component, as defined in section 101 of title 37, United States Code) ordered or called to active duty for a period in excess of 179 days or for an indefinite period; and (C) the Plan makes the distribution during the period beginning on the date of such order or call, and ending at the close of the active duty period.

**(E) 403(b) Distribution Restrictions (other than those described in (D)(6) above).**

(1) **Limitation.** A Participant may not receive a distribution of the Participant's Restricted Balances except in the event of: (a) the Participant's death, Disability, Severance of Employment or attainment of age 59 1/2; (b) except with regard to Employer Contributions under a Custodial Account and QNECs, hardship in accordance with Section 6.07; (c) Plan termination, as provided for in Section 9.05, (d) Excess Deferrals described in Section 4.10(A)(2), (e) corrective distributions under Article 4 or Section 7.08, or otherwise permitted by the Code, or (f) as may otherwise be provided by law and in IRS Guidance. This limitation will be applied in conformance with Treas. Reg. §§1.403(b)-6(c) and (d). Also see Sections 6.05 relating to domestic relations orders and 7.05(G) relating to IRS levies.

(2) **Definition of "Restricted Balances."** A Participant's Restricted Balances are the Participant's Elective Deferral Account under an Annuity Contract, all Accounts under a Custodial Account (or transferred from a Custodial Account) and QNEC Account. Restricted balances do not include (a) Employer Contribution Accounts in an Annuity Contract which were not transferred from a Custodial Account; or (b) any Accounts consisting of Employee Contributions or Rollover Contributions and Earnings thereon; or (c) pre-1989 Elective Deferral contributions and pre-1989 earnings thereon to an Annuity Contract that are separately accounted for.

**(F) Mandatory Distributions.** The Employer in its Adoption Agreement may elect to have the Plan make Mandatory Distributions. A Mandatory Distribution is a Plan-required distribution to or for a Participant without the Participant's consent upon Severance from Employment, other than a distribution based on the Participant's death or on account of plan termination. A Mandatory Distribution may not exceed the amount the Employer elects in its Adoption Agreement or such lesser amount that may be specified in the Investment Arrangement. In applying the elected Mandatory Distribution amount, the Plan Administrator will include or exclude a Participant's Rollover Contributions Account as the Employer elects in its Adoption Agreement. A Mandatory Distribution does not include the remaining balance of any installment distribution which has already commenced. The Employer will notify the Vendor within a reasonable period of time of each Participant's Severance from Employment. The Vendor, upon notification by the Employer, will distribute a Participant's Mandatory Distribution in a lump sum within a

reasonable period of time after notification by the Employer of the Participant's Severance from Employment. The provisions of this Section 6.01(F) do not impair the Participant's right to receive a distribution of the Participant's Vested Account Balance under other Plan provisions prior to receipt of the Mandatory Distribution. If the Vendor Documentation provides for Mandatory Distributions, those provisions shall apply to Investment Arrangements held by the Vendor as though elected by the Employer in its Adoption Agreement. See Section 6.08 regarding direct rollovers and automatic rollovers.

**(G) FICA Replacement ("3121") Plan Contributions.** If this election applies in the Adoption Agreement, prior to Death or Severance from Employment, distributions (including hardships) may not be made from the Participant's Account Balance that is attributable to the amounts contributed to satisfy the FICA replacement contributions (7.5% of the Participant's Compensation up to the applicable year's Taxable Wage Base).

**6.02 REQUIRED MINIMUM DISTRIBUTIONS.** The Plan will comply with the minimum distribution requirements of Code §401(a)(9) in accordance with the terms governing each Investment Arrangement, unless and to the extent otherwise permitted by law and in regulations or other rules of general applicability published by the IRS. For purposes of applying the distribution rules of Code §401(a)(9), each Investment Arrangement is treated as an individual retirement account (IRA) and distributions shall be made in accordance with the provisions of Treas. Reg. §1.408-8, except as provided in Treas. Reg. §1.403(b)-6(e). "RMD" refers to a required minimum distribution amount the Plan must distribute pursuant to those rules.

**6.03 METHOD OF DISTRIBUTION.** Subject to any contrary requirements imposed by the Plan or the Adoption Agreement, a Participant or a Beneficiary may elect distribution under any method permitted in the Investment Agreement Documentation. If the Investment Agreement Documentation does not specify, the Participant or Beneficiary may elect to receive payment in the method or methods specified in the Adoption Agreement. If the Participant receives an annuity, the annuity must be nontransferable and otherwise must comply with the Plan terms. This Section 6.03 does not apply to the extent provided in Section 6.01(A).

**(A) Account Types/Sourcing Elections.** Subject to the Vendor's record keeping requirements, if a Participant who will receive a partial distribution of his/her Plan Account has both a Roth Deferral Account (or some other Account with tax basis) and one or more pre-tax Accounts including a Pre-Tax Deferral Account, the Plan operationally will determine the Account source(s) from which the Vendor will make the distribution. The Plan also may permit the affected Participant to elect the Account source(s) of the Participant's distribution unless such elections are contrary to the Code or the Vendor's record keeping requirements. This Section (A) as to election of Account sources from among multiple sources does not apply to the extent that a Participant is eligible under the Plan terms to receive a distribution only from one specific Account source.

**6.04 ANNUITY DISTRIBUTIONS TO PARTICIPANTS AND TO SURVIVING SPOUSES.**

**(A) Qualified Joint and Survivor Annuity (QJSA).** This Section 6.04 does not apply unless the Employer chooses to apply some or all of it in the Adoption Agreement. If this Section does apply, the Vendor will distribute a married or unmarried Participant's Vested Account Balance in the form of a QJSA (or in the form of a QOSA described in Section 6.04(A)(8)), unless the Participant, and spouse if the Participant is married, waive the QJSA in accordance with this Section 6.04(A).

(1) **Definition of QJSA if married.** If, as of the Annuity Starting Date, the Participant is married (even if the Participant has not been married throughout the one year period ending on the annuity starting date), a QJSA is an immediate annuity which is purchasable with the Participant's Vested Account Balance and which provides a life annuity for the Participant and a survivor annuity payable for the remaining life of the Participant's surviving spouse equal to at least 50% of the amount of the annuity payable during the life of the Participant.

(2) **Definition of QJSA if not married.** If, as of the Annuity Starting Date, the Participant is not married, a QJSA is an immediate life annuity for the Participant which is purchasable with the Participant's Vested Account Balance.

(3) **Modification of QJSA benefit.** An individual Investment Arrangement or the Employer in Appendix B to its Adoption Agreement may specify a different percentage (more than 50% but not exceeding 100%) for the survivor annuity.

(4) **Definitions of life/survivor annuity.** A life annuity means an annuity payable to the Participant in equal installments for the life of the Participant that terminates upon the Participant's death. A survivor annuity means an annuity payable to the Participant's surviving spouse in equal installments for the life of the surviving spouse that terminates upon the death of the surviving spouse.

(5) **QJSA notice/timing.** At least 30 days and not more than 180 days before the Participant's Annuity Starting Date, the Plan must provide the Participant a written explanation of the terms and conditions of the QJSA, the Participant's right to make, and the effect of, an election to waive the QJSA benefit, the rights of the Participant's spouse regarding the waiver election and the Participant's right to make, and the effect of, a revocation of a waiver election.

(6) **Waiver frequency and timing.** The Plan does not limit the number of times the Participant may revoke a waiver of the QJSA or make a new waiver during the election period. The Participant (and his/her spouse, if the Participant is married), may revoke an election to receive a particular form of benefit at any time until the Annuity Starting Date.

(7) **Married Participant waiver.** A married Participant's QJSA waiver election is not valid unless: (a) the Participant's spouse (to whom the survivor annuity is payable under the QJSA), after the Participant has received the QJSA notice, has consented in writing to the waiver election, the spouse's consent acknowledges the effect of the election, and a notary public or the Plan Administrator (or his/her representative) witnesses the spouse's consent; (b) the spouse consents to the alternative form of payment designated by the Participant or to any change in that designated form of payment; and (c) unless the spouse is the Participant's sole primary Beneficiary, the spouse consents to the Participant's Beneficiary designation or to any change in the Participant's Beneficiary designation.

(a) **Effect of spousal consent/blanket waiver.** The spouse's consent to a waiver of the QJSA is irrevocable, unless the Participant revokes the waiver election. The spouse may execute a blanket consent to the Participant's future payment form election or Beneficiary designation, if the spouse acknowledges the right to limit his/her consent to a specific designation but, in writing, waives that right.

(b) **Spousal consent not required.** The Plan will accept as valid a waiver election which does not satisfy the spousal consent requirements if it is established to the satisfaction of the Plan Administrator that: (i) the Participant does not have a spouse, (ii) the spouse cannot be located, (iii) the Participant is legally separated or has been abandoned (within the meaning of applicable state law) and the Participant has a court order to that effect, or (iv) other circumstances exist under which ERISA excuses the spousal consent requirement (even though the Plan is not subject to ERISA). If the Participant's spouse is legally incompetent to give consent, the spouse's legal guardian (even if the guardian is the Participant) may give consent.

(8) **Qualified Optional Survivor Annuity (QOSA).** A Participant who elects to waive the QJSA form of benefit is entitled to elect the QOSA at any time during the applicable QJSA election period. The QJSA notice will explain the terms and conditions of the QOSA. The QJSA provisions of Section 6.04(A) apply to a QOSA the Participant elects pursuant to this Section 6.04(A)(8).

(a) **Definition of QOSA.** A QOSA is an Annuity Contract: (i) for the life of the Participant with a Survivor Annuity for the life of the spouse which is equal to the Applicable Percentage of the amount of the annuity which is payable during the joint lives of the Participant and the spouse; and (ii) which is the actuarial equivalent of a single annuity for the life of the Participant. A QOSA also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(b) **Definition of Applicable Percentage.** For purposes of this Section 6.04(A)(8), the Applicable Percentage is based on the Survivor Annuity percentage under the Plan's QJSA. If the Survivor Annuity percentage is less than 75%, then the Applicable Percentage is 75%. If the Survivor Annuity percentage is greater than or equal to 75%, the Applicable Percentage is 50%.

(c) **No spousal consent requirement for QOSA.** A Participant may elect a QOSA without spousal consent.

**(B) Qualified Preretirement Survivor Annuity (QPSA).** If a married Participant dies prior to his/her Annuity Starting Date, the Plan Administrator will direct the Vendor to distribute a portion of the Participant's Vested Account Balance to the Participant's surviving spouse in the form of a QPSA, unless the Participant has a valid waiver election in effect or unless the Participant and his/her spouse were not married throughout the one year period ending on the date of the Participant's death.

(1) **Definition of QPSA.** A QPSA is an annuity which is purchasable with 50% of the Participant's Vested Account Balance (determined as of the date of the Participant's death) and which is payable for the life of the Participant's surviving spouse.

(2) **Modification of QPSA.** An individual Investment Arrangement or the Employer in its Adoption Agreement may elect not to apply the one-year marriage rule requirement as described in Section 6.04(H) or may specify a different percentage (more than 50% but not exceeding 100%) for the QPSA.

(3) **Ordering rule.** The value of the QPSA is attributable to Employer Contributions, to Pre-Tax Deferrals, and to Roth Deferrals in the same proportion as the Participant's Vested Account Balance is attributable to those contributions.

(4) **Disposition of remaining balance.** The portion of the Participant's Vested Account Balance not payable as a QPSA is payable to the Participant's Beneficiary, in accordance with the remaining provisions of this Article 6.

(5) **Surviving spouse elections.** If the Participant's Vested Account Balance which the Vendor would apply to purchase the QPSA exceeds \$5,000, the Participant's surviving spouse may elect to have the Vendor commence payment of the QPSA at any time following the date of the Participant's death, but not later than Section 6.02 requires, and may elect any of the forms of payment described in Section 6.03, in lieu of the QPSA. In the absence of an election by the surviving spouse, the Plan Administrator must direct the Vendor to distribute the QPSA on the earliest administratively practicable date following the close of the Plan Year in which the latest of the following events occurs: (a) the

Participant's death; (b) the date the Plan Administrator receives notification of or otherwise confirms the Participant's death; (c) the date the Participant would have attained Normal Retirement Age; or (d) the date the Participant would have attained age 62.

(6) **QPSA notice/timing.** The Plan must provide a written explanation of the QPSA to each married Participant within the following period which ends last: (a) the period beginning on the first day of the Plan Year in which the Participant attains age 32 and ending on the last day of the Plan Year in which the Participant attains age 34; (b) a reasonable period after an Employee becomes a Participant; (c) a reasonable period after Section 6.04 of the Plan becomes applicable to the Participant; or (d) a reasonable period after the Plan no longer satisfies the requirements for a fully subsidized benefit. A "reasonable period" described in clauses (b), (c) and (d) is the period beginning one year before and ending one year after the applicable event. If the Participant separates from Service before attaining age 35, clauses (a), (b), (c) and (d) do not apply and the Plan must provide the QPSA notice within the period beginning one year before and ending one year after the Separation from Service. The QPSA notice must describe, in a manner consistent with IRS Guidance, the terms and conditions of the QPSA and of the waiver of the QPSA, comparable to the QJSA notice required under Section 6.04(A)(5).

(7) **Waiver frequency and timing.** The Plan does not limit the number of times the Participant may revoke a waiver of the QPSA or make a new waiver during the election period. The election period for waiver of the QPSA ends on the date of the Participant's death. A Participant's QPSA waiver election is not valid unless the Participant makes the waiver election after the Participant has received the QPSA notice and no earlier than the first day of the Plan Year in which he/she attains age 35. However, if the Participant incurs a Separation from Service prior to the first day of the Plan Year in which he/she attains age 35, the Plan Administrator will accept a waiver election as to the Participant's Account Balance attributable to his/her Service prior to his/her Separation from Service. In addition, if a Participant who has not incurred a Separation from Service makes a valid waiver election, except for the age 35 Plan Year timing requirement above, the Plan Administrator will accept that election as valid, but only until the first day of the Plan Year in which the Participant attains age 35.

(8) **Spousal consent to waiver.** A Participant's QPSA waiver is not valid unless the Participant's spouse (to whom the QPSA is payable) satisfies or is excused from the consent requirements as described in Section 6.04(A)(7)(b), except the spouse need not consent to the form of benefit payable to the designated Beneficiary. The spouse's consent to the waiver of the QPSA is irrevocable, unless the Participant revokes the waiver election. The spouse also may execute a blanket consent as described in Section 6.04(A)(7)(a).

(C) **Effect of Waiver.** If the Participant has in effect a valid waiver election regarding the QJSA or the QPSA, the Vendor will distribute the Participant's Vested Account Balance in accordance with Sections 6.01, 6.02 and 6.03.

(D) **Loan Offset.** The Plan will reduce the Participant's Vested Account Balance by any security interest (pursuant to any offset rights authorized by Section 6.06) held by the Plan or Vendor under the Investment Arrangement by reason of a Participant loan, to determine the value of the Participant's Vested Account Balance distributable in the form of a QJSA or QPSA, provided the loan satisfied the spousal consent requirement described in Section 7.06(D).

(E) **Effect of QDRO.** For purposes of applying this Article 6, a former spouse (in lieu of the Participant's current spouse) is the Participant's spouse or surviving spouse to the extent provided under a QDRO described in Section 6.05. The provisions of this Section 6.04 apply separately to the portion of the Participant's Vested Account Balance subject to a QDRO and to the portion of the Participant's Vested Account Balance not subject to the QDRO.

(F) **Vested Account Balance Not Exceeding \$5,000.** The Vendor must distribute in a lump sum, a Participant's Vested Account Balance which the Vendor otherwise under Section 6.04 would apply to provide a QJSA or QPSA benefit, where the Participant's Vested Account Balance does not exceed \$5,000.

(G) **[Reserved]**

(H) **One-Year Marriage Rule.** The Employer in its Adoption Agreement will elect whether to apply the "one-year marriage rule". If the Employer elects to apply the one-year marriage rule, a Participant is not considered married unless the Participant and his/her spouse were married throughout the one year period ending on the date of the Participant's death.

**6.05** DISTRIBUTIONS UNDER A QDRO. Notwithstanding any other provision of this Plan, the Vendor, in accordance with the direction of the Plan Administrator, must comply with the provisions of a QDRO, as defined in Code §414(p)(1)(A), which is issued with respect to the Plan.

(A) **Distribution at any Time.** This Plan specifically permits distribution to an alternate payee under a QDRO at any time, irrespective of whether the Participant has attained his/her earliest retirement age (as defined under Code §414(p)(4)(B)) under the Plan. However, a distribution to an alternate payee prior to the Participant's attainment of earliest retirement age is available only if: (1) the QDRO specifies distribution at that time or permits an agreement between the Plan and the alternate payee to authorize an earlier distribution; and (2) if the present value of the alternate payee's benefits under the Plan exceeds \$5,000, and

the QDRO requires the alternate payee's consent to any distribution occurring prior to the Participant's attainment of earliest retirement age, the alternate payee gives such consent.

**(B) Plan Terms Otherwise Apply.** Except as to timing of distribution commencement under Section 6.05(A), nothing in this Section 6.05 gives a Participant or an alternate payee a right to receive a type or form of distribution, to receive any option or to increase benefits in a manner that the Plan does not permit.

**(C) QDRO Procedures.** The Plan Administrator must establish reasonable procedures to determine the qualified status of a domestic relations order (as defined under Code §414(p)(1)(B) and Section 1.58).

(1) **Notices and order status.** Upon receiving a domestic relations order, the Plan Administrator promptly will notify the Participant and any alternate payee named in the order, in writing, of the receipt of the order and the Plan's procedures for determining the qualified status of the order. Within a reasonable period of time after receiving the domestic relations order, the Plan Administrator must determine the qualified status of the order and must notify the Participant and each alternate payee, in writing, of the Plan Administrator's determination. The Plan Administrator must provide notice under this Section 6.05(C)(1) by mailing to the individual's address specified in the domestic relations order, or in a manner consistent with DOL regulations. If the order is not determined to be a QDRO, then no amounts will be paid pursuant to the order to the alternate payee.

(2) **Interim amounts payable.** If any portion of the Participant's Vested Account Balance is payable under the domestic relations order during the period the Plan Administrator is making its determination of the qualified status of the domestic relations order, the Plan Administrator must maintain a separate accounting of the amounts payable. If the Plan Administrator determines the order is a QDRO within 18 months of the date amounts first are payable following receipt of the domestic relations order, the Plan Administrator will direct the Vendor to distribute the payable amounts in accordance with the QDRO. If the Plan Administrator does not make its determination of the qualified status of the order within the 18-month determination period, the Plan Administrator will direct the Vendor to distribute the payable amounts in the manner the Plan would distribute if the order did not exist and will apply the order prospectively if the Plan Administrator later determines the order is a QDRO.

(3) **Segregated Account.** To the extent it is not inconsistent with the provisions of the QDRO, the Plan Administrator under Section 7.04(A)(2)(c) may direct the Vendor to segregate the QDRO amount in a segregated investment account. The Vendor will make any payments or distributions required under this Section 6.05 by separate benefit checks or other separate distribution to the alternate payee(s).

**6.06** DEFAULTED LOAN – TIMING OF OFFSET. If a Participant or a Beneficiary defaults on a Plan loan, the Plan will determine the timing of the reduction (offset) of the Participant's Vested Account Balance in accordance with this Section 6.06, the Plan's loan policy and Code §72(p) and regulations thereunder.

**(A) Offset if Distributable Event.** If the Participant has defaulted and met a distributable event under the Code, the Vendor, at the time of the loan default, may offset the Participant's Vested Account Balance by the lesser of the amount in default (including accrued interest) or the Plan's security interest in that Vested Account Balance.

**(B) Restricted Accounts.** To the extent the loan is attributable to the Participant's Restricted Balances, the Vendor will not offset the Participant's Vested Account Balance prior to the earlier of the date the Participant incurs a Severance from Employment, Disability, or the date the Participant attains age 59 1/2. Consistent with its loan policy, the Plan also may offset a Participant's defaulted loan upon Plan termination, provided the Participant's Account Balance is distributable upon Plan termination.

**6.07** HARDSHIP DISTRIBUTIONS. Hardship distributions are permitted under the Plan to the extent permitted by the Adoption Agreement. However, in no event will a hardship distribution be available under an Investment Arrangement which does not provide for hardship distributions. Any hardship distribution will comply with the standards in Section 6.07(A) and comply with the operational rules in Section 6.07(B). Section 6.07(C) contains definitions which apply to hardship distributions.

**(A) Standards.** All hardship distributions must comply with Treas. Reg. §1.401(k)-1(d)(3). If the Employer elects in its Adoption Agreement to use the hardship (safe harbor), then hardship distributions will conform to the safe harbor need and safe harbor necessity rules. A hardship distribution from an Investment Arrangement attributable to a Participant's Elective Deferrals is limited to the aggregate dollar amount of the Participant's Elective Deferrals under the Investment Arrangement (and may not include any income thereon), reduced by the aggregate dollar amount of the distributions previously made to the participant from the Investment Arrangement.

**(B) Operational rules.**

(1) **Deferral suspension.** To the extent a hardship distribution to a Participant must comply with the safe harbor necessity rules, the Participant will not be able to make Elective Deferrals or Employee Contributions under the Plan during the 6-month period beginning on the date the Participant receives the hardship distribution. The Plan Administrator or the Vendor may adopt a uniform policy that such a suspension will have the effect of revoking the Participant's Salary Reduction Agreement; however, the Participant must have the effective opportunity to enter into a new Salary Reduction Agreement effective after the expiration of the 6-month suspension period.

(2) **Information sharing.** The Employer and the Vendors will exchange information to the extent necessary to implement hardship provisions. If a hardship distribution to a Participant conforms to the safe harbor necessity rules, the Vendor will notify the Employer of the distribution so the Employer can implement the restriction in Section 6.07(B)(1). If the hardship distribution does not comply with the safe harbor necessity rules (because it complies with Treas. Reg. §1.401(k)-1(d)(3)(iii)(B)), the party responsible for approving the distribution must obtain information from the Employer and other Vendors to determine the amount of any plan loans and rollover accounts that are available to the Participant under the Plan to satisfy the financial need. See also Section 9.07 regarding information sharing.

(3) **Beneficiary hardship distribution.** A hardship distribution on account of a hardship need of the Participant's Beneficiary is available unless otherwise elected in the Adoption Agreement.

**(C) Definitions.**

(1) **Safe harbor need.** A distribution conforms to the safe harbor need rules if it is for a purpose described in Treas. Reg. §1.401(k)-1(d)(3)(iii)(B), as modified by Q&A 5 of Notice 2007-7 (relating to beneficiary hardship distributions) or other IRS guidance.

(2) **Safe harbor necessity.** A distribution conforms to the safe harbor necessity rules if the amount of the distribution does not exceed the amount of the Participant's immediate and heavy financial need and the distribution otherwise complies with Treas. Reg. §1.401(k)-1(d)(3)(iv)(E).

**(D) Ordering.** If the Plan permits a hardship distribution from more than one Account type, the Plan (or the Participant in a form that the Plan provides for this purpose), subject to the Investment Arrangement Documentation, may determine any ordering of a Participant's hardship distribution from the hardship distribution eligible Accounts, including ordering as between the Participant's Pre-Tax Deferral Account and Roth Deferral Account, if any, provided that any ordering is consistent with any restriction on hardship distributions under this Section 6.07.

**6.08** DIRECT ROLLOVER OF ELIGIBLE ROLLOVER DISTRIBUTIONS.

**(A) Election.** A Participant (including for this purpose, a former Employee) may elect, at the time and in the manner prescribed by the Vendor, to have any portion of his/her Eligible Rollover Distribution from the Plan paid directly to an Eligible Retirement Plan specified by the Participant in a Direct Rollover. For purposes of this Section 6.08, a Participant includes as to their respective interests: (1) a Participant's surviving spouse, (2) the Participant's spouse or former spouse who is an alternate payee under a QDRO, or (3) any other Beneficiary of a deceased Participant who is a Designated Beneficiary under Treas. Reg. §1.401(a)(9)-4.

**(B) Rollover and Withholding Notice.** At least 30 days and not more than 180 days prior to the distribution of an Eligible Rollover Distribution, the Plan must provide a written notice (including a summary notice as permitted under applicable IRS Guidance) explaining to the distributee the rollover option, the applicability of mandatory 20% federal withholding to any amount not directly rolled over, and the recipient's right to roll over within 60 days after the date of receipt of the distribution ("rollover notice"). A recipient of an Eligible Rollover Distribution (whether he/she elects a Direct Rollover or elects to receive the distribution), also may elect to receive distribution at any administratively practicable time which is earlier than 30 days (but more than seven days if Section 6.04 applies) following receipt of the rollover notice. The provisions of this Sections 6.08(B) do not apply to distributions to a Beneficiary described in Section 6.08(A)(3).

**(C) [Reserved]**

**(D) Automatic Rollover.** In the event of a Mandatory Distribution described in Section 6.01(F) greater than \$1,000 to a Participant (or such lesser amount as the Vendor may determine or the Employer elects in its Adoption Agreement), if the Participant does not elect to have such distribution paid directly to an Eligible Retirement Plan the Participant specifies in a Direct Rollover or to receive the distribution directly, then the Vendor will pay the distribution in a Direct Rollover to an Individual Retirement Plan. In applying this Section 6.08(D), the Vendor will aggregate a Participant's Roth Deferral and Pre-Tax Deferral Accounts if each Account Balance exceeds \$200. If either the Roth Deferral Account or the Pre-Tax Deferral Account is less than \$200, the Vendor will apply this Section 6.08(D) only to the other Account and will not aggregate the Account Balance under \$200 with the other Account Balance.

(1) **Determination of Mandatory Distribution amount – Rollovers count.** The Vendor, in determining whether a Mandatory Distribution is greater than \$1,000 for purposes of this Section 6.08(D), will include the portion of the Participant's distribution attributable to any Rollover Contribution, regardless of the Employer's Adoption Agreement election to include or exclude Rollover Contributions in defining a Mandatory Distribution.

(2) **Beneficiaries, alternate payees and termination.** The automatic rollover provisions of this Section 6.08(D) do not apply to payees described in Section 6.08(A)(1), (2), or (3) or to distributions to a Participant upon Plan termination.

**(E) Limitation on Roth Rollovers.** If a Participant wishes to roll over his/her Roth Deferral Account by a 60-day indirect rollover, the Participant may roll over only the taxable portion of the distribution to a Roth account in another plan. However, a Participant may use the 60-day rule to roll over the entire Roth Deferral Account to a Roth IRA.

**(F) Definitions.** The following definitions apply to this Section 6.08:

(1) **Direct Rollover.** A Direct Rollover is a payment by the Plan to the Eligible Retirement Plan the distributee specifies in his/her Direct Rollover election or in the case of an automatic rollover, to the individual retirement plan that the Plan designates.

(2) **Eligible Retirement Plan.** An Eligible Retirement Plan is an individual retirement plan, an annuity plan described in Code §403(a), a qualified trust described in Code §401(a), an arrangement described in Code §403(b), or an eligible deferred compensation plan described in Code §457(b) sponsored by a governmental employer which accepts the Participant's or alternate payee's Eligible Rollover Distribution. However, with regard to a Participant's Roth Deferral Account, an Eligible Retirement Plan is a Roth IRA described in Code §408A, a Roth account in another plan which permits Roth deferrals. In the case of a Beneficiary described in Section 6.08(A)(3), an Eligible Retirement Plan is limited to an individual retirement plan that has been established on behalf of the Beneficiary as an inherited IRA (within the meaning of Code §408(d)(3)(C)).

(3) **Eligible Rollover Distribution.** An Eligible Rollover Distribution is any distribution of all or any portion of the Participant's Vested Account Balance, except: (a) any distribution which is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Participant or the joint lives (or joint life expectancies) of the Participant and the Participant's designated beneficiary, or for a specified period of ten years or more; (b) any RMD under Section 6.02; (c) the portion of any distribution which is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); (d) any hardship distribution; (e) any distribution which otherwise would be an Eligible Rollover Distribution, but where the total distributions to the Participant during that calendar year are reasonably expected to be less than \$200; (f) any corrective distribution of excess amounts under Code §§402(g), 401(k), 401(m), and/or 415(c) and income allocable thereto; (g) any loans that are treated as deemed distributions under Code §72(p) (h) dividends paid on employer securities described in Code §408(k); (i) the costs of life insurance coverage (P.S. 58 costs); (j) prohibited allocations treated as deemed distributions under Code §409(p); and (k) permissible withdrawals from an EACA described in Code §414(w). For purposes of clause (e), a Participant's Roth Deferral Account is deemed to constitute a separate plan that is subject to a separate \$200 limit. A portion of a distribution shall not fail to be an Eligible Rollover Distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to (i) an individual retirement account or annuity described in Code §§408(a) or 408(b) or (ii) a qualified plan described in Code §§401(a) or 403(a), or (iii) a tax-sheltered annuity described in Code §403(b) that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(4) **Individual Retirement Plan.** An Individual Retirement Plan is an individual retirement plan described in Code §408(a) or an individual retirement annuity described in Code §408(b).

**6.09 REPLACEMENT OF \$5,000 AMOUNT.** An individual Investment Arrangement or the Employer in Appendix B to its Adoption Agreement may specify that as to any or all places in the Plan, including in Section 3.08, Article 6, or Section 9.05(C) where a \$5,000 amount appears, a lesser amount will apply. However, the Adoption Agreement provides a specific election with regard to the limit on Mandatory Distributions under Section 6.01(F) and that limit will apply to those distributions.

**6.10 SEVERANCE FROM EMPLOYMENT.** For purposes of Article 6, Severance from Employment or Separation from Service occurs on any date on which an Employee ceases to be an Employee of an Eligible Employer, even though the Employee may continue to be employed either (A) by another entity that is a Related Employer if that other entity is not an entity that can be an Eligible Employer or (B) in a capacity that is not employment with an Eligible Employer. However, an Employee has not suffered a Severance from Employment if the Employee transfers from one Code §501(c)(3) organization to another §501(c)(3) organization that is a Related Employer or if an Employee transfers from one Public School to another Public School of the same State employer. An Employee does not have a Severance from Employment if, in connection with a change of employment, the Employee's new employer maintains the Plan with respect to the Employee. For example, a new employer maintains a plan with respect to an Employee by continuing or assuming sponsorship of the plan or by accepting a transfer of Plan assets and liabilities with respect to the Employee.

**6.11** DEEMED SEVERANCE DISTRIBUTIONS. The Employer in its Adoption Agreement will elect whether to permit a deemed severance distribution. If the Employer elects to permit a deemed severance distribution, then notwithstanding Section 1.27(A), if a Participant performs service in the uniformed services (as defined in Code §414(u)(12)(B)) on active duty for a period of more than 30 days, the Participant will be deemed to have a Severance from Employment solely for purposes of distribution of amounts from Contribution Types the Employer has selected in the Adoption Agreement. If a Participant elects to receive a distribution on account of this deemed severance, and the distribution includes any of the Participant's Elective Deferrals, then the individual may not make Elective Deferrals or Employee Contributions to the Plan during the 6-month period beginning on the date of the distribution. If a Participant would be entitled to a distribution on account of a deemed severance, and a distribution on account of another Plan provision (such as a QRD), then the other Plan provision will control and the 6-month suspension will not apply.

**ARTICLE 7. ADMINISTRATIVE PROVISIONS**

**7.01** EMPLOYER ADMINISTRATIVE PROVISIONS.

**(A) Information to Plan Administrator.** The Employer must supply current information to the Plan Administrator, including the name, date of birth, date of employment, Compensation, leaves of absence, Years of Service and date of Separation from Service of each Employee who is, or who will be eligible to become, a Participant under the Plan, together with any other information which the Plan Administrator considers necessary to properly administer the Plan. The Plan Administrator will supply to the Vendors the information necessary for the administration of their Investment Arrangements and for overall Plan coordination. The Employer's records as to the current information the Employer furnishes to the Plan Administrator are conclusive as to all persons. Each Participant shall provide at the time of initial enrollment, and later if there are any changes, any information necessary or advisable for the administration of the Plan, including any information required under the terms governing an Investment Arrangement holding any part of the Participant's Account Balance.

**(B) Plan Contributions.** The Employer is solely responsible to determine the proper amount of any Employer Contributions it makes to the Plan and for the timely deposit to the Investment Arrangement of the Employer Contributions, Employee Contributions, and Elective Deferrals.

**(C) Employer Action.** The Employer must take any action under the Plan in accordance with applicable Plan provisions and with proper authority such that the action is valid and binding upon the Employer.

**(D) No Responsibility for Others.** The Employer has no responsibility or obligation under the Plan to Employees, Participants or Beneficiaries for any act (unless the Employer also serves in such capacities) required of the Plan Administrator, a Vendor, or any other service provider to the Plan.

**(E) Indemnity of Certain Fiduciaries.** Unless prohibited by State law, the Employer will indemnify, defend and hold harmless the Plan Administrator from and against any and all loss resulting from liability to which the Plan Administrator may be subjected by reason of any act or omission (except willful misconduct or gross negligence) in its official capacities in the administration of this Plan, including attorneys' fees and all other expenses reasonably incurred in the Plan Administrator's defense, in case the Employer fails to provide such defense. The Plan Administrator and the Employer may execute a written agreement further delineating the indemnification agreement of this Section 7.01(E). The indemnification provisions of this Section 7.01(E) do not extend to any Vendor (including where the Vendor under Section 1.72 is serving as the Plan Administrator), third party administrator, or other Plan service provider unless so provided in a written agreement (including Investment Arrangement Documentation) executed by such persons and the Employer.

**(F) [Reserved]**

**(G) [Reserved]**

**7.02** PLAN ADMINISTRATOR.

**(A) Expenses.** The Employer or the Plan will pay all reasonable expenses of the Plan Administrator, in accordance with Section 7.04(C)(2).

**(B) Resignation and Removal.** If one or more persons other than the Employer are serving as Plan Administrator, such person(s) will serve until they resign by written notice to the Employer or until the Employer removes them by written notice. In case of a vacancy in the position of Plan Administrator, the Employer will exercise any and all of the powers, authority, duties and discretion conferred upon the Plan Administrator pending the filling of the vacancy.

**(C) General Powers and Duties.** To the extent not formally or informally delegated to another party pursuant to Section 7.02(F), the Plan Administrator has the following general powers and duties which are in addition to those the Plan otherwise accords to the Plan Administrator:

(1) **Eligibility/benefit determination.** To determine the rights of eligibility of an Employee to participate in the Plan, all factual questions that arise in the course of administering the Plan, the value of a Participant's Account Balance (based on the value of the Investment Arrangement assets, as determined by the Vendor) and the Vested percentage of each Participant's Account Balance.

(2) **Rules/policies.** To adopt rules of procedure and regulations or policies the Plan Administrator considers reasonable or necessary for the proper and efficient administration of the Plan, provided the rules are not inconsistent with the terms of the Plan, the Code or the Investment Arrangement. The Plan Administrator may, but is not required to reduce such rules, regulations or policies to writing. The Plan Administrator at any time may amend or terminate prospectively any Plan policy without the requirement of a formal Plan amendment. The Plan Administrator also may create and modify

from time to time an administrative checklist which is not part of the Plan, but which is for the purpose of tracking certain plan operational features and to facilitate proper administration of the Plan.

(3) **Construction/enforcement.** To construe and enforce the terms of the Plan and the rules and regulations and policies the Plan Administrator adopts, including discretion to interpret the basic plan document, the Adoption Agreement and any document related to the Plan's operation.

(4) **Distribution/valuation.** To direct the Vendor regarding the crediting and distribution of an Investment Arrangement and to establish additional Valuation Dates and direct the Vendor to conduct interim valuations as of such Valuation Dates.

(5) **Claims.** To review and render decisions regarding a claim for (or denial of a claim for) a benefit under the Plan.

(6) **Information to Employer.** To furnish the Employer with information which the Employer may require for tax or other purposes.

(7) **Service providers.** To engage the service of agents whom the Plan Administrator may deem advisable to assist it with the performance of its duties.

(8) **Investment Manager.** If the Plan Administrator is the Named Fiduciary, to engage the services of an Investment Manager or Managers, each of whom will have full power and authority to manage, acquire or dispose (or direct the Vendor with respect to acquisition or disposition) of any Plan asset under such Manager's control.

(9) **Funding.** The Plan Administrator will review, not less often than annually, all pertinent Employee information and Plan data in order to establish the funding policy of the Plan and to determine the appropriate methods of carrying out the Plan's objectives. The Plan Administrator must communicate periodically, as it deems appropriate, to the Vendor and to any Plan Investment Manager the Plan's short-term and long-term financial needs for the coordination of the Plan's investment policy with Plan financial requirements.

(10) **Records.** To maintain Plan records and records of the Plan Administrator's activities as necessary or appropriate for the proper administration of the Plan.

(11) **Tax returns and other filings.** To file with IRS as may be required, the Plan's informational tax return and to make such other filings as the Plan Administrator deems necessary or appropriate.

(12) **Notices and disclosures.** To give and to make to Participants and to other parties all Plan related notices and disclosures required under the Code.

(13) **Overpayment.** As may be required or appropriate, to seek return from a Participant or Beneficiary of any distributed amount which exceeds the distributable Vested Account Balance (or exceeds the amount which otherwise should have been distributed) and to allocate any recovered overpayment in accordance with the Plan terms.

(14) **Catch-all.** To make any other determinations and undertake any other actions the Plan Administrator in its discretion believes are necessary or appropriate for the administration of the Plan (except to the extent that the Employer provides express contrary direction) and to otherwise administer the Plan in accordance with the Plan terms.

**(D) 403(b) Plan Salary Deferrals.** The Plan Administrator may adopt such policies regarding Elective Deferrals as it deems necessary or appropriate to administer the Plan. The Plan Administrator also will prescribe a Salary Reduction Agreement form for use by Participants. However, a Vendor may prescribe forms or policies necessary or appropriate to administering Elective Deferrals to the Vendor's Investment Arrangement.

**(E) Limitations on Plan Administrator Responsibility.**

(1) **Acts of others.** The Plan Administrator has no responsibility or obligation under the Plan to Participants or Beneficiaries for any act (unless the Plan Administrator also serves in such capacities) required of the Employer, the Vendor, or any other service provider to the Plan.

(2) **Plan contributions.** The Plan Administrator, if not the Employer, is not responsible to collect any required Plan contribution or to determine the correctness of any Employer contribution.

(3) **Reliance on information.** The Plan Administrator and the Vendors in administering the Plan are entitled to, but are not required to rely upon, information which a Participant, Beneficiary, Vendor, the Employer, a Plan service provider or representatives thereof provide.

**(F) Allocation of Responsibilities.** Persons to whom administrative functions have been allocated and the specific functions allocated to such persons shall be identified in Appendix D to the Adoption Agreement. Service agreements and other records or information pertaining to the administration of the Plan may be included or incorporated by reference in the Appendix. The Appendix will also include a list of all the Vendors of Investment Arrangements approved for use under the Plan, including sufficient information to identify the approved Investment Arrangements. The Appendix may be modified from time to time. A modification of Appendix D to the Adoption Agreement is not an amendment of the Plan. Persons identified in Appendix D to the Adoption Agreement to whom administrative functions have been delegated shall have all power and authority of the Plan Administrator to the extent necessary or appropriate to perform those functions.

### 7.03 DIRECTION OF INVESTMENT.

**(A) Employer direction of Investment.** The Employer has the right to select the Investment Arrangements made available under the Plan unless an Investment Manager is doing so.

**(B) Participant Direction of Investment.** The Participant generally has the responsibility to invest his/her Plan Account unless the Plan Administrator or the Participant appoint an Investment Manager to invest the Plan Accounts. The Plan Administrator may impose reasonable administrative conditions on the Participants' ability to direct their Account investments. For purposes of this Section 7.03(B), a Participant includes a Beneficiary where the Beneficiary has succeeded to the Participant's Account and where the Plan Administrator's policy affords the Beneficiary the same (or different) self-direction rights as a Participant.

**(1) Vendor authorization and procedures.** The Vendor only will accept direction from each Participant (or from the Participant's properly appointed independent investment adviser or financial planner) in the form or in the manner that the Plan provides or otherwise approves for this purpose. The Plan may establish procedures relating to Participant direction of investment under this Section 7.03(B) as are not inconsistent with the Plan Administrator's policy regarding Participant direction, including procedures or conditions for electronic transfers or for changes in investments by Participants or by their appointed independent advisers or planners.

**(2) Participant loans.** As part of the loan policy the Plan establishes under Section 7.06, the Plan under Section 7.06(E) may treat a Plan loan made to a Participant as a Participant direction of investment.

**(3) Investment services programs.** The Plan may permit Participants to appoint an Investment Manager or Managers, which may be a Vendor or an affiliate thereof, to render investment allocation services, investment advice or management services (collectively, an "investment services program") to the appointing Participants.

**(C) Direction Consistent with Plan.** To constitute a proper direction, any direction of investment given to a Vendor under the Plan must be in accordance with the Plan terms.

### 7.04 ACCOUNT ADMINISTRATION, VALUATION AND EXPENSES.

**(A) Maintenance of Accounts.** The Plan Administrator will maintain, or direct the Vendors to maintain, a separate Account, or multiple Accounts, in the name of each Participant to reflect the Participant's Account Balance under the Plan. The Plan Administrator will make its allocations of Earnings or request the Vendors to make its allocations, to the Accounts of the Participants as necessary to maintain proper Plan records: (a) in accordance with the contribution source under Section 7.04(A)(1); (b) in accordance with Section 3.06 allocation conditions; (c) consistent with the Plan Administrator's establishment of investment account types under Section 7.04(A)(2); and (d) consistent with the Employer's Adoption Agreement elections as to method of allocation of Earnings under Section 7.04(B)(4).

**(1) By contribution source.** The Plan, or Vendor, as necessary for the proper administration of the Plan, will establish Plan Accounts for each Participant to reflect his/her Accounts attributable to the following contribution sources and the Earnings attributable thereto: Pre-Tax Deferrals, Roth Deferrals, in-plan Roth rollovers, Employee Contributions, Mandatory Employee Contributions, Matching Contributions, Nonelective Contributions, QNECs and Rollover Contributions (including Roth and pre-tax amounts).

**(2) By investment account type.** The Plan, as necessary for the proper administration of the Plan, will establish separate Accounts for each Participant to reflect his/her investment account types as described below:

**(a) Group Account.** A group Account is an Account which for investment purposes is not a segregated Account or an individual Account. A group Account includes a group Investment Arrangement. If any or all Plan investment Accounts are grouped, each Participant's Account has an undivided interest in the assets comprising the group Account. In a group Account, the value of each Participant's Account Balance consists of that proportion of the net worth (at fair market value) of the Investment Arrangement which the net credit balance in his/her Account (exclusive of the cash value of incidental benefit insurance contracts) bears to the total net credit balance in the Accounts (exclusive of the cash value of the incidental benefit insurance contracts) of all Participants plus the cash surrender value of any incidental benefit insurance contracts held by the Vendor on the Participant's life.

As of each Valuation Date, the Plan Administrator must reduce a Participant's Accounts for any forfeiture arising from Section 5.07 after the Plan Administrator has made all other allocations, changes or adjustments to the Account. In a group Account, the Vendor titles the Investment Arrangement in the name of the Plan.

(b) **Individual Accounts.** An individual Account is an Account that is established and maintained for a Participant to invest in one or more Investment Arrangements in which other Participants do not have any interest. A Participant may have one or more individual Accounts in addition to group or segregated Accounts. An individual Account is credited and charged with the Earnings under Section 7.04(B)(4). As of each Valuation Date, the Plan Administrator must reduce an individual Account for any forfeiture arising from Section 5.07 after the Plan Administrator has made all other allocations, changes or adjustments to the Account. In an individual Account, the Vendor titles the Investment Arrangement in the name of the Participant or the Plan. The Plan Administrator may prohibit investment of funds in individual Accounts to the extent that those funds are not 100% Vested.

(c) **Segregated Accounts.** A segregated Account is an Account the Plan Administrator establishes and maintains or directs the Vendor to establish and maintain for a Participant: (i) to facilitate installment payments under Section 6.03; (ii) to hold a QDRO amount under Section 6.05; (iii) to prevent a distortion of Plan Earnings allocations; or (iv) for such other purposes as the Plan Administrator may direct. A segregated Account receives all income it earns and bears all expense or loss it incurs. The Vendor will invest the assets of a segregated Account consistent with the purpose for which the Vendor established the Account. As of each Valuation Date, the Plan Administrator must reduce a segregated Account for any forfeiture arising under Section 5.07 after the Plan Administrator has made all other allocations, changes or adjustments to the Account.

(3) **Value of Account/distributions.** The value of a Participant's Account is equal to the sum of all contributions, Earnings and other additions credited to the Account, less all distributions (including distributions to Beneficiaries and to alternate payees and also including disbursement of Plan loan proceeds), expenses and other charges against the Account as of a Valuation Date or other relevant date. For purposes of a distribution under the Plan, the value of a Participant's Account Balance is its value as of the Valuation Date immediately preceding the date of the distribution.

**(B) Allocation of Earnings.** This Section 7.04(B) applies solely to the allocation of Earnings of the Investment Arrangement. Any references in this Section 7.04(B) to the Plan Administrator include a Vendor. The Plan Administrator will allocate Employer Contributions and Participant forfeitures, if any, in accordance with Article 3.

(1) **Allocate as of Valuation Date.** As of each Valuation Date, the Plan Administrator must adjust Accounts to reflect Earnings since the last Valuation Date.

(2) **Definition of Valuation Date.** The Valuation Date or Dates applicable to a given Investment Arrangement will be as specified in the Investment Arrangement Documentation.

(3) **Definition of Valuation Period.** The Valuation Period is the period beginning on the day after the last Valuation Date and ending on the current Valuation Date.

(4) **Allocation methods.** The Vendor will allocate Earnings to the Participant Accounts in accordance with the Investment Arrangement Documentation.

**(C) Plan Expenses.** The Plan Administrator must determine whether a particular Plan expense is a settlor expense which the Employer must pay.

(1) **Employer election as to non-settlor expenses.** The Employer will direct the Plan Administrator as to whether the Employer will pay any or all non-settlor reasonable Plan expenses or whether the Plan must bear the expense.

(2) **Allocation of Plan expense.** As to any and all non-settlor reasonable Plan expenses, including Vendor fees, which the Employer determines that the Plan will pay, the Plan Administrator has discretion: (i) to determine the method of allocating reasonable Plan expenses that are charged to the Plan as a whole; (ii) to determine which reasonable Plan expenses the Plan will charge to an individual Participant's Account; and (iii) to adopt an expense policy regarding the foregoing. The Plan Administrator must exercise its discretion under this Section 7.04(C)(2) in a reasonable, uniform manner. Subject to the terms of the Investment Arrangement Documentation, the Plan Administrator will direct the Vendor to pay from the Investment Arrangement or to charge to the overall Plan or to particular Accounts the expenses under this Section 7.04(C)(2) in accordance with the Plan Administrator's election of expense charging method or policy.

(a) **Charge to overall Plan.** If the Plan Administrator charges a Plan expense to the Accounts of all Participants, the Plan Administrator may allocate the Plan expense either pro rata in relation to the total balance in each Account on the date the expense is allocated (or as of the most recent Valuation Date) or per capita (an equal amount) to each Participant's Account.

(b) **Charge to individual Participant Accounts.** The Plan Administrator if provided by the Investment Arrangement Documentation, may charge a Participant's Account for any reasonable Plan expenses directly related to that Account, including, but not limited to the following categories of fees or expenses: distribution, loan, QDRO, "lost Participant" search, account maintenance, brokerage accounts, expedited check delivery, investment management (including registered investment advisors' fees) and benefit calculations. The Plan Administrator may charge a Participant's Account for the reasonable expenses incurred in connection with the maintenance of or a distribution from that Account even if the charging of such expenses would result in the elimination of the Participant's Account or in the Participant's not receiving an actual distribution. However, if the actual Account expenses exceed the Participant's Account Balance, the Plan Administrator will not charge the Participant outside of the Plan for such excess expenses.

(c) **Participant's direct payment of investment expenses.** The Plan Administrator may permit Participants to pay directly to the service provider, outside the Plan, Plan expenses such as investment management fees, provided such expenses: (i) would be properly payable either by the Employer or the Plan and are not "settlor" expenses payable exclusively by the Employer; (ii) are not paid in fact by the Employer or by the Plan; and (iii) are not intrinsic to the value of the Plan assets as described in Rev. Rul. 86-142 or in any successor ruling. This Section 7.04(C)(2)(c) does not permit a Participant to reimburse the Plan for expenses the Plan previously has paid. To the extent a Participant does not pay an expense the Participant may pay according to this Section 7.04(C)(2)(c), the Plan Administrator will charge the expense under Sections 7.04(C)(2)(a) or 7.04(C)(2)(b) in accordance with the Plan Administrator's expense policy.

(d) **Charges to former Employee-Participants.** The Plan Administrator may charge reasonable Plan expenses to the Accounts of former Employee-Participants, even if the Plan Administrator does not charge Plan expenses to the Accounts of current Employee-Participants. The Plan Administrator may charge the Accounts of former Employee-Participants by applying one of the Section 7.04(C)(2)(a) or (b) methods.

(D) **Fee Recapture Account.** The Plan Administrator in its discretion may use a Fee Recapture Account to pay non-settlor Plan Expenses and may allocate funds in the Fee Recapture Account (or excess funds therein after payment of Plan Expenses) as Earnings. The Plan Administrator will exercise its discretion in a reasonable manner. The Employer, in Appendix B to its Adoption Agreement, may specify a particular method the Plan Administrator will use to allocate excess funds in the Fee Recapture Account. A Fee Recapture Account is an account designated to receive amounts which a Plan service provider receives in the form of 12b-1 fees, sub-transfer agency fees, shareholder servicing fees or similar amounts (also known as "revenue sharing"), which the service provider receives from a source other than the Plan and which the service provider may remit to the Plan.

(E) **Late Trading and Market Timing Settlement.** In the event the Plan becomes entitled to a settlement from a mutual fund or other investment relating to late trading, market timing or other activities, the Plan Administrator will allocate the settlement proceeds to Participants and Beneficiaries in a reasonable manner as the Plan Administrator may determine.

## 7.05 PARTICIPANT ADMINISTRATIVE PROVISIONS.

(A) **Beneficiary Designation.** A Participant from time to time may designate, in writing, any person(s) (including a trust or other entity), contingently or successively, to whom the Vendor will pay all or any portion of the Participant's Vested Account Balance (including any life insurance proceeds payable to the Participant's Account) in the event of death. A Participant also may, to the extent the Vendor permits, designate the form and method of distribution of his/her Account to the Beneficiary. The Plan (or Vendor) will prescribe the form for the Participant's written designation of Beneficiary and, upon the Participant's filing the form with the Plan (or Vendor) the form effectively revokes all designations filed with the Plan (or Vendor) prior to that date by the same Participant. This Section 7.05(A) also applies to the interest of a deceased Beneficiary or a deceased alternate payee where the Beneficiary or alternate payee has designated a Beneficiary. Delivery of a Beneficiary Designation to a Vendor affects only distributions from the Investment Arrangement(s) that Vendor provides. In the event of a conflict between a beneficiary designation provided to the Plan Administrator and a beneficiary designation provided to a Vendor, the Vendor's designation will control the distribution of the Vendor's Investment Arrangements.

(1) **Automatic revocation of spousal designation.** A divorce decree revokes the Participant's prior designation, if any, of his/her spouse or former spouse as his/her Beneficiary under the Plan unless: (a) the decree or a QDRO provides otherwise; (b) the Employer provides otherwise in Appendix B to its Adoption Agreement; or (c) prohibited under state law. This Section 7.05(A)(1) applies solely to a Participant whose divorce becomes effective on or after the date the Employer executes this Plan unless the Plan is a Restated Plan and the prior Plan contained a provision to the same effect.

(2) **Coordination with QJSA/QPSA requirements.** If Section 6.04 applies to the Participant, this Section 7.05 does not impose any special spousal consent requirements on the Participant's Beneficiary designation unless the Participant waives the QJSA or QPSA benefit. If the Participant waives the QJSA or QPSA benefit without spousal consent to the Participant's Beneficiary designation: (a) any waiver of the QJSA or of the QPSA is not valid; and (b) if the Participant dies prior to his/her Annuity Starting Date, the Participant's Beneficiary designation will apply only to the portion of the death benefit which is not payable as a QPSA. Regarding clause (b), if the Participant's surviving spouse is a primary

Beneficiary under the Participant's Beneficiary designation, the Vendor will satisfy the spouse's interest in the Participant's death benefit first from the portion which is payable as a QPSA.

(3) **Limitation on beneficiary designation of married Participants.** This Section 7.05(A)(3) applies only if the Employer has elected in its Adoption Agreement to apply this provision and has not elected to apply the joint and survivor annuity rules of Section 6.04. The Beneficiary designation of a married Participant is not valid unless the Participant's spouse consents (in a manner described in Section 6.04(A)(7)) to the Beneficiary designation. The spousal consent requirement in this Section 7.05(A)(3) does not apply if the Participant's spouse is the Participant's sole primary Beneficiary. Operationally, the Employer may waive this limitation for Participants who have been married less than one year at the time of the Participant's death.

(4) **Limitation on frequency of Beneficiary changes.** A Participant may change his/her Beneficiary in accordance with this Section 7.05(A) as often as the Participant wishes.

(5) **Definition of spouse.** The Employer in Appendix B to its Adoption Agreement may define the term "spouse." That definition shall apply for all Plan purposes other than Section 6.02 related to required minimum distributions.

**(B) Default Beneficiary.** If: (i) a Participant fails to name a Beneficiary in accordance with Section 7.05(A); or (ii) the Beneficiary (and all contingent or successive Beneficiaries) whom the Participant designates predeceases the Participant, are invalid for any reason, or disclaim the Participant's Vested Account Balance and the disclaimers have been accepted as valid, then the Vendor (subject to any contrary provision in Appendix B to the Adoption Agreement) will distribute the Participant's Vested Account Balance in accordance with the Investment Arrangement Documentation.

**(C) Administration of Default Provision.** The Employer in Appendix B to its Adoption Agreement may specify a different list or ordering of the list of default beneficiaries. The Employer in Appendix B to its Adoption Agreement may define the term "spouse" under Section 7.05(B)(1). In the absence of such a definition, the Plan Administrator will interpret and apply the term "spouse" in a manner which is consistent with the Code provisions relating to retirement plans.

**(D) Death of Beneficiary.** If the Beneficiary survives the Participant, but dies prior to distribution of the Participant's entire Vested Account Balance, the Vendor will distribute the remaining Vested Account Balance to the Beneficiary's estate unless: (1) the Participant's Beneficiary designation provides otherwise; (2) the Beneficiary has properly designated a beneficiary; or (3) the Employer provides otherwise in Appendix B to its Adoption Agreement. A Beneficiary only may designate a beneficiary for the Participant's Account Balance remaining at the Beneficiary's death, if the Participant has not previously designated a successive contingent beneficiary and the Beneficiary's designation otherwise complies with the Plan terms.

**(E) Simultaneous Death of Participant and Beneficiary.** If a Participant and his/her Beneficiary should die simultaneously, or under circumstances that render it difficult or impossible to determine who predeceased the other, then unless the Participant's Beneficiary designation otherwise specifies, the Plan will presume conclusively that the Beneficiary predeceased the Participant.

**(F) Incapacitated Participant or Beneficiary.** If, in the opinion of the Plan Administrator, a Participant or Beneficiary entitled to a Plan distribution is not able to care for his/her affairs because of a mental condition, a physical condition, or by reason of age, the Vendor will make the distribution to the Participant's or Beneficiary's guardian, conservator, custodian (including under a Uniform Transfers or Gifts to Minors Act) or to his/her attorney-in-fact or to other legal representative upon furnishing satisfactory evidence of such status. The Plan Administrator and the Vendor do not have any liability with respect to payments so made and neither the Plan Administrator nor the Vendor has any duty to make inquiry as to the competence of any person entitled to receive payments under the Plan.

**(G) Assignment or Alienation.** Except for Plan Loans (Section 7.06) and as provided in Section 6.05 relating to domestic relations orders, and in ERISA §206(d) relating to certain voluntary, revocable assignments, judgments and settlements (even though the Plan is not subject to ERISA), neither a Participant nor a Beneficiary may anticipate, assign or alienate (either at law or in equity) any benefit provided under the Plan, and the Vendor will not recognize any such anticipation, assignment or alienation. Except as provided by law, a benefit under the Plan is not subject to attachment, garnishment, levy, execution or other legal or equitable process. Without regard to distribution restrictions otherwise provided herein, the Plan Administrator may pay from a Participant's or Beneficiary's Accumulated Benefit the amount that the Plan Administrator finds is lawfully demanded under a levy issued by the Internal Revenue Service with respect to that Participant or Beneficiary or is sought to be collected by the United States Government under a judgment resulting from an unpaid tax assessment against the Participant or Beneficiary.

**(H) [Reserved]**

**(I) Claims Procedure for Denial of Benefits.** The Plan Administrator may adopt a claims procedure which will apply to claims under the Plan. In the absence of such a procedure, the Investment Arrangement Documentation may provide for a claims procedure which will apply to the Investment Arrangement.

**(J) Inability to Determine Beneficiary.** In the event that the Plan Administrator (or Vendor with respect to the Account Balance under its Investment Arrangement) is unable to determine the identity of a Participant's Beneficiary under circumstances

of competing claims or otherwise, the Plan (or Vendor) may file an interpleader action seeking an order of the court as to the determination of the Beneficiary. The Plan Administrator, the Vendor and other Plan fiduciaries may act in reliance upon any proper order issued under this Section 7.05(J) in maintaining, distributing or otherwise disposing of a Participant's Account under the Plan terms, to any Beneficiary specified in the court's order.

## 7.06 PLAN LOANS.

**(A) Loan Policy.** Subject to the terms of the Investment Arrangement Documentation, if the Adoption Agreement permits Participant Loans, the Plan Administrator may establish, amend or terminate, a policy for making Plan loans (including collateralized loans made by an Annuity Provider under the Annuity Contract), if any, to Participants and to Beneficiaries. If the Plan Administrator adopts a loan policy, the loan policy must be in writing. The policy must include: (i) the identity of the person or positions authorized to administer the Participant loan program; (ii) the procedure for applying for a loan; (iii) the criteria for approving or denying a loan; (iv) the limitations, if any, on the types and amounts of loans available; (v) the procedure for determining a reasonable rate of interest; (vi) the types of collateral which may secure the loan; (vii) the events constituting default and the steps the Plan will take to preserve Plan assets in the event of default; and (viii) acceptable methods for repayment of the loan. A loan policy the Plan Administrator adopts under this Section 7.06 is part of the Plan, except that the Plan Administrator may amend or terminate the policy without regard to Section 9.02.

**(B) Requirements for Plan Loans.** The Vendor may make a Plan loan to a Participant or to a Beneficiary in accordance with the loan policy and the Investment Arrangement Documentation, subject to the following requirements: (1) the loan policy satisfies the requirements of this Section 7.06; (2) the loan bears a reasonable rate of interest; (3) the loan provides for a fixed repayment schedule (except that the loan policy may suspend loan payments pursuant to Code §414(u)(4) or other Code provisions); (4) the default provisions of the note permit offset of the Participant's Vested Account Balance only at the time when the Participant has a distributable event under the Plan, but without regard to whether the Participant consents to distribution as otherwise may be required under Section 6.01; (5) the amount of the loan does not exceed (at the time the Plan extends the loan) the present value of the Participant's Vested Account Balance in the Vendor's Investment Arrangement; and (6) the loan has repayment safeguards to which a prudent lender would adhere. The Vendor may impose additional restrictions on loans, provided such terms are consistent with the Code.

**(C) Default as Distributable Event.** The loan policy (or the Investment Arrangement and documentation) may provide a Participant's loan default is a distributable event under the terms of the Plan with respect to the defaulted amount, irrespective of whether the Participant otherwise has incurred a distributable event at the time of default, except as to amounts which the Participant used to secure his/her loan and which remain subject to distribution restrictions under Section 6.01(E) which may not be distributed in-service at the time of default.

**(D) [Reserved]**

**(E) Treatment of Loan as Participant-Directed.** The Plan Administrator, to the extent provided in a written loan policy and consistent with Section 7.03(B) and the terms of the Investment Arrangement Documentation, will treat a Plan loan made to a Participant as a Participant-directed investment, even if the Plan otherwise does not permit a Participant to direct his/her Account investments. Where a loan is treated as a directed investment and is not treated as a contract loan, the borrowing Participant's Account alone shares in any interest paid on the loan, and the Account alone bears any expense or loss it incurs in connection with the loan. The Vendor may retain any principal or interest paid on the borrowing Participant's loan in a segregated Account (as described in Section 7.04(A)(2)(c)) on behalf of the borrowing Participant until the Vendor deems it appropriate to add the loan payments to the Participant's Account under the Plan. If the loan is treated as a contract loan, interest will be credited in accordance with the Investment Arrangement and loan documentation.

**(F) [Reserved]**

**(G) Coordination; Code §72(p).** To minimize the instances in which Participants have taxable income as a result of loans from the Plan, the Plan Administrator will take such steps as may be appropriate to coordinate the limitations on loans set forth in Code §72(p), including the collection of information from Vendors, and transmission of information requested by any Vendor, concerning the outstanding balance of any loans made to a Participant under the Plan or any other plan of the Employer. The Plan Administrator will also take such steps as may be appropriate to collect information from Vendors, and transmit information to any Vendor, concerning any failure by a Participant to repay timely any loans made to a Participant under the Plan or any other plan of the Employer. The Vendors will cooperate with the Plan Administrator in providing information needed under this Section 7.06(G). No loan to any Participant or Beneficiary can be made to the extent that such loan when added to the outstanding balance of all other loans to the Participant or Beneficiary would exceed the lesser of (a) \$50,000 reduced by the excess (if any) of the highest outstanding balance of loans during the one year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made, or (b) one-half the present value of the nonforfeitable accrued benefit of the Participant. For the purpose of the above limitation, all loans from all plans of the Employer and Related Employers are aggregated. Any loan shall by its terms require that repayment (principal and interest) be amortized in level payments, not less frequently than quarterly, over a period not extending beyond five years from the date of the loan, except that if such loan is used to acquire a dwelling unit which within a reasonable time (determined at the time the loan is made) will

be used as the principal residence of the Participant, the amortization period shall not extend beyond a commercially reasonable period from the date of the loan.

**7.07 LOST PARTICIPANTS.** If the Plan is unable to locate any Participant or Beneficiary whose Account becomes distributable under the Plan (a "lost Participant"), the Plan Administrator will apply the provisions of this Section 7.07 consistent with the Investment Arrangement Documentation. The provisions of this Section 7.07 no longer apply if the Plan, prior to taking action to dispose of the lost Participant's Account under Section 7.07(A)(2) or 7.07(B)(2), receives a distribution election from the Participant.

**(A) Ongoing Plan.** The provisions of this Section 7.07(A) apply if the Plan is ongoing.

(1) **Attempt to Locate.** The Plan must conduct a reasonable and diligent search for the Participant, using one or more of the search methods described in Section 7.07(C).

(2) **Failure to locate/disposition of Account.** If a lost Participant remains un-located after six months following the date the Plan first attempts to locate the lost Participant using any of the search methods described in Section 7.07(C), the Plan may forfeit the lost Participant's Account, provided the Account is not subject to the Automatic Rollover rules of Section 6.08(D). If the Plan forfeits the lost Participant's Account, the forfeiture occurs at the end of the above-described 6-month period and the Plan will allocate the forfeiture in accordance with Section 3.07. The Plan under this Section 7.07(A)(2) will forfeit the entire Account of the lost Participant, including Elective Deferrals and Employee Contributions.

(3) **Subsequent restoration of forfeiture.** If a lost Participant whose Account was forfeited thereafter at any time but before the Plan has been terminated makes a claim for his/her forfeited Account, the Plan will restore the forfeited Account to the same dollar amount as the amount forfeited, unadjusted for Earnings occurring subsequent to the forfeiture. The Plan will make the restoration in the Plan Year in which the lost Participant makes the claim, first from the amount, if any, of Participant forfeitures the Plan otherwise would allocate for the Plan Year, and then from the amount or additional amount the Employer contributes to the Plan for the Plan Year. The Employer in Appendix B to its Adoption Agreement may modify the order of priority of the sources of restoration described in the previous sentence. The Plan will distribute the restored Account to the lost Participant not later than 60 days after the close of the Plan Year in which the Plan restores the forfeited Account.

**(B) Terminating plan.** The provisions of this Section 7.07(B) apply if the Plan is terminating.

(1) **Attempt to locate.** The Plan, to attempt to locate a lost Participant when the Plan is terminating, must conduct a reasonable and diligent search for the Participant. The Plan Administrator may use its discretion in determining the search method or methods.

(2) **Failure to locate/disposition of Account.** If a lost Participant remains un-located after a reasonable period the Plan Administrator will distribute the Participant's Account under Sections 7.07(B)(2)(a), (b) or (c) as applicable.

(a) **No Annuity Contract/no other 403(b) Plan.** If the terminating Plan does not provide an Annuity Contract as an investment option and the Employer does not maintain another 403(b) Plan, the Plan Administrator will distribute the lost Participant's Account in an Automatic Rollover to an individual retirement plan under Section 6.08(D), unless the Plan determines it is impracticable to complete an Automatic Rollover or is unable to locate an individual retirement plan provider willing to accept the rollover distribution. In such event, the Plan may: (i) distribute the Participant's Account to an interest-bearing insured bank account the Plan establishes in the Participant's name; or (ii) distribute the Participant's Account to the unclaimed property fund of the state of the Participant's last known address.

(b) **Plan provides Annuity Contract/no other 403(b) Plan.** If the terminating Plan provides for an Annuity Contract as an investment option and the Employer does not maintain another 403(b) Plan, the Plan Administrator will distribute an Annuity Contract payable to the lost Participant for delivery to the Participant's last known address reflected in the Plan's records.

(c) **Employer maintains another 403(b) Plan.** If the Employer maintains another 403(b) Plan, the Plan Administrator may (in lieu of taking the actions described in Sections 7.07(B)(2)(a) or (b)) transfer the lost Participant's Account to the other 403(b) Plan.

**(C) Search methods.** The search methods described in this Section 7.07 are: (1) provide a distribution notice to the lost Participant at the Participant's last known address by certified or registered mail; (2) check with other employee benefit plans of the Employer that may have more up-to-date information regarding the Participant's whereabouts; (3) identify and contact the Participant's designated Beneficiary; (4) use free Internet search tools; and (5) use a commercial locator service, credit reporting agencies, other Internet tools or other search method. Regarding search methods (2) and (3) above, if the Plan encounters privacy concerns, the Plan may request that the Employer or other plan fiduciary (under (2)), or the designated Beneficiary (under (3)), contact the Participant or forward a letter requesting that the Participant contact the Plan. The purpose of this Section is to reflect

DOL Guidance regarding locating missing or unresponsive Participants as of the date the Plan was written, which have changed over time.

**(D) Uniformity.** The Plan will apply Section 7.07 in a reasonable and uniform manner, but in determining a specific course of action as to a particular Account, the Plan reasonably may take into account differing circumstances such as the amount of a lost Participant's Account, the expense in attempting to locate a lost Participant, the Plan's ability to establish and the expense of establishing a rollover IRA, and other factors.

**(E) Expenses of search.** The Plan, in accordance with Section 7.04(C)(2)(b), may charge to the Account of a Participant the reasonable expenses incurred under this Section 7.07 and which are associated with the Participant's Account, without regard to whether or when the Plan actually locates or makes a distribution to the Participant.

**(F) Alternative Disposition.** The Plan under Sections 7.07(A) or (B) operationally may dispose of a lost Participant's Account in any reasonable manner which is not inconsistent with the Code. The Plan Administrator or a Vendor may adopt a policy under this Section 7.07 as it deems reasonable or appropriate to administer the Accounts of lost Participants. To the extent a Vendor adopts a policy, that policy will apply to Investment Arrangements of this Plan which the Vendor administers, and the terms and administration of the Policy must be uniform among such Investment Arrangements. The Plan also may administer lost Participant Accounts consistent with the Code which is contrary to any provision of Section 7.07.

**7.08** PLAN CORRECTION. The Plan Administrator in conjunction with the Employer may undertake such correction of Plan failures as the Plan Administrator deems necessary, including correction to preserve tax qualification of the Plan under Code §403(b). Without limiting the Plan Administrator's authority under the prior sentence, the Plan Administrator, as it determines to be reasonable and appropriate, may undertake or assist the Employer in undertaking correction of Plan document, operational, demographic and employer eligibility failures under a method described in the Plan or under the Employee Plans Compliance Resolution System ("EPCRS") or any successor program to EPCRS. The Plan Administrator may correct an operational failure by distributing from the Plan Elective Deferrals, including Earnings, and the Plan Administrator may forfeit any Matching Contributions, including Earnings, attributable to the distributed Elective Deferrals or any other Matching Contribution which a Participant has not otherwise accrued.

**7.09** PLAN COMMUNICATIONS, INTERPRETATION AND CONSTRUCTION.

**(A) Plan Administrator's Discretion.** The Plan Administrator has total and complete discretion to interpret and construe the Plan and to determine all questions arising in the administration, interpretation and application of the Plan. Any determination the Plan Administrator makes under the Plan is final and binding upon any affected person.

**(B) Written Communications.** All Plan notices and all Participant or Beneficiary notices, designations, elections, consents or waivers must be in writing (which under Section 7.09(C) may include an electronic communication) and made in a form the Plan specifies or otherwise approves. Any person entitled to notice under the Plan may waive the notice or shorten the notice period as permitted by law.

**(C) Use of Electronic Media.** The Plan using any electronic medium may give or receive any Plan notice, communicate any Plan policy, conduct any written Plan communication, satisfy any Plan filing or other compliance requirement and conduct any other Plan transaction to the extent permissible under the Code. A Participant, a Participant's spouse, or a Beneficiary, may use any electronic medium to provide any Beneficiary designation, election, notice, consent or waiver under the Plan, to the extent allowed by the Code. Any reference in this Plan to a "form," a "notice," an "election," a "consent," a "waiver," a "designation," a "policy" or to any other Plan-related communication includes an electronic version.

**(D) Evidence.** Anyone, including the Employer, required to give data, statements or other information relevant under the terms of the Plan ("evidence") may do so by certificate, affidavit, document or other form which the person to act in reliance may consider pertinent, reliable and genuine, and to have been signed, made or presented by the proper party or parties. The Plan Administrator and the Vendors are protected fully in acting and relying upon any evidence described under the immediately preceding sentence.

**(E) Plan Terms Binding.** The Plan is binding upon the Employer, Plan Administrator, Vendors (to the extent no changes are made to the Plan after it is provided to the Employer or Vendor), and all other service providers to the Plan, upon Participants, Beneficiaries and all other persons entitled to benefits, and upon the successors and assigns of the foregoing persons. As to a Vendor, see Section 8.01(B).

**(F) Employment Not Guaranteed.** Nothing contained in this Plan, or any modification or any amendment to the Plan, or in the creation of any Account, or with respect to the payment of any benefit, gives any Employee, Participant or any Beneficiary any right to employment or to continued employment by the Employer, or any legal or equitable right against the Employer, the Plan Administrator or any employee or agent thereof, except as expressly provided by the Plan.

**(G) Word Usage.** Words used in the masculine also apply to the feminine where applicable, and wherever the context of the Plan dictates, the plural includes the singular and the singular includes the plural. Titles of Plan and Adoption Agreement sections are for reference only.

**(H) State Law.** The law of the state of the Employer's principal place of business will determine all questions arising with respect to the provisions of the Plan. The Employer, in Appendix B to its Adoption Agreement, may elect to apply the law of another state.

**(I) Parties to Litigation.** A Participant or a Beneficiary is not a necessary party or required to receive notice of process in any court proceeding involving the Plan, an Investment Arrangement or any fiduciary of the Plan. Any final judgment entered in any such proceeding will be binding upon the Employer, the Plan Administrator, affected Vendors, Participants and Beneficiaries and upon their successors and assigns provided that the Vendor has been properly served and has had opportunity to litigate the issue.

**(J) Fiduciaries Not Insurers.** The Plan Administrator and the Employer in no way guarantee the Investment Arrangements from loss or depreciation. The Employer does not guarantee the payment of any money which may be or becomes due to any person from an Investment Arrangement. The liability of the Employer, the Plan Administrator and a Vendor to make any payment from the Investment Arrangement at any time and all times is limited to the then available assets of the Account.

**(K) Construction/Severability.** The Plan, the Adoption Agreement, the Investment Arrangements and all other documents to which they refer, will be interpreted consistent with and to preserve tax qualification of the Plan under Code §403(b). Any provision which a court (or other entity with binding authority to interpret the Plan) determines to be inconsistent with such construction and interpretation is deemed severed and is of no force or effect, and the remaining Plan terms will remain in full force and effect.

**ARTICLE 8. PLAN FUNDING**

**8.01** INVESTMENT ARRANGEMENTS/INCORPORATION OF TERMS.

**(A) Alternative Investment Arrangements.** The Plan may be funded by means of one or more Custodial Accounts or Annuity Contracts. The Employer will specify in Appendix D to its Adoption Agreement the Annuity Contracts and Custodial Accounts available under the Plan.

- (1) **Multiple vehicles.** The Plan may provide more than one Investment Arrangement within the single Plan.
- (2) **Selection of specific funding.** The Employer in its sole discretion will designate from time to time the specific Investment Arrangements which are available as Plan investments. The Employer may change such designation at any time.
- (3) **Nonforfeitability.** An Investment Arrangement must be nonforfeitable under Code §403(b)(1)(C), except as otherwise provided herein (such as the vesting provisions of Article 5).
- (4) **Group trust.** As permitted under the Code, Plan assets under a Custodial Account may be invested in a group trust with assets held by tax qualified plans or individual retirement plans. Notwithstanding any contrary provision in the Plan, the Plan Administrator may transfer, unless restricted in writing by the Custodian, Plan assets to a group trust that is operated or maintained exclusively for the commingling and collective investment of monies provided that the funds in the group trust consist exclusively of trust assets held under plans qualified under Code §403(b), Code §401(a), individual retirement accounts that are exempt under Code §408(e), and eligible Governmental Plans under Code §457(b). For purposes of valuation, the value of the interest maintained by the Plan in such group trust will be the fair market value of the portion of the group trust held for the Plan, determined in accordance with generally recognized valuation procedures. This authorization applies solely to a group trust fund exempt from taxation under Code §501(a) and the trust agreement of which satisfies the requirements of Revenue Ruling 81-100 (as modified and clarified by Revenue Ruling 2004-67), or any successor thereto. The provisions of the group trust fund agreement, as amended from time to time, are by this reference incorporated within this Plan, subject to the limitations contained herein. The provisions of the group trust fund will govern any investment of Plan assets in that fund. For purposes of this Section 8.01(A)(4), a trust includes a custodial account which is treated as a trust under Code §401(f).

**(B) Incorporation of Terms.** The Plan under this Section 8.01(B) incorporates the provisions of the Investment Arrangement Documentation. To the extent that any of these incorporated provisions conflict with the remaining Plan terms (including references to Investment Arrangements), the Plan provisions will prevail. In the event of any conflict between the terms of this Plan and the terms of any document that is made a part of the Plan, the Plan Administrator shall resolve the conflict. In the event of any conflict between the terms of this Plan and the terms of any portion of any document that is not a part of the Plan, the Plan provisions shall control.

**8.02** CONTRIBUTION TIMING.

**(A) General.** The Employer will make its contributions to the Investment Arrangement within a period that is not longer than is reasonable for the proper administration of the Plan.

**(B) Elective Deferrals.** The Employer will transmit Elective Deferrals to an Investment Arrangement within a reasonable period of time following the date the Employer withholds the Elective Deferrals from the Participant's Compensation.

**8.03** ANNUITY CONTRACT.

**(A) Defined.** An Annuity Contract is defined in 1.06, subject to the additional rules of this Section 8.03.

- (1) **Transition Rule.** An Annuity Contract issued under a State maintained Plan established on or before May 17, 1982, need not comply with the requirement that the contract issuer be qualified to issue annuities in a State.

**(B) Prohibition on Life Insurance and Other Insurance.** An Annuity Contract may not consist of a life insurance contract under Code §7702, an endowment contract, a health or accident insurance contract, nor a property, casualty, or liability insurance contract. This limitation does not apply to a contract issued before September 24, 2007.

**8.04** CUSTODIAL ACCOUNT.

**(A) Defined.** A Custodial Account is defined in Section 1.14, as established under a Custodial Agreement, subject to the additional rules of this Section 8.04.

**(B) Limitation on Investment Assets/Other Limitations.** All assets held in the Custodial Account must be invested in stock of one or more regulated investment companies as defined in Code §851(a).

## ARTICLE 9. ADDITIONAL PROVISIONS

**9.01 EXCLUSIVE BENEFIT.** Except as provided under Section 3.01(E), the Employer does not have any beneficial interest in any asset of an Investment Arrangement and no part of any asset in an Investment Arrangement may ever revert to or be repaid to the Employer, either directly or indirectly; nor, prior to the satisfaction of all liabilities with respect to the Participants and their Beneficiaries under the Plan, may any part of the corpus or income of the Investment Arrangement, or any asset of the Investment Arrangement, be (at any time) used for, or diverted to, purposes other than the exclusive benefit of the Participants or their Beneficiaries and for defraying reasonable expenses of administering the Plan.

### 9.02 AMENDMENT.

**(A) Permitted Amendments.** The Employer, consistent with this Section 9.02 and other applicable Plan provisions, has the right, at any time to amend the Plan as follows:

- (1) **Adoption Agreement.** To restate or amend the elective provisions of the Adoption Agreement (changing an existing election or making a new election) in any manner the Employer deems necessary or advisable;
- (2) **Code §415.** To add in Appendix B to its Adoption Agreement overriding language to satisfy Code §415 because of the required aggregation of multiple 403(b) plans; and
- (3) **Interim Amendments.** To make such good faith amendments as the Employer considers necessary to keep the Plan in compliance with the Code.

**(B) Amendment Formalities.**

- (1) **Writing.** The Employer must make all Plan amendments in writing. Each amendment must specify the amendment execution date and, if different from its execution date, must specify the date as of which the amendment is either retroactively or prospectively effective.
- (2) **Restatement.** An Employer may amend its Plan by means of a complete restatement of its Adoption Agreement. To restate its Plan, the Employer must complete, and the Employer must execute and date, a new Adoption Agreement or a replacement plan document.
- (3) **Amendment (without restatement).** An Employer may amend its Plan without completion of a new Adoption Agreement by either: (a) completion and substitution of one or more Adoption Agreement pages including a new Adoption Agreement Execution Page executed and dated by the Employer; or (b) other written instrument amending the Adoption Agreement executed and dated by the Employer.
- (4) **Operational discretion and policy not an amendment.** A Plan amendment does not include the Plan Administrator's exercise of any operational discretion the Plan accords to the Plan Administrator, including but not limited to, the Plan Administrator's adoption, modification or termination of any policy, rule or regulation in accordance with the Plan or any change to an administrative checklist, or other ancillary documents described in Section 1.04 which are part of the Plan, other than the Adoption Agreement and the basic plan document.
- (5) **Signatory Employer authority.** If the Plan has Participating Employers, only the Signatory Employer need execute any Plan amendment under this Section 9.02. See Section 1.29(A).

**(C) Impermissible Amendment/Protected Benefits.**

- (1) **Exclusive benefit/no reversion.** The Employer may not amend the Plan to permit any of an Investment Arrangement (other than as required to pay taxes and reasonable administrative expenses) to be used for or diverted to purposes other than for the exclusive benefit of the Participants and Beneficiaries. An amendment may not cause any portion of the Investment Arrangement to revert to the Employer or to become the Employer's property.
- (2) **Alteration of Plan Administrator or Vendor duties.** The Employer may not amend the Plan in any manner which affects the powers duties or responsibilities of the Plan Administrator, or of a Vendor without the written consent of the affected party.
- (3) **No cut-backs.** An amendment (including the adoption of this Plan as a restatement of an existing plan) may not decrease a Participant's Account Balance.

**(D) Practitioner Amendments.** The Practitioner may amend any part of the Plan. For purposes of Practitioner amendments, the mass submitter shall be recognized as the agent of the Practitioner. If the Practitioner does not adopt the amendments made by the mass submitter, it will no longer be based on the mass submitter Plan.

**9.03** VOLUME SUBMITTER PRACTITIONER AMENDMENTS.

**(A) General.** The Practitioner, without the Employer's consent, may amend the Plan (including any Adoption Agreement), from time to time on behalf of Employers who have previously adopted the Plan: (1) to conform the Plan to any changes to the Code, and other IRS Guidance (including adoption of model, sample or other required good faith amendments that specifically provide that their adoption will not cause such plan to be individually designed); or (2) to make corrections to prior approved plans that may be applied to all employers who adopted the Plan. The Practitioner, also may amend the Plan (including any Adoption Agreement), from time to time effective as to employers who have not yet adopted the Plan. The Practitioner's mass submitter may act as the agent of the Practitioner in adopting amendments.

**(B) Notice to Employers.** The Practitioner must make reasonable and diligent efforts to ensure adopting Employers have actually received and are aware of all Practitioner generated Plan amendments and that such Employers complete and sign new Adoption Agreements when necessary.

**(C) Prohibited Amendments.** Except under Section 9.03, the Practitioner may not amend the Plan in any manner which would modify any adopting Employer's Plan existing Adoption Agreement election without the Employer's written consent. In addition, the Practitioner may not amend the Plan in any manner which would violate Section 9.02(C).

**(D) Practitioner limitations.** A Practitioner may no longer amend the Plan as to any adopting Employer as of the date: (1) the Employer amends its Plan in a manner as would result in the type of plan not permitted under the Volume Submitter program; or (2) the IRS notifies the Practitioner that the Plan is being treated as an individually designed plan.

**9.04** FROZEN PLAN.

**(A) Employer Action to Freeze.** The Employer subject to Section 9.02(C) and by proper Employer action has the right, at any time, to suspend or discontinue all contributions under the Plan and thereafter to continue to maintain the Plan as a Frozen Plan (subject to such suspension or discontinuance) until the Employer terminates the Plan. During any period while the Plan is frozen, the Plan Administrator will continue to: (1) allocate forfeitures, if any, in accordance with Section 3.07, irrespective of when the forfeitures occur under Section 5.07; and (2) operate the Plan in accordance with its terms other than those related to the making and allocation of additional (new) contributions.

**(B) Not a Termination.** A resolution or an amendment to discontinue all future contributions, but otherwise to continue maintenance of this Plan, is not a Plan termination for purposes of Section 9.05.

**9.05** PLAN TERMINATION.

**(A) Employer Action to Terminate.** The Employer, subject to Section 9.02(C) and by proper Employer action, has the right, at any time, to terminate this Plan. Unless otherwise required under state law, the Employer has no obligation or liability whatsoever to maintain the Plan for any specific length of time and may terminate the Plan or discontinue contributions under the Plan at any time without liability hereunder for any such discontinuance. The Plan will terminate upon the first to occur of the following:

- (1) **Specified date.** The Effective Date of termination specified by proper Employer action; or
- (2) **Employer no longer exists.** The Effective Date of dissolution or merger of the Employer, unless a successor makes provision to continue the Plan, in which event the successor must substitute itself as the Employer under this Plan.

**(B) [Reserved]**

**(C) General Procedure upon Termination.** Upon termination of the Plan, the distribution provisions of Article 6 remain operative, with the following exceptions and subject to any restrictions in the Investment Arrangement Documentation:

- (1) **Distribution; transfer.** The Vendor may distribute the Participant's Vested Account Balance to him/her in a lump sum as soon as administratively practicable after the Plan terminates. Alternatively, if the Employer maintains any other 403(b) plan, the Plan Administrator to facilitate Plan termination may direct the Vendor to transfer the Account of a Participant to the other 403(b) plan.
- (2) **Plan Termination Distribution.** For purposes of the Plan termination requirements, the Plan may treat the delivery of a fully paid Annuity Contract as a distribution.

**(D) [Reserved]**

**(E) 403(b) Plan Distribution Restrictions.** A Participant's Restricted Balances are distributable on account of Plan termination, as described in this Section 9.05, only if: (i) the Employer (including any Related Employer, determined as of the Effective Date of Plan termination) does not maintain an Alternative 403(b) Plan and the Plan distributes the Participant's entire Vested Account Balance in a lump sum; or (ii) the Participant otherwise is entitled under the Plan to a distribution of his/her Vested Account Balance.

(1) **Definition of Alternative 403(b) Plan.** An Alternative 403(b) Plan is another 403(b) Plan to which the Employer makes contributions during the period beginning on the date of Plan termination and ending 12 months after distribution of all assets from the terminating Plan. However, a plan is not an Alternative 403(b) Plan if less than 2% of the Employees eligible to participate in the terminating Plan as of the termination date are eligible to participate (beginning 12 months prior to and ending 12 months after the Plan's termination Effective Date and distribution of all of the assets of the terminated Plan) in the potential Alternative 403(b) Plan.

**(F) Continuing Investment Arrangement Documentation.** A Vendor's Investment Arrangement Documentation will continue in effect until the Vendor has distributed all of the benefits under the Investment Arrangement. On each Valuation Date, the Plan will credit any part of a Participant's Account Balance retained in the Investment Arrangement with its share of Earnings.

**(G) Lost Participants.** The Vendor will distribute the Accounts of lost Participants in a terminating Plan in accordance with the Plan Administrator's direction under Section 7.07(B) or as the Investment Arrangement Documentation may provide.

**(H) Vesting.** Upon either full or partial termination of the Plan, an affected Participant's right to his/her Account Balance is 100% Vested, irrespective of the Vested percentage which otherwise would apply under Article 5.

## 9.06 MERGER/DIRECT TRANSFER.

**(A) Authority.** Subject to the terms of the Investment Arrangements, the Plan Administrator possesses the specific authority to enter into merger agreements or direct transfer of assets agreements with another 403(b) Plan, including an elective transfer, and to accept the direct transfer of plan assets, or to transfer plan assets, as a party to any such agreement. The limitations of this Section 9.06 do not apply to rollovers described in Sections 3.08 or 6.08. Except as provided in Sections 9.06(G) and (H), the Plan may not accept a transfer or merger from, or make a transfer or merger to, a qualified plan or a plan described in Code §457(b).

### **(B) Regulatory Requirements.**

(1) **Contract exchange within same plan.** Except as the Employer otherwise elects in Appendix B to its Adoption Agreement, a Participant (or Beneficiary) may exchange one 403(b) Investment Arrangement for another Investment Arrangement then authorized to receive ongoing contributions under the Plan provided the exchange satisfies the following conditions: (1) the Participant's Accumulated Benefit immediately after the exchange at least equals the Participant's Accumulated Benefit immediately before the exchange; and (2) to the extent the exchanged Investment Arrangement is subject to 403(b) Distribution Restrictions, the other Investment Arrangement imposes distribution restrictions no less stringent than those imposed by the exchanged Investment Arrangement.

(2) **Plan-to-plan transfer.** A plan-to-plan transfer is permissible, if the transfer satisfies the following conditions: (1) the Participant (or Beneficiary) subject to the transfer is an employee or former employee of the employer providing the receiving plan; (2) the transferor plan provides for transfers; (3) the receiving plan provides for the receipt of transfers; (4) the Participant's Accumulated Benefit after the transfer at least equals the Participant's Accumulated Benefit before the transfer; (5) to the extent the transferred Investment Arrangement is subject to 403(b) Distribution Restrictions, the receiving plan imposes distribution restrictions no less stringent than those imposed on the transferor plan; and (6) if the transfer does not constitute a complete transfer of the Participant's interest in the transferor plan, the transferee plan treats the amount transferred as a continuation of a pro rata portion of the Participant's interest in the transferor plan (*e.g.*, a pro rata interest in any Employee Contributions). This Plan expressly prohibits such transfers except to the extent the Employer provides otherwise in Appendix B to its Adoption Agreement. The Plan Administrator may require such documentation from the other plan as it deems necessary to effectuate the transfer in accordance with the requirements of this Section and Treas. Reg. §1.403(b)-10(b)(3) and to confirm that any other plan involved in the transfer satisfies Code §403(b).

(3) **Contract exchange to Vendor which is not part of the Plan.** A Participant (or Beneficiary) may exchange one 403(b) Investment Arrangement for an Investment Arrangement not provided under the Plan, if the exchange satisfies the following conditions: (1) the Vendor agrees to assume the responsibilities of a Vendor hereunder; (2) the Participant's Accumulated Benefit immediately after the exchange at least equals the Participant's Accumulated Benefit immediately before the exchange; (3) to the extent the exchanged Investment Arrangement is subject to 403(b) Distribution

Restrictions, the other Investment Arrangement imposes distribution restrictions no less stringent than those imposed by the exchanged Investment Arrangement; (4) the Employer has not prohibited the exchange in Appendix B to its Adoption Agreement; and (5) the Employer and the Vendor enter into an Information Sharing Agreement, as defined in Section (C). Unless otherwise specified in Appendix B to the Adoption Agreement, the Plan provides for and permits such exchanges with any Vendor which agrees to assume the responsibilities of a Vendor hereunder and enters into an Information Sharing Agreement.

**(C) Information Sharing Agreement.** An Information Sharing Agreement should provide for the exchange of the following information:

(1) **403(b) matters.** Information necessary for the resulting Investment Arrangement, or any other Investment Arrangement under the Plan, to satisfy Code §403(b), including the following: (i) the Employer providing information as to whether the Participant's employment with the Employer is continuing, and notifying the Vendor when the Participant has had a Severance from Employment; (ii) the Vendor notifying the Employer of any hardship withdrawal; and (iii) the Vendor providing information to the Eligible Employer or other Vendors concerning the Participant's or Beneficiary's 403(b) contracts or Custodial Accounts or qualified employer plan benefits (to enable a Vendor to determine the amount of any Plan loans and rollover accounts that are available to the Participant under the Plan in order to satisfy the financial need under the hardship withdrawal rules):

(2) **Reporting matters.** Information necessary for the Plan Administrator and Vendor to satisfy any reporting, disclosure, or federal or state withholding obligations related to the Investment Arrangement; and

(3) **Other matters.** Information necessary in order for the resulting Investment Arrangement and any other Investment Arrangement under the Plan for the Participant to satisfy other tax requirements, including the following: (i) the amount of any plan loan that is outstanding to the Participant in order for a Vendor to determine whether an additional plan loan satisfies the loan limitations, so that any such additional loan is not a deemed distribution under Code §72(p)(1); and (ii) information concerning the Participant's or Beneficiary's after-tax Employee contributions in order for a Vendor to determine the extent to which a distribution is includible in gross income.

**(D) Administration of Transferred Amount.** The Vendor will hold, administer and distribute the transferred assets as a part of the Investment Arrangement.

**(E) Pre-Participation Transfers.** The Vendor may accept a direct transfer of plan assets on behalf of an Employee prior to the date the Employee satisfies the Plan's eligibility conditions or prior to reaching the Entry Date. If the Vendor accepts such a direct transfer of plan assets, the Plan Administrator and the Vendor must treat the Employee as a limited Participant as described in Section 3.08(C).

**(F) Elective Transfer/Protected Benefits.** The Plan ("transferee plan") will not fail to satisfy the requirements of Section 9.06 because the Plan does not provide some or all of the forms of distribution (including the timing of distribution forms) previously available under another 403(b) Plan ("transferor plan") to the extent that: (1) the transferee plan receives a direct transfer of the Participant's Account Balance under the transferor plan, or the transferee plan results from a merger or other transaction that has the effect of a direct transfer, including consolidations of benefits attributable to different employers within a multiple employer plan; (2) the terms of both plans authorize the transfer; (3) the transfer occurs following a Participant's voluntary election made after the Participant has received a notice describing the consequences of making the election; and (4) the transferee plan permits the Participant to receive a distribution of his/her account balance in the form of a single sum distribution, if permitted under the terms of the Investment Arrangement.

**(G) Transfers to Purchase Service Credit.** If the Employer elects in Appendix B to its Adoption Agreement and if permitted by the terms of the Investment Arrangement, the Plan Administrator upon Participant request may instruct the Vendor to transfer an amount from the Participant's 403(b) Plan Account to a governmental Defined Benefit Plan in which he/she participates for: (1) the purchase of permissive service (as defined in Code §415(n)(3)(A)) under such plan; or (2) the repayment of a cash-out distribution (as defined in Code §415(k)(3)). In the case of a FICA Replacement "3121" plan, a transfer may only be made after the Participant has had a Severance from Employment.

## 9.07 INFORMATION SHARING.

Each Vendor and the Plan Administrator shall exchange such information as may be necessary to satisfy Code §403(b) or other requirements of applicable law. In the case of a Vendor which is not eligible to receive contributions under the Plan (including a Vendor which has ceased to be a Vendor eligible to receive contributions under the Plan and a Vendor holding assets under the Plan), the Employer shall keep the Vendor informed of the name and contact information of the Plan Administrator in order to coordinate information necessary to satisfy Code §403(b) or other requirements of applicable law. If any Vendor ceases to be eligible to receive contributions under the Plan, the Employer will offer to enter into an Information Sharing Agreement as described in Section 9.06(C) to the extent the Employer's contract with the Vendor does not already provide for the exchange of information described in therein.

## ARTICLE 10. MULTIPLE EMPLOYER PLAN

**10.01 ELECTION/OVERRIDING EFFECT.** This Article 10 applies only to the extent described in Paragraphs (A) or (B) below. If this Article 10 does apply, then the rules of Code §413(c) and the related Treasury Regulations (which are incorporated by reference) will apply to the adopting Employer and each Participating Employer. The provisions of Article 10, if in effect, supersede any contrary provisions in the Plan or the Employer's Adoption Agreement. *Note: The IRS has not reviewed the provisions of this Article 10, and the Employer cannot rely on the Advisory Letter with regard to the validity of these provisions.*

**(A) Election.** If the Employer elects in its Adoption Agreement that the Plan is a Multiple Employer Plan, then the provisions of this Article 10 will apply as of the Effective Date the Employer elects in its Adoption Agreement. If an Employer that is not a Related Employer becomes a Participating Employer, then this Article 10 will apply effective as of the date the Employer specifies in its participation agreement.

**(B) Automatic Effect.** If a Related Employer is a Participating Employer, and thereafter ceases to be a Related Employer (but is still a Participating Employer), then the provisions of this Article 10 will apply thereafter until the Plan is no longer maintained by a Participating Employer which is not a Related Employer.

**10.02 DEFINITIONS.** The following definitions apply to this Article 10 and supersede any conflicting definition in the Plan.

**(A) Employee.** Employee means any Employee of a Participating Employer.

**(B) Lead Employer.** The Lead Employer means the Signatory Employer to the Adoption Agreement Execution Page, and does not include any Related Employer or Participating Employer except as described in the next sentence. If the Adoption Agreement designates that Article 10 applies pursuant to Section 10.01(A), the Lead Employer will be a Participating Employer unless otherwise specified in a separate agreement. The Lead Employer has the same meaning as the Signatory Employer for purposes of making Plan amendments and other purposes as described in Section 1.29(A) regardless of whether the Lead Employer is also a Participating Employer under this Article 10. As to the right of a Lead Employer to terminate the participation of a Participating Employer, see Section 10.09.

**(C) Participating Employer.** A "Participating Employer" is an Eligible Employer which, with the consent of the Lead Employer, executes a Participation Agreement to the Adoption Agreement. A Participating Employer is an Employer for all purposes of the Plan except as provided in Section 1.29. A Participating Employer may, but need not be a Related Employer.

**10.03 PARTICIPATING EMPLOYER ELECTIONS.** In its Adoption Agreement, the Lead Employer will specify: (A) whether a Participating Employer may modify any of the Adoption Agreement elections; (B) which elections the Participating Employer may modify; and (C) any restrictions on the modifications. Such elections and modifications must be reflected on the Participation Agreement the Participating Employer signs. See Section 1.51.

**10.04 HCE STATUS.** The Plan Administrator will determine HCE status under Section 1.39 separately with respect to each Participating Employer.

**10.05 TESTING.**

**(A) Separate Status.** The Plan Administrator will perform the universal availability requirement of Section 2.01(A) separately for each Participating Employer, with respect to the Employees of that Participating Employer. For this purpose, the Employees of a Participating Employer, and their allocations and Accounts, will be treated as though they were in a separate plan. Any Plan correction under Section 7.08 will only affect the Employees of the Participating Employer.

**(B) Transition Year.** This Section 10.05(B) applies if as a result of a transaction or similar event a Participating Employer ceases to be a Related Employer in the middle of a Plan Year. In such a situation the Plan Administrator may perform the tests described in Section 10.05(A) as though (1) the Plan Year consisted of two Plan Years, before and after the transaction; or (2) on the basis of a single Plan Year, taking all for each Participating Employer the Employees of Related Employers before the transaction, and disregarding Employees who are not Employees of Related Employers after the transaction.

**(C) Joint Status.** The Plan Administrator will perform the following tests for the Plan as whole, without regard to an Employee's employment by a particular Participating Employer:

- (1) **Annual Additions Limit.** Applying the Annual Additions Limit in Section 4.05(B).
- (2) **Elective Deferral Limit.** Applying the Elective Deferral Limit in Section 4.10(A).
- (3) **Catch-Up Limit.** Applying the limit on Catch-Up Deferrals in Section 3.02(D) or 3.02(E).

**10.06** COMPENSATION.

**(A) Separate Determination.** For the following purposes, described in this Section 10.06(A), the Plan Administrator will determine separately a Participant's Compensation for each Participating Employer. Under this determination, except as provided below, Compensation from a Participating Employer includes Compensation paid by a Related Employer of that Participating Employer.

(1) **[Reserved]**

(2) **Allocations.** Application of allocations under Article 3. However, the Employer's Adoption Agreement elections control the extent to which Compensation for this purpose includes Compensation of Related Employers.

(3) **HCE determination.** The determination of an Employee's status as an HCE.

**(B) Joint Status.** For all Plan purposes other than those described in Section 10.06(A) but not limited to determining the Annual Additions Limit in Section 4.05(B), Compensation includes all Compensation paid by or for any Participating Employer or Related Employer.

**10.07 SERVICE.** An Employee's Service includes all Hours of Service and Years of Service with any and all Participating Employers and their Related Employers. An Employee who terminates employment with one Participating Employer and immediately commences employment with another Participating Employer has not incurred a Separation from Service or a Severance from Employment.

**10.08** COOPERATION AND INDEMNIFICATION.

**(A) Cooperation.** Each Participating Employer agrees to timely provide to the Plan Administrator upon request all information the Plan Administrator deems necessary. Each Participating Employer will cooperate fully with the Plan Administrator, the Lead Employer, and with Plan fiduciaries and other proper Plan representatives in maintaining the qualified status of the Plan. Such cooperation will include payment of such amounts into the Plan, to be allocated to Employees of the Participating Employer, which are reasonably required to maintain the tax-qualified status of the Plan.

**(B) Indemnity.** Each Participating Employer will indemnify and hold harmless the Plan Administrator, the Lead Employer, the Plan, other Plan fiduciaries, other Participating Employers, Participants and Beneficiaries, and as applicable, their subsidiaries, officers, directors, shareholders, employees, and agents, and their respective successors and assigns, against any cause of action, loss, liability, damage, cost, or expense of any nature whatsoever (including, but not limited to, attorney's fees and costs, whether or not suit is brought, as well as all IRS Plan disqualification, fiduciary breach or other sanctions, compliance fees or penalties) arising out of or relating to: (1) the Participating Employer's noncompliance with any of the Plan's terms or requirements; or (2) the Participating Employer's intentional or negligent act or omission with regard to the Plan, including the failure to provide accurate, timely information requested by the Plan Administrator.

**10.09 INVOLUNTARY TERMINATION.** The Lead Employer may terminate the participation of any Participating Employer (hereafter, "Terminated Employer") in this Plan. If the Lead Employer acts under this Section 10.09, the following will occur:

**(A) Notice.** The Lead Employer will give the Terminated Employer a notice of the Lead Employer's intent to terminate the Terminated Employer's status as a Participating Employer of the Plan. The Lead Employer will provide such notice not less than 30 days prior to the Effective Date of termination unless the Lead Employer determines that the interests of Plan Participants requires earlier termination.

**(B) Spin-off.** The Lead Employer will establish a new 403(b) Plan, using the provisions of this Plan with any modifications contained in the Terminated Employer's Participation Agreement, as a guide to establish a new 403(b) Plan (the "Spin-off Plan"). The Lead Employer will direct the Vendors to transfer (in accordance with the rules of Treas. Reg. §1.403(b)-10(b)) the Accounts of the Employees of the Terminated Employer to the Spin-off Plan. The Terminated Employer will be the Employer, Plan Administrator, and sponsor of the Spin-off Plan. The Lead Employer may charge the Terminated Employer or the Accounts of the Employees of the Terminated Employer with the reasonable expenses of establishing the Spin-off Plan.

**(C) Transfer.** The Terminated Employer, in lieu of the Lead Employer's creation of the Spin-off Plan under Section 10.09(B), may elect a transfer under this Section 10.09(C) to effect the termination of its status as a Participating Employer. To elect this alternative, the Terminated Employer must give notice to the Lead Employer of its choice, and must supply any documentation which the Lead Employer reasonably may require as soon as is practical and before the Effective Date of termination. If the Lead Employer has not received such notice and any required documentation within ten (10) days prior to the stated date of termination, the Lead Employer may proceed with the Spin-off Plan under Section 10.09(B). The Lead Employer will direct the transfer (in accordance with the rules of Treas. Reg. §1.403(b)-10(b)) of the Accounts of the Employees of the Terminated Employer to a 403(b) plan the Terminated Employer maintains. The Terminated Employer must deliver to the Lead Employer in writing such identifying and other relevant information regarding the transferee plan and must provide such assurances as the Lead Employer may reasonably require that the transferee plan is a 403(b) plan.

**(D) Participants.** The Employees of the Terminated Employer will cease to be eligible to accrue additional benefits under the Plan with respect to Compensation paid by the Terminated Employer, as of the Effective Date of the termination. To the extent that these Employees have accrued but unpaid contributions as of such Effective Date, the Terminated Employer will pay such amounts to the Plan or to the Spin-off Plan no later than 30 days after the Effective Date of termination, unless the Terminated Employer has elected the transfer alternative under Section 10.09(C).

**(E) Consent.** By its execution of the Participation Agreement, the Terminated Employer specifically consents to the provisions of this Article 10, and in particular, this Section 10.09 and agrees to perform its responsibilities with regard to the Spin-off Plan, if necessary.

**10.10 VOLUNTARY TERMINATION.** A Participating Employer (hereafter "Withdrawing Employer") may voluntarily withdraw from participation in the Plan at any time. If and when a Withdrawing Employer wishes to withdraw, the following will occur:

**(A) Notice.** The Withdrawing Employer will inform the Lead Employer and the Plan Administrator of its intention to withdraw from the Plan. The Withdrawing Employer must give the notice not less than 30 days prior to the Effective Date of its withdrawal.

**(B) Procedure.** The Withdrawing Employer and the Lead Employer will agree upon procedures for the orderly withdrawal of the Withdrawing Employer from the Plan. Such procedures, as they relate to the Accounts of the Employees of the Withdrawing Employer, may include any alternative described in Section 10.09.

**(C) Costs.** The Withdrawing Employer will bear all reasonable costs associated with withdrawal and transfer under this Section 10.10.

**(D) Participants.** The Employees of the Withdrawing Employer will cease to be eligible to accrue additional benefits under the Plan as to Compensation paid by the Withdrawing Employer, as of the Effective Date of withdrawal. To the extent that such Employees have accrued but unpaid contributions as of such Effective Date, the Withdrawing Employer will contribute such amounts to the Plan or the Spin-off Plan promptly after the Effective Date of withdrawal, unless the Accounts are transferred to a 403(b) plan the Withdrawing Employer maintains.

A meeting of the Health Affairs Committee of the University of South Alabama Board of Trustees was duly convened by Dr. Scott Charlton, Chair, on Thursday, September 12, 2019, at 2:22 p.m. in the Board Room of the Frederick P. Whiddon Administration Building.

Members Present: Chandra Brown Stewart, Scott Charlton, Steve Furr, Arlene Mitchell, Margie Tuckson and Jim Yance.

Member Absent: Steve Stokes.

Other Trustees: Alexis Atkins, Tom Corcoran, Ron Graham, Ron Jenkins, Lenus Perkins, Jimmy Shumock and Mr. Windom. Participating by phone was Ken Simon.

Administration & Guests: Owen Bailey, Michael Chang, Lynne Chronister, Kristin Dukes, Joel Erdmann, Monica Ezell, Paul Frazier, Mike Haskins, David Johnson, Nick Lawkis, Kevin Macaluso, John Marymont, Susan McCready (Faculty Senate), Mike Mitchell, Mimi Munn, Rod Rocconi, John Smith, Margaret Sullivan, Sahilee Waitman (SGA), Tony Waldrop, Scott Weldon and Alan Whaley.

Media: Ebonee Burrell (The Vanguard).

The meeting came to order and the attendance roll was called. Dr. Charlton called for consideration of the minutes of the meeting held on June 5, 2019. On motion by Mr. Yance, seconded by Ms. Tuckson, the Committee voted unanimously to adopt the minutes.

Dr. Charlton called on Mr. Bailey, who explained **ITEM 13**, a resolution authorizing the community health needs assessment recently conducted by USA Health and adoption of the implementation strategies developed as a result of the assessment. (To view approved resolutions, policies and other authorized documents, refer to the minutes of the Board of Trustees meeting held on September 13, 2019.) Mr. Bailey stated that the Affordable Care Act required not-for-profit hospitals to conduct a community needs health assessment every three years. He discussed assessment components, adding that Associate Professor Dr. Thomas Shaw and his team in the Department of Political Science and Criminal Justice completed the polling and analysis processes. He said efforts are underway to address needs involving challenges faced by infants and mothers, diabetes, respiratory cancers, disease prevention and public education on health care. Dr. Charlton emphasized that for-profit hospitals were not required to complete this type of assessment. On motion by Ms. Mitchell, seconded by Ms. Brown Stewart, the Committee voted unanimously to recommend approval of the resolution by the Board of Trustees.

Dr. Charlton called for a report on the activities of the USA Health and the College of Medicine, **ITEM 14**. Dr. Marymont introduced and discussed the credentials of Professor and Locke

Distinguished Chair of the Department of Microbiology and Immunology Dr. Kevin Macaluso and Professor and Chair of the Department of Obstetrics and Gynecology Dr. Mimi Munn. Drs. Macaluso and Munn made brief remarks.

Dr. Marymont called for comments from Mr. Bailey. Mr. Bailey discussed the demolition of the Springhill Avenue Campus -- a facility of roughly 500,000 square feet that has exceeded its usefulness -- as early as October 2019 and plans to develop the property as a green space. He said the demolition would take four to five months to complete. Dr. Marymont said removal of the building would eliminate upkeep costs totaling approximately \$2 million annually. Mr. Bailey stated building materials and equipment would be repurposed as possible and he answered questions about tenants and the future of the property.

Mr. Bailey announced that Dr. Alan Whaley had assumed the role of USA Health Chief Operating Officer and would work in dyadic partnership with Chief Medical Officer Dr. Michael Chang. He added that Dr. Whaley was responsible for much of the growth of USA Health amid restructuring. Dr. Whaley conveyed pride for the positive momentum of USA Health.

Dr. Marymont mentioned the October 15 *A Night Honoring Heroes* benefit for the Fanny Meisler Trauma Center at University Hospital. He recognized Ms. Sullivan and the Development staff for their assistance and thanked Mr. Lawkis for his help coordinating Governor Ivey's attendance.

There being no further business, the meeting was adjourned at 2:40 p.m.

The meeting came to order and the attendance roll was called. Mr. Windom called for consideration of the minutes of the meeting held on June 5, 2019. On motion by Dr. Charlton, seconded by Mr. Perkins, the Committee voted unanimously to adopt the minutes.

Mr. Windom called for presentation of **ITEM 15**, a resolution granting tenure to new faculty Dr. John Usher, dean of the College of Engineering, and Dr. Kevin Macaluso, chair of the Department of Microbiology and Immunology. (To view approved resolutions, policies and other authorized documents, refer to the minutes of the Board of Trustees meeting held on September 13, 2019.) Provost Johnson advised that the candidates recently filled administrative roles. He and Dr. Marymont shared information on the candidates and the internal processes through which tenure candidates are vetted and approved prior to Board recommendation. On motion by Mr. Perkins, seconded by Ms. Tuckson, the Committee voted unanimously to recommend approval of the resolution by the Board of Trustees.

Mr. Windom asked Provost Johnson to address **ITEM 16**, a resolution authorizing out-of-state tuition rates for graduate students enrolled in the Pat Capps Covey College of Allied Health Professions. Provost Johnson explained that the current tuition rates were below market norms and the proposal was one of the strategies previously discussed to increase enrollment in the clinical graduate programs. He stated the current out-of-state student premium would be adjusted from 2.0 to 2.33 effective with the 2020 summer term and anticipated additional

adjustments over time. On motion by Charlton, seconded by Ms. Tuckson, the Committee voted unanimously to recommend approval of the resolution by the Board of Trustees.

Mr. Windom called for consideration of **ITEM 17**, a resolution authorizing the establishment of Jaguar Realty, LLC. Provost Johnson introduced Mitchell College of Business (MCOB) Dean Dr. Bob Wood and Director of USA's Center for Real Estate and Economic Development Dr. Reid Cummings for an overview. Dr. Cummings discussed the premise and advantages of forming Jaguar Realty, LLC, emphasizing that students could earn real estate licenses at a reduced out-of-pocket cost and receive paid internships with real estate firms to gain real-world experience prior to graduating. He further asserted the MCOB would benefit from expanded program awareness, enrollment and community outreach and added that Jaguar Realty, LLC, would not be a competitor in the real estate market. He recognized Mr. Abe Mitchell for having matched \$40,000 in seed money for the program. Dean Wood attested to the uniqueness of this model in the state and nation and said the program fit with the MCOB ideology of impact, innovation and engagement advancement. On motion by Mr. Perkins, seconded by Ms. Atkins, the Committee voted unanimously to recommend approval of the resolution by the Board of Trustees.

Mr. Windom called on Provost Johnson to address **ITEM 18**, a report on the activities of the Division of Academic Affairs. Provost Johnson introduced new chairs Dr. Todd Anel – Department of Computer Science; Ms. Angela Clark – Department of Information Systems and Technology; Dr. Laura Moore – Department of Music; Dr. Nancy Rice – Department of Biomedical Sciences; Dr. Paige Vitulli – Department of Integrative Studies; and Dr. Theresa Wright – Department of Adult Health Nursing. He also introduced Executive Director of University Libraries Dr. Lorene Flanders for a report. Dr. Flanders advised that Outreach and Instruction Librarian in the Biomedical Library Ms. Rachael Fenske had been honored with the prestigious 2019 Michael E. DeBakey Library Services Outreach Award from the Friends of the National Library of Medicine at a ceremony in Washington, D.C.

Mr. Windom called on Dr. Mitchell to report on the activities of the Division of Student Affairs, **ITEM 19**. Dr. Mitchell remarked on a collaboration with the Division of Academic Affairs and introduced Dr. Lars Tatom, Chair of the Department of Theatre and Dance, and Dr. Krista Harrell, Associate Dean of Students/Title IX Coordinator, to give insight. Drs. Tatum and Harrell gave a summation on South's 2019-2020 Common Read/Common World selection "When the Emperor Was Divine" by Japanese-American author Julie Otsuka. Video footage promoting the book to students attending convocation was shown. Dr. Harrell invited Trustees and guests to campus on October 17 to hear the author speak and to visit the Archaeology Museum's corresponding exhibit from the Smithsonian Institute's traveling collection *I Want the Wide American Earth – An Asian Pacific American Story*. Marketing and Communications' Creative Services team members Ms. Diana Nichols and Mr. James Palomo were credited for their work on the video.

Mr. Windom asked Ms. Chronister to present **ITEM 20**, a report on the activities of the Division of Research and Economic Development. Ms. Chronister introduced Chair of Civil, Coastal and Environmental Engineering Dr. Kevin White to discuss his research. Dr. White reported on wastewater inefficiencies that had exposed communities of Alabama's Black Belt region to hazardous sewage. He talked about collective efforts underway to address this problem, which

led to the formation of the Alabama Rural Water/Wastewater Consortium. He listed a wide array of academic institutions, state and federal agencies and elected officials that have become involved in this mission. Ms. Chronister credited Dr. White for his leadership on this project and advised of extramural funding received as a result, inclusive of a recent \$800,000 grant award from the Environmental Protection Agency. President Waldrop stated that Dr. White had also consulted with local commissioners and mayors about storm water management and he characterized Dr. White's research as a service to the community.

Ms. Chronister referenced a card with information on upcoming research forums, internal funding opportunities, and activities offered that support faculty research development. She advised that, for each dollar the University has invested in internal grants, \$30 was returned in external grant proceeds.

There being no further business, the meeting was adjourned at 3:24 p.m. Chairman Shumock said the Budget and Finance Committee meeting would convene at 3:30 p.m.

The meeting came to order and the attendance roll was called. Mr. Corcoran called for adoption of the revised agenda. On motion by Ms. Brown Stewart, seconded by Mr. Graham, the Committee voted unanimously to adopt the revised agenda.

Mr. Corcoran called for consideration of the minutes of the meeting held on June 5, 2019. On motion by Ms. Atkins, seconded by Ms. Brown Stewart, the Committee voted unanimously to adopt the minutes.

Mr. Corcoran called on Mr. Weldon to present **ITEM 21**, a report on the quarterly financial statements for the nine months ended June 30, 2019. Mr. Weldon said, despite a decrease in investment income of between \$7.5 to \$8 million in 2018 and 2019 and a decline in fall enrollment, the University's net position increased by just under \$25.3 million, whereas in 2018 the increase in net position was just under \$4.7 million. He attributed the bulk of this upturn to efforts by USA Health over recent years to improve financial operations, and to main campus budget cuts and rightsizing as appropriate.

Mr. Corcoran asked Mr. Weldon to address **ITEM 22**, a report on bonded indebtedness. Mr. Weldon discussed plans to refinance Series 2010 bonds that have an outstanding balance of close to \$20 million, carry a coupon interest rate of 3.81 percent and are callable in February 2020. Based upon early market indicators that point to a possible two percent interest rate, he said refinancing the bonds could result in an approximate 10 percent savings, or a net present value savings of up to \$1.9 million. He reported the transaction may involve the issuance of

private bonds. He noted that the current rates for private issues compared favorably with those for publically issued bonds and stated private bond transactions were generally less complex and costly. He anticipated that the Board would be asked to consider a recommendation in December.

Mr. Corcoran called for consideration of **ITEM 23**, a resolution to rename main campus streets as set forth. (To view approved resolutions, policies and other authorized documents, refer to the minutes of the Board of Trustees meeting held on September 13, 2019.) Mr. Weldon presented a diagram of the streets with recommended name changes and explained the practicality of the revisions in preparation for the opening of Hancock Whitney Stadium. On motion by Mr. Perkins, seconded by Ms. Atkins, the Committee voted unanimously to recommend approval of the resolution by the Board of Trustees. Mr. Haskins explained the processes for updating public safety agencies and mapping services.

Mr. Corcoran called on Mr. Davis to discuss **ITEM 24**, a resolution authorizing the amendment and restatement of the University's 403(b) plan as set forth in an accompanying volume submitter 403(b) plan document, to become effective October 1, 2019. Mr. Davis shared context on South's supplemental 403(b) elective retirement plan administered by TIAA (Teachers' Insurance and Annuity Association) and on TIAA and Internal Revenue Service interactions that prompted reassertion of South's plan using TIAA's volume submitter 403(b) plan document. He stated, while doing so, South took the opportunity to enhance plan provisions for participants in certain cases without cost to the University, as well as to optimize consistency between the 403(b) plans of the University and the HCM (USA HealthCare Management, LLC) for administrative reasons. On motion by Ms. Atkins, seconded by Ms. Brown Stewart, the Committee voted unanimously to recommend approval of the resolution by the Board of Trustees.

Mr. Corcoran called on Mr. Weldon for presentation of **ITEM 25**, a resolution authorizing the University budget for 2019-2020 and further stipulating the 2019-2020 budget as the continuation budget for 2020-2021 to satisfy bond trust indenture requirements should the budget process not be completed prior to the 2020-2021 fiscal year. Mr. Weldon noted the proposed budget totaling just under \$1.1 billion was balanced and he gave an overview on chief budget factors, among which he noted a 2.95 percent decline in enrollment; a 6.5 percent increase in state appropriations; a 2.1 percent increase in housing rates; a two percent increase in dining rates; a 2.9 percent increase in employee health insurance premiums; and a proposed three percent salary increase. He also detailed changes in budgeted revenues and expenses. Following discussion and on motion by Ms. Atkins, seconded by Ms. Brown Stewart, the Committee voted unanimously to recommend approval of the resolution by the Board of Trustees.

Mr. Corcoran called for consideration of **ITEM 25.A**, a resolution authorizing a three-percent, across-the-board salary increase for all eligible current salaried and hourly employees and an average three-percent merit increase for all eligible faculty and administrative employees hired prior to June 1, 2019, as allowable under general personnel guidelines and inclusive of other adjustments approved by the President, to be effective on November 24, 2019, for employees paid biweekly and on December 1, 2019, for employees paid monthly. On motion by Ms. Brown Stewart, seconded by Ms. Atkins, the Committee voted unanimously to recommend approval of

the resolution by the Board of Trustees. President Waldrop conveyed appreciation for the ability to recognize the employees with an ongoing raise despite budget challenges.

Mr. Weldon advised of the retirement of Senior Associate Vice President for Finance and Administration Ms. Kelly Peters on October 1, 2019. Ms. Peters shared remarks about the meaningful relationships forged during her tenure at South Alabama spanning close to four decades.

There being no further business, the meeting was adjourned at 4:06 p.m.

She mentioned that the strategic plan update on the horizon would likely bring about revisions to the Scorecard.
